36 extraordinary needs index multiplied by thirty-two dollars and fifty
37 cents (\$32.50).

38 (II) EN percent sparsity increase. For all school districts with an EN
39 percent base increase greater than zero and with a sparsity factor
40 pursuant to paragraph r of subdivision one of this section greater than
41 zero, the EN percent sparsity increase shall be equal to the product of
42 the extraordinary needs index multiplied by nine dollars and forty-two
43 cents (\$9.42).

45 percent base increase greater than zero and where the extraordinary
46 needs percent calculated for the two thousand eighteen--two thousand
47 nineteen school year is more than three hundred twenty-five ten thou-
48 sandths (0.0325) greater than the extraordinary needs percent calculated
49 for the two thousand sixteen--two thousand seventeen school year, the EN
50 percent growth increase shall be equal to the product of the extraor-
51 dinary needs index multiplied by thirty dollars (\$30.00).

53 for all school districts with a combined wealth ratio for total founda-
54 tion aid computed pursuant to paragraph c of subdivision three of this
55 section less than one (1.0), the product of sixty-nine dollars (\$69.00)
56 multiplied by the positive difference, if any, of one and six hundred

sixteen thousandths (1.616) less the product of (a) one and one thousand twenty-five ten thousandths (1.1025) multiplied by (b) the combined wealth ratio for total foundation aid computed pursuant to paragraph c of subdivision three of this section multiplied again by (c) the combined wealth ratio for total foundation aid computed pursuant to paragraph c of subdivision three of this section, provided that such ratio shall be no more than one.

(C) Tier C. For all school districts, tier C shall be equal to the product of twenty-five ten thousandths (0.0025) multiplied by the foundation aid base.

(ii) Community schools increase. The community schools increase for the two thousand eighteen--two thousand nineteen school year shall equal the greater of the community schools formula increase or the community schools level-up increase.

3 to, the following elements:

4 a. A policy stating that the school shall provide the student with the
5 student's meal of choice for that school day of the available reimbursable
6 meal choices for such school day, if the student requests one,
7 unless the student's parent or guardian has specifically provided written
8 permission to the school to withhold a meal, provided that such
9 policy shall only require the school to provide access to reimbursable
10 meals, not a la carte items, adult meals, or other similar items;

11 b. An explanation of how staff will be trained to ensure that the
12 policy is carried out correctly and how the affected parents and guardians
13 will be provided with assistance in establishing eligibility for
14 free or reduced-price meals for their children;

15 c. A policy requiring the school to notify the student's parent or
16 guardian that the student's meal card or account balance is exhausted

19 in connection with any meals charged;

20 d. A communication procedure designed to support eligible families
21 enrolling in the national free and reduced price meal program. Such
22 communication procedures shall also include a process for determining

24 the school shall:

25 i. make every attempt to determine if a student is directly certified
26 to be eligible for free meals;

27 ii. make at least two attempts, not including the application or
28 instructions included in a school enrollment packet, to reach the
29 student's parent or guardian and have the parent or guardian fill out a

36 e. A clear explanation of policies designed to decrease student
37 distress or embarrassment, provided that, no school shall:

38 i. publicly identify or stigmatize a student who cannot pay for a meal
39 or who owes a meal debt by any means including, but not limited to,
40 requiring that a student wear a wristband or hand stamp;

41 ii. require a student who cannot pay for a meal or who owes a meal
42 debt to do chores or other work to pay for meals, provided that chores
43 or work required of all students regardless of a meal debt is permitted;

44 iii. require that a student throw away a meal after it has been served
45 because of the student's inability to pay for the meal or because money
46 is owed for earlier meals;

51 act, 15 U.S.C. Sec. 1692a; or

52 v. discuss any outstanding meal debt in the presence of other
53 students;

54 f. A clear explanation of the policy to handle unpaid meal charges,
55 provided that nothing in this section is intended to allow for the
56 unlimited accrual of debt;

6 in school enrollment packets an explanation of the electronic meal
7 application process and instructions for how parents or guardians may
8 request a paper application at no cost; and

9 ii. meal applications and instructions in a language that parents and
10 guardians understand. If a parent or guardian cannot read or understand
11 a meal application, the school shall offer assistance in completing the
12 application;

13 h. If a school becomes aware that a student who has not submitted a
14 meal application is eligible for free or reduced-fee meals, the school
15 shall complete and file an application for the student pursuant to title
16 seven, section 245.6(d) of the code of federal regulations; and

17 i. School liaisons required for homeless, foster, and migrant students

19 students receive free school meals, in accordance with federal law.

