27 counts; (iii) be unreasonable or discriminatory; (iv) violate any appli-

32 foregoing, in recognition of the public benefits of the deployment of

34 minatory basis, to refrain from charging any rate or fee to a wireless
35 provider for the use of the right of way.

36 4. Rate or fee adjustment. Should a municipal corporation have an
37 existing rate or fee to construct, install, mount, maintain, modify,
38 operate, or replace a wireless facility or wireless support structure in
39 the ROW, including collocation in such ROW, controlled by the municipal
40 corporation and such rate or fee does not comply with the requirements
41 in subdivision three of this section, not later than six months follow-
42 ing the effective date of this article, the municipal corporation shall
43 implement a revised rate or fee to ensure compliance with such subdivi-

46 approval of an application, if required, a wireless provider shall have
47 the right, as a permitted use not subject to zoning review or approval,

49 provided in this article, to collocate wireless facilities and
50 construct, modify, maintain, and operate utility poles, wireless support
51 structures, conduit, cable, and related appurtenances and facilities
52 along, across, upon, and under the ROW. Such structures and facilities
53 shall be so constructed and maintained as not to obstruct or hinder the
54 usual travel or public safety on such ROW or obstruct the legal use of
55 such ROW by other utilities. Each new or modified utility pole and wire-
56 less support structure installed in the ROW shall not exceed the greater

1 of (i) ten feet in height above the tallest existing utility pole in
2 place as of the effective date of this article located within five
3 hundred feet of the new pole in the same ROW; or (ii) fifty feet above
4 ground level. New wireless facilities in the ROW may not extend (i) more
5 than ten feet above an existing utility pole or wireless support struc-
6 ture in place as of the effective date of this article; or (ii) above
7 the height permitted for a new utility pole or wireless support struc-
8 ture under this section. Notwithstanding the foregoing:

9 a. Subject to this article, a wireless provider shall have the right
10 to construct, modify and maintain a utility pole, wireless support
11 structure, or wireless facility that exceeds these size limits along,
12 across, upon and under the ROW, subject to review in accordance with
13 applicable municipal zoning regulations; and

14 b. Applicants shall comply with nondiscriminatory undergrounding
15 requirements after obtaining prior zoning approval in areas zoned for
16 single family residential use, provided that such requirements shall not
17 prohibit the replacement of existing structures or result in an effec-
18 tive prohibition of services. In all other zoning districts, prior
19 zoning approval shall not be required for undergrounding new infrastruc-
20 ture associated with small wireless facilities.

21 6. No discrimination. The municipal corporation, in the exercise of
22 its administration and regulation related to the management of the ROW
23 must be competitively neutral with regard to other users of the ROW,
24 including that terms may not be unreasonable or discriminatory and may
25 not violate any applicable law.

26 7. Damage and repair. The municipal corporation may require a wireless
27 provider to repair all damage to the ROW directly caused by the activ-
28 ities of the wireless provider, while occupying, installing, repairing
29 or maintaining wireless facilities, wireless support structures, or
30 utility poles in the ROW and to return the ROW to its functional equiv-
31 alence before the damage pursuant to the competitively neutral, reason-
32 able requirements and specifications of the municipal corporation. If
33 the wireless provider fails to make the repairs reasonably required by
34 the municipal corporation within a reasonable time after written notice,
35 the municipal corporation may effect those repairs and charge the appli-

37 § 302. Collocation of small wireless facilities and micro wireless
38 facilities. 1. Applicability. The provisions of this section shall apply
39 to activities of a wireless provider within or outside of the right of
40 way.

41 2. Except as expressly provided in this article, no municipal corpo-
42 ration may regulate, prohibit or charge for the collocation of
43 small/micro wireless facilities.

44 3. Small wireless facilities and micro wireless facilities shall be
45 classified as permitted uses and not subject to zoning review or
46 approval if they are collocated: (i) in the right of way in any zoning
47 district; or (ii) outside the right of way in property not zoned exclu-
48 sively for single family residential use.