39 service delivery model, schools shall consult with teachers, parents,
40 students and members of the community.

14 July 1 thereafter, a school food authority shall be eligible for a lunch
15 meal State subsidy of twenty-five cents, which shall include any annual
16 State subsidy received by such school food authority under any other
17 provision of State law, for any school lunch meal served by such school

51 § 3. This act shall take effect immediately; provided, however, that
52 subdivision a of section 4 of chapter 537 of the laws of 1976, as added
53 by section two of this act, shall take effect September 1, 2018.

1 Section 1. Section 1604 of the education law is amended by adding a
2 new subdivision 43 to read as follows:

3 43. To pass, in the discretion of the trustees, a resolution authoriz-
4 ing the use of school bus cameras pursuant to section eleven hundred
5 eighteen of the vehicle and traffic law, provided that the trustees may
6 also enter into contracts with a third party for the installation,
7 administration, operation, notice processing, and maintenance of such
8 cameras, and for the sharing of revenue derived from such cameras pursu-
9 ant to section eleven hundred eighteen of the vehicle and traffic law,
10 provided that the purchase, lease, installation, operation and mainte-
11 nance, or any other costs associated with such cameras shall not be
12 considered an aidable expense pursuant to section thirty-six hundred
13 twenty-three-a of this chapter.

14 § 2. Section 1709 of the education law is amended by adding a new
15 subdivision 43 to read as follows:

16 43. To pass a resolution, in the discretion of the board, authorizing
17 the use of school bus cameras pursuant to section eleven hundred eigh-
18 teen of the vehicle and traffic law, provided that the board may also
19 enter into contracts with a third party for the installation, adminis-
20 tration, operation, notice processing, and maintenance of such cameras,
21 and for the sharing of revenue derived from such cameras pursuant to
22 section eleven hundred eighteen of the vehicle and traffic law, provided
23 that the purchase, lease, installation, operation and maintenance, or
24 any other costs associated with such cameras shall not be considered an
25 aidable expense pursuant to section thirty-six hundred twenty-three-a of
26 this chapter.

27 § 3. The vehicle and traffic law is amended by adding a new section
28 1118 to read as follows:

29 § 1118. Owner liability for operator illegally overtaking or passing a
30 school bus. (a) 1. Notwithstanding any other provision of law, each
31 board of education or trustees of a school district is hereby authorized
32 and empowered to adopt and amend a resolution establishing a school bus
33 safety camera program imposing monetary liability on the owner of a
34 vehicle for failure of an operator thereof to comply with section eleven
35 hundred seventy-four of this title. Such program shall empower a board
36 of education or school district or school bus transportation contractor
37 that has contracted with such school district to install school bus
38 safety cameras upon school buses operated by or contracted with such
39 district.

40 2. Such program shall utilize necessary technologies to ensure, to the
41 extent practicable, that photographs produced by such school bus safety
42 cameras shall not include images that identify the driver, the passen-
43 gers, or the contents of the vehicle. Provided, however, that no notice
44 of liability issued pursuant to this section shall be dismissed solely
45 because a photograph or photographs allow for the identification of the
46 contents of a vehicle, provided that such school district has made a
47 reasonable effort to comply with the provisions of this paragraph.

48 (b) In any school district which has adopted a resolution pursuant to
49 subdivision (a) of this section, the owner of a vehicle shall be liable
50 for a penalty imposed pursuant to this section if such vehicle was used
51 or operated with the permission of the owner, express or implied, in
52 violation of subdivision (a) of section eleven hundred seventy-four of
53 this title, and such violation is evidenced by information obtained from
54 a school bus safety camera; provided however that no owner of a vehicle
55 shall be liable for a penalty imposed pursuant to this section where the

1 operator of such vehicle has been convicted of the underlying violation
2 of subdivision (a) of section eleven hundred seventy-four of this title.

3 (c) For purposes of this section, "owner" shall have the meaning
4 provided in article two-B of this chapter. For purposes of this section,
5 "school bus safety camera" shall mean an automated photo monitoring
6 device affixed to the outside of a school bus and designated to detect
7 and store videotape and one or more images of motor vehicles that over-
8 take or pass school buses in violation of subdivision (a) of section
9 eleven hundred seventy-four of this title.