49 4. A municipal corporation may require an applicant to obtain one or
50 more permits to collocate a small wireless facility, provided such
51 permits are of general applicability and do not apply exclusively to
52 wireless facilities. A municipal corporation shall receive applications
53 for, process, and issue such Permits subject to the following require-
54 ments: (i) no municipal corporation may, directly or indirectly, require
55 an applicant to perform services unrelated to the collocation for which
56 approval is sought, such as in-kind contributions to the municipal

1 corporation, including reserving fiber, conduit, or pole space for the
2 municipal corporation; (ii) no applicant shall be required to provide
3 more information to obtain a permit than communications service provid-
4 ers that are not wireless providers; (iii) within ten days of receiving
5 an application, a municipal corporation shall determine and notify the
6 applicant whether the application is complete. If an application is
7 incomplete, the municipal corporation shall specifically identify what
8 information is missing; (iv) an application shall be processed on a
9 nondiscriminatory basis and shall be deemed approved if the municipal
10 corporation fails to otherwise approve or deny the application within
11 sixty days of receipt; and (v) a municipal corporation shall approve an
12 application unless it does not meet the requirements of this article.
13 The municipal corporation shall document the basis for any denial,
14 including the specific code provisions on which the denial was based,
15 and send the documentation to the applicant on or before the day the
16 municipal corporation denies the application. The applicant may cure the
17 deficiencies identified by the municipal corporation and resubmit the
18 application within thirty days of the denial without paying an addi-
19 tional application fee. The municipal corporation shall approve or deny
20 the revised application within thirty days. Any subsequent review shall
21 be limited to the deficiencies cited in the denial; (vi) an applicant
22 seeking to collocate small wireless facilities within the jurisdiction
23 of a single municipal corporation shall be allowed, at the applicant's
24 discretion, to file a consolidated application and receive a single
25 permit for the collocation of multiple small wireless facilities; (vii)
26 collocation for which a permit has been granted shall commence within
27 one year of approval and shall be pursued to completion; and (viii) no
28 municipal corporation may institute, either expressly or de facto, a
29 moratorium on: a. filing, receiving, or processing applications; or b.
30 issuing permits or other approvals, if any, for the collocation of small
31 wireless facilities.

34 fee is required for similar types of commercial development within the
35 municipal corporation's jurisdiction; (ii) a municipal corporation shall
36 only charge a fee for the actual, direct, and reasonable costs incurred
37 by the municipal corporation relating to the granting or processing of
38 an application. Such fees shall be reasonably related in time to the
39 incurring of such costs. Where such costs are already recovered by
40 existing fees, rates, or taxes paid by a wireless provider, no applica-
41 tion fee shall be assessed to recover such costs; (iii) a fee may not
42 include: a. travel expenses incurred by a third party in its review of
43 an application; or b. direct payment or reimbursement of third party
44 rates or fees charged on a contingency basis or a result-based arrange-
45 ment; (iv) in any controversy concerning the appropriateness of a fee,
46 the municipal corporation shall have the burden of proving that the fee
47 is reasonably related to the actual, direct, and reasonable costs
48 incurred by the municipal corporation; (v) total application fees, where
49 permitted, shall not exceed the lesser of the amount charged by the
50 municipal corporation for: a. a building permit for any similar commer-
51 cial construction, activity, or land use development; or b. one hundred
52 dollars each for up to five small wireless facilities addressed in an
53 application and fifty dollars for each additional small wireless facili-
54 ty addressed in the application.

55 6. No municipal corporation shall require an application for: (i)
56 routine maintenance; (ii) the replacement of wireless facilities with

1 wireless facilities that are substantially similar or the same size or
2 smaller; or (iii) the installation, placement, maintenance, operation or
3 replacement of micro wireless facilities that are strung on cables
4 between existing utility poles, in compliance with the national elec-
5 trical safety code. A municipal corporation may require a permit to work
6 within the right of way for such activities, if applicable. Any such
7 permits shall be subject to the requirements of this section.

8 § 303. Access to municipal corporation structures. 1. Collocation of
9 small wireless facilities on or adjacent to municipal corporation poles
10 and utility poles for designated services. (i) Exclusive arrangements
11 prohibited. A person owning or controlling municipal poles or utility
12 poles for designated services may not enter into an exclusive arrange-
13 ment with any person for the right to attach to or adjacent to such
14 poles.