10 (d) No school district or school bus transportation contractor that
11 has installed cameras pursuant to this section shall access the images
12 from such cameras but shall provide, pursuant to an agreement with the
13 appropriate law enforcement agency or agencies, for the proper handling
14 and custody of such images for the forwarding of such images from such
15 cameras to a law enforcement agency having jurisdiction in the area in
16 which the violation occurred for the purpose of imposing monetary
17 liability on the owner of a motor vehicle for illegally overtaking or
18 passing a school bus in violation of subdivision (a) of section eleven
19 hundred seventy-four of this title. After receipt of such images a
20 police officer shall inspect such videotape and images to determine
21 whether a violation of subdivision (a) of section eleven hundred seven-
22 ty-four of this title was committed. Upon such a finding a certificate,
23 sworn to or affirmed by an officer of such agency, or a facsimile there-
24 of, based upon inspection of photographs, microphotographs, videotape or
25 other recorded images produced by a school bus safety camera, shall be
26 prima facie evidence of the facts contained therein. Any photographs,
27 microphotographs, videotape or other recorded images evidencing such a
28 violation shall be available for inspection in any proceeding to adjudi-
29 cate the liability for such violation.

30 (e) An owner found liable pursuant to this section for a violation of
31 subdivision (a) of section eleven hundred seventy-four of this title
32 shall be liable for a monetary penalty of two hundred fifty dollars.

33 (e-1) Payment of the monetary penalty imposed by subdivision (e) of
34 this section shall be payable to the school district. Nothing herein
35 shall prevent the school district from entering into a memorandum of
36 understanding with a local law enforcement agency to return a portion of
37 such penalty received to the local law enforcement agency, provided
38 however, in no case shall such portion returned to a local law enforce-
39 ment agency exceed twenty percent of the amount received by the school
40 district.

41 (f) An imposition of liability under this section shall not be deemed
42 a conviction as an operator and shall not be made part of the operating
43 record of the person upon whom such liability is imposed nor shall it be
44 used for insurance purposes in the provision of motor vehicle insurance
45 coverage.

46 (g) 1. A notice of liability shall be sent by the respective law
47 enforcement agency by first class mail to each person alleged to be
48 liable as an owner for a violation of subdivision (a) of section eleven
49 hundred seventy-four of this title pursuant to this section. Personal
50 delivery on the owner shall not be required. A manual or automatic
51 record of mailing prepared in the ordinary course of business shall be
52 prima facie evidence of the facts contained therein.

53 2. A notice of liability shall contain the name and address of the
54 person alleged to be liable as an owner for a violation of subdivision
55 (a) of section eleven hundred seventy-four of this title pursuant to
56 this section, the registration number of the vehicle involved in such

1 violation, the location where such violation took place, the date and
2 time of such violation and the identification number of the camera which
3 recorded the violation or other document locator number.

4 3. The notice of liability shall contain information advising the
5 person charged of the manner and the time in which he may contest the
6 liability alleged in the notice. Such notice of liability shall also
7 contain a warning to advise the persons charged that failure to contest
8 in the manner and time provided shall be deemed an admission of liabil-
9 ity and that a default judgment may be entered thereon.

10 4. The notice of liability shall be prepared and mailed by the respec-
11 tive law enforcement agency having jurisdiction over the location where
12 the violation occurred.

13 (h) Adjudication of the liability imposed upon owners by this section
14 shall be by a traffic violations bureau established pursuant to section
15 three hundred seventy of the general municipal law or, if there be none,
16 by the court having jurisdiction over traffic infractions, except that
17 any city which has established or designated an administrative tribunal
18 to hear and determine owner liability established by this article for
19 failure to comply with traffic-control indications shall use such tribu-
20 nal to adjudicate the liability imposed by this section.

21 (i) If an owner receives a notice of liability pursuant to this
22 section for any time period during which the vehicle was reported to a
23 police department as having been stolen, it shall be a valid defense to
24 an allegation of liability for a violation of subdivision (a) of section
25 eleven hundred seventy-four of this title pursuant to this section that
26 the vehicle had been reported to the police as stolen prior to the time
27 the violation occurred and had not been recovered by such time. For
28 purposes of asserting the defense provided by this subdivision it shall
29 be sufficient that a certified copy of the police report on the stolen
30 vehicle be sent by first class mail to the traffic violations bureau,
31 court having jurisdiction or parking violations bureau.