15 (ii) Rates. a. The rates and fees for collocations on or adjacent to
16 municipal corporation poles or utility poles for designated services
17 shall be nondiscriminatory regardless of the services provided by the
18 collocating person; b. the rate to collocate on or adjacent to utility
19 poles for designated services may not exceed the annual recurring rate
20 that would be permitted under rules adopted by the FCC under 47 U.S.C. §
21 224(e) if the rates were regulated by the FCC or twenty dollars per year
22 per wooden utility pole or two hundred dollars per year per metal,
23 concrete, or fiberglass utility pole, whichever is less; c. the rate to
24 collocate on municipal corporation poles shall recover the actual,
25 direct, and reasonable costs related to the applicant's application for
26 and use of space on the municipal corporation pole; d. the total annual
27 rate for collocations and any activities related to such collocations
28 shall not exceed the lesser of actual, direct, and reasonable costs
29 related to the collocation on or adjacent to the pole or twenty dollars
30 per year per wooden utility pole or two hundred dollars per year per
31 metal, concrete, or fiberglass utility pole, whichever is less; e. in
32 any controversy concerning the appropriateness of a rate for a municipal
33 corporation's pole, the municipal corporation shall have the burden of
34 proving that the rates are reasonably related to the actual, direct, and
35 reasonable costs incurred for use of space on the pole for such period;
36 f. should a municipal corporation, municipally-owned or operated-per-
37 son, public utility district, or cooperative have an existing pole
38 attachment rate, fee, or other term that does not comply with the
39 requirements of this section, the municipal corporation, municipally-
40 owned or operated person, public utility district, or cooperative shall,
41 not later than six months following the effective date of this article,
42 reform such rate, fee, or term in compliance with this subdivision.

43 (iii) Rates, fees, and terms to be offered. Persons owning or control-
44 ling municipal corporation poles and utility poles for designated
45 services shall offer rates, fees, and other terms that comply with the
46 provision set forth in this section within the later of six months of
47 the effective date of this article or three months after receiving a
48 request to collocate its first small wireless facility on a municipal
49 corporation pole or a utility pole for designated services owned or
50 controlled by a municipal corporation.

51 2. Collocation on or adjacent to municipal corporation wireless
52 support structures and utility poles outside the right of way. A munici-
53 pal corporation shall authorize the collocation of small wireless facil-
54 ities and micro wireless facilities on or adjacent to wireless support
55 structures and utility poles owned or controlled by a municipal corpo-
56 ration that are not located within the right of way to the same extent

1 the municipal corporation permits access to such structures for other
2 commercial projects or uses. Such collocations shall be subject to
3 reasonable and nondiscriminatory rates, fees, and terms as provided in
4 an agreement between the municipal corporation and the wireless provid-
5 er.

6 § 304. Local authority. Subject to the provisions of this article and
7 applicable federal law, a municipal corporation may continue to exercise
8 zoning, land use, planning and permitting authority within its territo-
9 rial boundaries, including with respect to wireless support structure
10 and utility poles; except that no municipal corporation shall have or
11 exercise any jurisdiction or authority over the design, engineering,
12 construction, installation, or operation of any small wireless facility
13 or micro wireless facility located in an interior structure or upon the
14 site of any campus, stadium, or athletic facility not otherwise owned or
15 controlled by the municipal corporation, other than to comply with
16 applicable codes. Nothing in this article authorizes the state or any
17 political subdivision, including a municipal corporation, to require
18 wireless facility deployment or to regulate wireless services.

19 § 305. Dispute resolution. Courts of competent jurisdiction shall have
20 jurisdiction to determine all disputes arising under this article.