32 (j) Where the adjudication of liability imposed upon owners pursuant
33 to this section is by an administrative tribunal, traffic violations
34 bureau, or a court having jurisdiction, an owner who is a lessor of a
35 vehicle to which a notice of liability was issued pursuant to subdivi-
36 sion (g) of this section shall not be liable for the violation of subdivi-
37 sion (a) of section eleven hundred seventy-four of this title,
38 provided that he or she sends to the administrative tribunal, traffic
39 violations bureau, or court having jurisdiction a copy of the rental,
40 lease or other such contract document covering such vehicle on the date
41 of the violation, with the name and address of the lessee clearly legi-
42 ble, within thirty-seven days after receiving notice from the bureau or
43 court of the date and time of such violation, together with the other
44 information contained in the original notice of liability. Failure to
45 send such information within such thirty-seven day time period shall
46 render the owner liable for the penalty prescribed by this section.
47 Where the lessor complies with the provisions of this paragraph, the
48 lessee of such vehicle on the date of such violation shall be deemed to
49 be the owner of such vehicle for purposes of this section, shall be
50 subject to liability for the violation of subdivision (a) of section
51 eleven hundred seventy-four of this title pursuant to this section and
52 shall be sent a notice of liability pursuant to subdivision (g) of this
53 section.

54 (k) 1. If the owner liable for a violation of subdivision (a) of
55 section eleven hundred seventy-four of this title pursuant to this
56 section was not the operator of the vehicle at the time of the

1 violation, the owner may maintain an action for indemnification against
2 the operator.

3 2. Notwithstanding any other provision of this section, no owner of a
4 vehicle shall be subject to a monetary fine imposed pursuant to this
5 section if the operator of such vehicle was operating such vehicle with-
6 out the consent of the owner at the time such operator was found to have
7 been overtaking or passing a school bus. For purposes of this subdivi-
8 sion there shall be a presumption that the operator of such vehicle was
9 operating such vehicle with the consent of the owner at the time such
10 operator was found to have been overtaking or passing a school bus.

11 (l) Nothing in this section shall be construed to limit the liability
12 of an operator of a vehicle for any violation of subdivision (a) of
13 section eleven hundred seventy-four of this title.

14 (m) In any school district which adopts a school bus safety camera
15 program pursuant to subdivision (a) of this section, such school
16 district shall submit an annual report on the results of the use of its
17 school bus safety cameras to the governor, the temporary president of
18 the senate and the speaker of the assembly on or before June first, two
19 thousand nineteen and on the same date in each succeeding year in which
20 the demonstration program is operable. Such report shall include, but
21 not be limited to:

22 1. a description of the number of busses and routes where school bus
23 safety cameras were used;

24 2. the aggregate number of annual incidents of violations of subdivi-
25 sion (a) of section eleven hundred seventy-four of this title within the
26 district;

27 3. the number of violations recorded by school bus safety cameras in
28 the aggregate and on a daily, weekly and monthly basis;

29 4. the total number of notices of liability issued for violations
30 recorded by such systems;

31 5. the number of fines and total amount of fines paid after first
32 notice of liability issued for violations recorded by such systems;

33 6. the number of violations adjudicated and results of such adjudi-
34 cations including breakdowns of dispositions made for violations
35 recorded by such systems;

36 7. the total amount of revenue realized by such school district from
37 such adjudications;

38 8. expenses incurred by such school district in connection with the
39 program; and

40 9. quality of the adjudication process and its results.

41 (n) It shall be a defense to any prosecution for a violation of subdivi-
42 vision (a) of section eleven hundred seventy-four of this title that
43 such school bus safety cameras were malfunctioning at the time of the
44 alleged violation.

45 § 4. Subdivision (c) of section 1174 of the vehicle and traffic law,
46 as amended by chapter 254 of the laws of 2002, is amended to read as
47 follows:

48 (c) Every person convicted of a violation of subdivision (a) of this
49 section shall: for a first conviction thereof, be punished by a fine of
50 not less than [~~two hundred fifty~~] five hundred dollars nor more than
51 [~~four~~] seven hundred fifty dollars or by imprisonment for not more than
52 thirty days or by both such fine and imprisonment; for a conviction of a
53 second violation, both of which were committed within a period of three
54 years, such person shall be punished by a fine of not less than [~~six~~
55 hundred] one thousand dollars nor more than [~~seven~~] one thousand two
56 hundred fifty dollars or by imprisonment for not more than one hundred

1 eighty days or by both such fine and imprisonment; upon a conviction of
2 a third or subsequent violation, all of which were committed within a
3 period of three years, such person shall be punished by a fine of not
4 less than [~~seven hundred fifty~~] one thousand two hundred fifty dollars
5 nor more than one thousand five hundred dollars or by imprisonment for
6 not more than one hundred eighty days or by both such fine and imprison-
7 ment.