21 § 306. Indemnification. No municipal corporation shall require a
22 wireless provider to indemnify and hold the municipal corporation and
23 its officers and employees harmless against any claims, lawsuits, judg-
24 ments, costs, liens, losses, expenses or fees, except when a court of
25 competent jurisdiction has found that the negligence of the wireless
26 provider while installing, repairing or maintaining caused the harm that
27 created such claims, lawsuits, judgments, costs, liens, losses,
28 expenses, or fees or to require a wireless provider to obtain insurance
29 naming the municipal corporation or its officers and employees an addi-
30 tional insured against any of the foregoing.

31 § 4. This act shall take effect immediately; provided, however, that
32 section three of this act shall take effect on the thirtieth day after
33 it shall have become a law.

The presumption established by this subdivision is rebuttable by evidence tending to show that the operator was not using the device within the meaning of this section.

§ 7. Subdivision 3 of section 1229-c of the vehicle and traffic law, as added by chapter 365 of the laws of 1984, is amended to read as follows:

§ 9. The vehicle and traffic law is amended by adding a new section 1170-a to read as follows:

§ 1170-a. Owner liability for failure of operator to obey signal indicating approach of train. (a) 1. Notwithstanding any other provision of law, any political subdivision as defined herein is hereby authorized and empowered to adopt and amend a local law, ordinance or resolution establishing a demonstration program imposing monetary liability on the owner of a vehicle for failure of an operator thereof to comply with section eleven hundred seventy of this article. Such demonstration program shall empower a political subdivision to install and operate railroad grade crossing photo violation-monitoring devices at any railroad sign or signal over which it has jurisdiction. The cost of the photo violation monitoring devices may be borne by the political subdivision, a commuter railroad operating within such political subdivision, or a combination of both such political subdivision and commuter railroad pursuant to a memorandum of understanding.

2. Such demonstration program shall utilize necessary technologies to ensure, to the extent practicable, that photographs produced by such railroad grade crossing photo violation-monitoring systems shall not include images that identify the driver, the passengers or the contents of the vehicle. Notwithstanding any foregoing, no notice of liability issued pursuant to this section shall be dismissed solely because a

1 photograph or photographs allow for the identification of the contents
2 of a vehicle, provided that such political subdivision has made a
3 reasonable effort to comply with the provisions of this paragraph.

4 (b) Within the jurisdiction of any such political subdivision which
5 has adopted a local law, ordinance or resolution pursuant to subdivision
6 (a) of this section, the owner of a vehicle shall be liable for a penal-
7 ty imposed pursuant to this section if such vehicle was used or operated
8 with the permission of the owner, express or implied, in violation of
9 section eleven hundred seventy of this article, and such violation is
10 evidence by information obtained from a railroad grade crossing photo
11 violation-monitoring system; provided, however, that no owner of a vehi-
12 cle shall be liable for a penalty imposed pursuant to this section where
13 the operator of such vehicle has been convicted of the underlying
14 violation of section eleven hundred seventy of this article.

15 (c) For purposes of this section, the following terms shall have the
16 following meaning:

17 1. "Owner" shall have the meaning provided in article two-B of this
18 chapter;

19 2. "Railroad grade crossing photo violation-monitoring system" shall
20 mean a vehicle sensor installed to work in conjunction with a railroad
21 sign or signal which automatically produces two or more photographs, two
22 or more microphotographs, a videotape or other recorded images of each
23 vehicle at the time it is used or operated in violation of section elev-
24 en hundred seventy of this article;

25 3. "Political subdivision" shall mean a county, city, town, or village
26 located in the metropolitan commuter transportation district, as such
27 district is defined in section twelve hundred sixty-two of the public
28 authorities law; and

29 4. "Commuter railroad" shall mean a railroad owned and operated by the
30 metropolitan transportation authority within the metropolitan commuter
31 transportation district, as such term is defined in section twelve
32 hundred sixty-two of the public authorities law.

33 (d) A certificate, sworn to or affirmed by a technician employed by
34 the commuter railroad or by the political subdivision in which the
35 charged violation occurred, or a facsimile thereof, based upon
36 inspection of photographs, microphotographs, videotape or other recorded
37 images produced by a railroad grade crossing photo violation-monitoring
38 system, shall be prima facie evidence of the facts contained therein.
39 Any photographs, microphotographs, videotape or other recorded images
40 evidencing such a violation shall be available for inspection in any
41 proceeding to adjudicate the liability for such violation pursuant to a
42 local law, ordinance or resolution adopted pursuant to this section.

43 (e) An owner liable for a violation of section eleven hundred seventy
44 of this article pursuant to a local law, ordinance or resolution adopted
45 pursuant to this section shall be liable for monetary penalties in
46 accordance with a schedule of fines and penalties to be established in
47 such local law, ordinance or resolution. The liability of the owner
48 pursuant to this section shall not exceed two hundred fifty dollars for
49 each violation; provided, however, that an adjudicating authority may
50 provide for an additional penalty not in excess of fifty dollars for
51 each violation for the failure to respond to a notice of liability with-
52 in the prescribed period of time.

53 (f) An imposition of liability under a local law, ordinance or resol-
54 ution adopted pursuant to this section shall not be deemed a conviction
55 as an operator and shall not be made part of the operating record of the

1 person upon whom such liability is imposed nor shall it be used for
2 insurance purposes in the provision of motor vehicle insurance coverage.

3 (g) 1. A notice of liability shall be sent by first class mail to each
4 person alleged to be liable as an owner for a violation of section elev-
5 en hundred seventy of this article pursuant to this section. Personal
6 delivery on the owner shall not be required. A manual or automatic
7 record of mailing prepared in the ordinary course of business shall be
8 prima facie evidence of the facts contained therein.

9 2. A notice of liability shall contain the name and address of the
10 person alleged to be liable as an owner for a violation of section elev-
11 en hundred seventy of this article pursuant to this section, the regis-
12 tration number of the vehicle involved in such violation, the location
13 where such violation took place, the date and time of such violation and
14 the identification number of the camera which recorded the violation or
15 other document locator number.

16 3. The notice of liability shall contain information advising the
17 person charged of the manner and the time in which he or she may contest
18 the liability alleged in the notice. Such notice of liability shall also
19 contain a warning to advise the person charged that failure to contest
20 in the manner and time provided shall be deemed an admission of liabil-
21 ity and that a default judgment may be entered thereon.

22 4. The notice of liability shall be prepared and mailed by the poli-
23 tical subdivision, or by any other entity authorized by such political
24 subdivision to prepare and mail such notification of violation.

25 (h) Adjudication of the liability imposed upon owners by this section
26 shall be by the court having jurisdiction over traffic infractions,
27 except that if such political subdivision has established an administra-
28 tive tribunal to hear and determine complaints of traffic infractions
29 constituting parking, standing or stopping violations such political
30 subdivision may, by local law, authorize such adjudication by such
31 tribunal.

32 (i) If an owner receives a notice of liability pursuant to this
33 section for any time period during which the vehicle was reported to a
34 law enforcement agency as having been stolen, it shall be a valid
35 defense to an allegation of liability for a violation of section eleven
36 hundred seventy of this article pursuant to this section that the vehi-
37 cle has been reported to the police as stolen prior to the time the
38 violation occurred and had not been recovered by such time. For purposes
39 of asserting the defense provided by this subdivision it shall be suffi-
40 cient that a certified copy of a police report on the stolen vehicle be
41 sent by first class mail to the court having jurisdiction or parking
42 violations bureau.

43 (j) 1. In such political subdivision where the adjudication of liabil-
44 ity imposed upon owners pursuant to this section is by a court having
45 jurisdiction, and an owner who is a lessor of a vehicle to which a
46 notice of liability was issued pursuant to subdivision (g) of this
47 section shall not be liable for the violation of section eleven hundred
48 seventy of this article, provided that he or she sends to the court
49 having jurisdiction of a copy of the rental, lease or other such
50 contract document covering such vehicle on the date of the violation,
51 with the name and address of the lessee clearly legible, within thirty-
52 seven days after receiving notice from the court of the date and time of
53 such violation, together with the other information contained in the
54 original notice of liability. Failure to send such information within
55 such thirty-seven day time period shall render the owner liable for the
56 penalty prescribed by this section. Where the lessor complies with the

1 provisions of this paragraph, the lessee of such vehicle on the date of
2 such violation shall be deemed to be the owner of such vehicle for
3 purposes of this section, shall be subject to liability for the
4 violation of section eleven hundred seventy of this article pursuant to
5 subdivision (g) of this section.