8 § 5. This act shall take effect immediately.

11 amended by adding a new paragraph oo to read as follows:

16 hundred twenty-five thousand inhabitants or more, to participate in a
17 recovery high school program operated by the board of cooperative educa-
18 tional services for a period not to exceed five years upon such terms as
19 such trustees or board of education and the board of cooperative educa-
20 tional services may mutually agree, provided that such agreement may
21 provide for a charge for administration of the recovery high school
22 program including capital costs, but participating non-component school
23 districts shall not be liable for payment of administrative expenses as
24 defined in paragraph b of this subdivision. Costs allocated to a partic-
25 ipating non-component school district pursuant to a memorandum of under-
26 standing shall be aidable pursuant to subdivision five of this section

40 engaged in the practice of such profession in such corporation or a
41 predecessor entity, or who will engage in the practice of such profes-
42 sion in such corporation within thirty days of the date such shares are
43 issued and may also issue shares to employees of the corporation not
44 licensed as certified public accountants, provided that:

46 the corporation are owned by certified public accountants,

56 voting trust agreement, proxy or any other type of agreement vesting in

1 another person, other than another shareholder of the same corporation,
2 the authority to exercise voting power of any or all of his or her
3 shares. All shares issued, agreements made or proxies granted in
4 violation of this section shall be void.

5 § 4. Section 1508 of the business corporation law is amended by adding
6 a new paragraph (c) to read as follows:

7 (c) The directors and officers of any firm established for the busi-

12 directors, at least fifty-one percent of the officers and the president,
13 the chairperson of the board of directors and the chief executive offi-
14 cer or officers are authorized by law to practice in this state a
15 profession which such corporation is authorized to practice, and are
16 either shareholders of such corporation or engaged in the practice of
17 their professions in such corporation.

18 § 5. Section 1509 of the business corporation law, as amended by chap-
19 ter 550 of the laws of 2011, is amended to read as follows:

20 § 1509. Disqualification of shareholders, directors, officers and
21 employees.

22 If any shareholder, director, officer or employee of a professional
23 service corporation, including a design professional service corpo-
24 ration, or any firm established for the business purpose of incorporat-
25 ing as a professional service corporation pursuant to paragraph (h) of
26 section fifteen hundred three of this article, who has been rendering
27 professional service to the public becomes legally disqualified to prac-
28 tice his profession within this state, he shall sever all employment
29 with, and financial interests (other than interests as a creditor) in,
30 such corporation forthwith or as otherwise provided in section 1510 of
31 this article. All provisions of law regulating the rendering of profes-
32 sional services by a person elected or appointed to a public office
33 shall be applicable to a shareholder, director, officer and employee of
34 such corporation in the same manner and to the same extent as if fully
35 set forth herein. Such legal disqualification to practice his profession
36 within this state shall be deemed to constitute an irrevocable offer by
37 the disqualified shareholder to sell his shares to the corporation,
38 pursuant to the provisions of section 1510 of this article or of the
39 certificate of incorporation, by-laws or agreement among the corporation
40 and all shareholders, whichever is applicable. Compliance with the terms
41 of such offer shall be specifically enforceable in the courts of this
42 state. A professional service corporation's failure to enforce compli-
43 ance with this provision shall constitute a ground for forfeiture of its
44 certificate of incorporation and its dissolution.

45 § 6. Paragraph (a) of section 1511 of the business corporation law, as
46 amended by chapter 550 of the laws of 2011, is amended and a new para-

50 for the business purpose of incorporating as a professional service
51 corporation pursuant to paragraph (h) of section fifteen hundred three
52 of this article, may sell or transfer his shares in such corporation
53 except to another individual who is eligible to have shares issued to
54 him by such corporation or except in trust to another individual who
55 would be eligible to receive shares if he were employed by the corpo-
56 ration. Nothing herein contained shall be construed to prohibit the

1 transfer of shares by operation of law or by court decree. No transfer-
2 ee of shares by operation of law or court decree may vote the shares for
3 any purpose whatsoever except with respect to corporate action under
4 sections 909 and 1001 of this chapter. The restriction in the preceding
5 sentence shall not apply, however, where such transferee would be eligi-
6 ble to have shares issued to him if he were an employee of the corpo-
7 ration and, if there are other shareholders, a majority of such other
8 shareholders shall fail to redeem the shares so transferred, pursuant to
9 section 1510 of this article, within sixty days of receiving written
10 notice of such transfer. Any sale or transfer, except by operation of
11 law or court decree or except for a corporation having only one share-
12 holder, may be made only after the same shall have been approved by the
13 board of directors, or at a shareholders' meeting specially called for
14 such purpose by such proportion, not less than a majority, of the
15 outstanding shares as may be provided in the certificate of incorpo-
16 ration or in the by-laws of such professional service corporation. At
17 such shareholders' meeting the shares held by the shareholder proposing
18 to sell or transfer his shares may not be voted or counted for any
19 purpose, unless all shareholders consent that such shares be voted or
20 counted. The certificate of incorporation or the by-laws of the profes-
21 sional service corporation, or the professional service corporation and
22 the shareholders by private agreement, may provide, in lieu of or in
23 addition to the foregoing provisions, for the alienation of shares and
24 may require the redemption or purchase of such shares by such corpo-
25 ration at prices and in a manner specifically set forth therein. The
26 existence of the restrictions on the sale or transfer of shares, as
27 contained in this article and, if applicable, in the certificate of
28 incorporation, by-laws, stock purchase or stock redemption agreement,
29 shall be noted conspicuously on the face or back of every certificate
30 for shares issued by a professional service corporation. Any sale or
31 transfer in violation of such restrictions shall be void.

32 (c) A firm established for the business purpose of incorporating as a
33 professional service corporation pursuant to paragraph (h) of section
34 fifteen hundred three of this article, shall purchase or redeem the
35 shares of a non-licensed professional shareholder in the case of his or
36 her termination of employment within thirty days after such termination.
37 A firm established for the business purpose of incorporating as a
38 professional service corporation pursuant to paragraph (h) of section
39 fifteen hundred three of this article, shall not be required to purchase
40 or redeem the shares of a terminated non-licensed professional share-
41 holder if such shares, within thirty days after such termination, are
42 sold or transferred to another employee of the corporation pursuant to
43 this article.

45 amended by chapter 550 of the laws of 2011, is amended to read as
46 follows:

48 sional service corporation, including a design professional service
49 corporation and any firm established for the business purpose of incor-
50 porating as a professional service corporation pursuant to paragraph (h)
51 of section fifteen hundred three of this article, may contain any word
52 which, at the time of incorporation, could be used in the name of a
53 partnership practicing a profession which the corporation is authorized
54 to practice, and may not contain any word which could not be used by
55 such a partnership. Provided, however, the name of a professional
56 service corporation may not contain the name of a deceased person unless

1 (1) such person's name was part of the corporate name at the time of
2 such person's death; or

3 (2) such person's name was part of the name of an existing partnership
4 and at least two-thirds of such partnership's partners become sharehold-
5 ers of the corporation.

6 § 8. Section 1514 of the business corporation law is amended by adding
7 a new paragraph (c) to read as follows:

8 (c) Each firm established for the business purpose of incorporating as
9 a professional service corporation pursuant to paragraph (h) of section
10 fifteen hundred three of this article shall, at least once every three
11 years on or before the date prescribed by the licensing authority,
12 furnish a statement to the licensing authority listing the names and
13 residence addresses of each shareholder, director and officer of such
14 corporation and certify as the date of certification and at all times
15 over the entire three year period that:

16 (i) at least fifty-one percent of the outstanding shares of stock of
17 the corporation are and were owned by certified public accountants,

23 chief executive officer or officers are and were certified public
24 accountants.

25 The statement shall be signed by the president or any certified public
26 accountant vice-president and attested to by the secretary or any
27 assistant secretary of the corporation.

28 § 9. Paragraph (d) of section 1525 of the business corporation law, as
29 added by chapter 505 of the laws of 1983, is amended to read as follows:

31 service corporation, whether or not denominated as such, organized under
32 the laws of a jurisdiction other than this state, all of the sharehold-

34 practice the profession for which such corporation is licensed to do
35 business; except that all shareholders, directors and officers of a
36 foreign professional service corporation which provides health services
37 in this state shall be licensed in this state. Notwithstanding any other
38 provision of law a foreign professional service corporation formed to