6 2. (i) In any political subdivision which has authorized the adjudi-
7 cation of liability imposed upon owners by this section by a parking
8 violations bureau, an owner who is a lessor of a vehicle to which a
9 notice of liability was issued pursuant to subdivision (g) of this
10 section shall not be liable for the violation of section eleven hundred
11 seventy of this article, provided that:

12 (A) prior to the violation, the lessor has filed with the bureau in
13 accordance with the provisions of section two hundred thirty-nine of
14 this chapter; and

15 (B) within thirty-seven days after receiving notice from the bureau of
16 the date and time of a liability, together with the other information
17 contained in the original notice of liability, the lessor submits to the
18 bureau the correct name and address of the lessee of the vehicle identi-
19 fied in the notice of liability at the time of such violation, together
20 with such other additional information contained in the rental, lease or
21 other contract document, as may be reasonably required by the bureau
22 pursuant to regulations that may be promulgated for such purpose.

23 (ii) Failure to comply with clause (B) of subparagraph (i) of this
24 paragraph shall render the owner liable for the penalty prescribed in
25 this section.

26 (iii) Where the lessor complies with the provisions of this paragraph,
27 the lessee of such vehicle on the date of such violation shall be deemed
28 to be the owner of such vehicle for purposes of this section, shall be
29 subject to liability for such violation pursuant to this section and
30 shall be sent a notice of liability pursuant to this section and shall
31 be sent a notice of liability pursuant to subdivision (g) of this
32 section.

33 (k) 1. If the owner liable for a violation of section eleven hundred
34 seventy of this article pursuant to this section was not the operator of
35 the vehicle at the time of the violation, the owner may maintain an
36 action for indemnification against the operator.

37 2. Notwithstanding any other provision of this section, no owner of a
38 vehicle shall be subject to a monetary fine imposed pursuant to this
39 section if the operator of such vehicle was operating such vehicle with-
40 out the consent of the owner at the time such operator failed to comply
41 with the provisions of section eleven hundred seventy of this article.
42 For purposes of this subdivision there shall be a presumption that the
43 operator of such vehicle was operating such vehicle with the consent of
44 the owner at the time such operator failed to comply with the provisions
45 of section eleven hundred seventy of this article.

46 (l) Nothing in this section shall be construed to limit the liability
47 of an operator of a vehicle for any violation of section eleven hundred
48 seventy of this article.

49 (m) In any such political subdivision which adopts a demonstration
50 program pursuant to subdivision (a) of this section, such political
51 subdivision shall submit an annual report on the results of the use of a
52 railroad grade crossing photo violation-monitoring system to the gover-
53 nor, the temporary president of the senate and the speaker of the assem-
54 bly on or before June first, two thousand eighteen and on the same date
55 in each succeeding year in which the demonstration program is operable.
56 Such report shall include, but not be limited to:

1 1. a description of the location where railroad grade crossing photo
2 violation-monitoring system was used;

3 2. the aggregate number, type and severity of accidents reported at
4 intersections where a railroad grade crossing photo violation-monitoring
5 system is used for the year preceding the installation of such system,
6 to the extent the information is maintained by the department;

7 3. the aggregate number, type and severity of accidents reported at
8 intersections where a railroad grade crossing photo violation-monitoring
9 system is used, to the extent the information is maintained by the
10 department;

11 4. the number of violations recorded at each intersection where a
12 railroad grade crossing photo violation-monitoring system is used and in
13 the aggregate on a daily, weekly, and monthly basis;

14 5. the total number of notices of liability issued for violations
15 recorded by such systems;

16 6. the number of fines and total amount of fines paid after first
17 notice of liability issued for violations recorded by such systems;

18 7. the number of violations adjudicated and results of such adjudi-
19 cations including breakdowns of dispositions made for violations
20 recorded by such systems;

21 8. the total amount of revenue realized by such political subdivision
22 from such adjudications;

23 9. expenses incurred by such political subdivision in connection with
24 the program; and

25 10. quality of the adjudication process and its results.

26 (n) It shall be an affirmative defense to any prosecution for a
27 violation of section eleven hundred seventy of this article pursuant to
28 a local law or ordinance adopted pursuant to this section that there is
29 verified evidence that the railroad signal indications were malfunction-
30 ing at the time of the alleged violation.

31 § 10. The vehicle and traffic law is amended by adding a new section
32 1633 to read as follows:

33 § 1633. Railroad grade crossing enforcement; demonstration program.

34 (a) 1. Notwithstanding any other provision of law, the Long Island Rail
35 Road and the Metro-North Commuter Railroad (hereinafter referred to as
36 "the commuter railroads") are hereby authorized and empowered to imple-
37 ment a demonstration program imposing monetary liability on the owner of
38 a vehicle for failure of an operator thereof to comply with section
39 eleven hundred seventy of this chapter. Such demonstration program shall
40 empower each of the commuter railroads to install and operate railroad
41 grade crossing photo verification-monitoring devices at any railroad
42 sign or signal that indicates the approach of one of its trains. A
43 violation committed pursuant to the provisions of this section shall be
44 deemed a traffic infraction, and adjudication of the traffic infraction
45 against the owner shall be in accordance with the provisions of this
46 chapter.

47 2. Such demonstration program shall utilize necessary technologies to
48 ensure, to the extent practicable, that photographs produced by such
49 railroad grade crossing photo violation-monitoring systems shall not
50 include images that identify the driver, the passengers or the contents
51 of the vehicle. Provided, however, that no notice of liability issued
52 pursuant to this section shall be dismissed solely because a photograph
53 or photographs allow for the identification of the contents of a vehi-
54 cle, provided that the commuter railroad has made a reasonable effort to
55 comply with the provisions of this paragraph.

(b) Within the jurisdiction of any such commuter railroad pursuant to subdivision (a) of this section, and subject to the adjudicatory process of the appropriate political subdivision, the owner of a vehicle shall be liable for a penalty imposed pursuant to this section if such vehicle was used or operated with the permission of the owner, express or implied, in violation of section eleven hundred seventy of this chapter, and such violation is evidenced by information obtained from a railroad grade crossing photo violation-monitoring system; provided, however, that no owner of a vehicle shall be liable for a penalty imposed pursuant to this section where the operator of such vehicle has been convicted of the underlying violation of section eleven hundred seventy of this chapter.

(c) For purposes of this section, the following terms shall have the following meaning:

1. "Owner" shall have the meaning provided in article two-B of this chapter;

2. "Railroad grade crossing photo violation-monitoring system" shall mean a vehicle sensor installed to work in conjunction with a railroad sign or signal which automatically produces two or more photographs, two or more microphotographs, a videotape or other recorded images of each vehicle at the time it is used or operated in violation of section eleven hundred seventy of this chapter;

3. "Political subdivision" shall mean a county, city, town or village located in the metropolitan commuter transportation district, as such district is defined in section twelve hundred sixty-two of the public authorities law;

(d) A certificate, sworn to or affirmed by a technician employed by the commuter railroad where the charged violation occurred, or a facsimile thereof, based upon inspection of photographs, microphotographs, videotape or other recorded images produced by a railroad grade crossing photo violation-monitoring system, shall be prima facie evidence of the facts contained therein. Any photographs, microphotographs, videotape or other recorded images evidencing such a violation shall be available for inspection in any proceeding to adjudicate the liability for such violation pursuant to law.

(e) An owner liable for a violation of section eleven hundred seventy of this chapter pursuant to a railroad grade crossing demonstration project adopted pursuant to this section shall be liable for monetary penalties not to exceed two hundred fifty dollars for each violation; provided, however, that an adjudicating authority may provide for an additional penalty of not in excess of fifty dollars for each violation for the failure to respond to a notice of liability within the prescribed period of time.

(f) An imposition of liability pursuant to this section shall not be deemed a conviction as an operator and shall not be made part of the operating record of the person upon whom such liability is imposed nor shall it be used for insurance purposes in the provision of the motor vehicle insurance coverage.

(g) 1. A notice of liability shall be sent by first class mail to each person alleged to be liable as an owner for a violation of section eleven hundred seventy of this chapter pursuant to this section. Personal delivery on the owner shall not be required. A manual or automatic record of mailing prepared in the ordinary course of business shall be prima facie evidence of the facts contained therein.

2. A notice of liability shall contain the name and address of the person alleged to be liable as an owner for a violation of section elev-

1 en hundred seventy of this chapter pursuant to this section, the regis-
2 tration number of the vehicle involved in such violation, the location
3 where such violation took place, the date and time of such violation and
4 the identification number of the camera which recorded the violation or
5 other document locator number.

6 3. The notice of liability shall contain information advising the
7 person charged of the manner and the time in which he or she may contest
8 the liability alleged in the notice. Such notice of liability shall also
9 contain a warning to advise the person charged that failure to contest
10 in the manner and time provided shall be deemed an admission of liabil-
11 ity and that a default judgment may be entered thereon.

12 4. The notice of liability shall be prepared and mailed by the commu-
13 ter railroad, or by any other entity authorized by such commuter rail-
14 road to prepare and mail such notification of violation.

15 (h) Adjudication of the liability imposed upon owners by this section
16 shall be by the court having jurisdiction over traffic infractions,
17 except that if a political subdivision has established an administrative
18 tribunal to hear and determine complaints of traffic infractions consti-
19 tuting parking, standing or stopping violations such political subdivi-
20 sion may, by local law, authorize such adjudication by such tribunal.

21 (i) If an owner receives a notice of liability pursuant to this
22 section for any time period during which the vehicle was reported to a
23 law enforcement agency as having been stolen, it shall be a valid
24 defense to an allegation of liability for a violation of section eleven
25 hundred seventy of this chapter pursuant to this section that the vehi-
26 cle had been reported to the police as stolen prior to the time the
27 violation occurred and has not been recovered by such time. For purposes
28 of asserting the defense provided by this subdivision it shall be suffi-
29 cient that a certified copy of a police report on the stolen vehicle be
30 sent by first class mail to the court having jurisdiction or parking
31 violations bureau.

32 (j) 1. In any political subdivision where the adjudication of liabil-
33 ity imposed upon owners pursuant to this section is by a court having
34 jurisdiction, an owner who is a lessor of a vehicle to which a notice of
35 liability was issued pursuant to subdivision (g) of this section shall
36 not be liable for the violation of section eleven hundred seventy of
37 this chapter, provided that he or she send to the court having jurisdic-
38 tion a copy of the rental, lease or other such contract document cover-
39 ing such vehicle on the date of the violation, with the name and address
40 of the lessee clearly legible, within thirty-seven days after receiving
41 notice from the court of the date and time of such violation, together
42 with the other information contained in the original notice of liabil-
43 ity. Failure to send such information within such thirty-seven day time
44 period shall render the owner liable for the penalty prescribed by this
45 section. Where the lessor complies with the provisions of this para-
46 graph, the lessee of such vehicle on the date of such violation shall be
47 deemed to be the owner of such vehicle for purposes of this section,
48 shall be subject to liability for the violation of section eleven
49 hundred seventy of this chapter pursuant to this section and shall be
50 sent a notice of liability pursuant to subdivision (g) of this section.

51 2. (i) In any political subdivision which has authorized the adjudi-
52 cation of liability imposed upon owners by this section by a parking
53 violations bureau, an owner who is a lessor of a vehicle to which a
54 notice of liability was issued pursuant to subdivision (g) of this
55 section shall not be liable for the violation of section eleven hundred
56 seventy of this chapter, provided that:

1 (A) prior to the violation, the lessor has filed with the bureau in
2 accordance with the provisions of section two hundred thirty-nine of
3 this chapter; and

4 (B) within thirty-seven days after receiving notice from the bureau of
5 the date and time of a liability, together with the other information
6 contained in the original notice of liability, the lessor submits to the
7 bureau the correct name and address of the lessee of the vehicle identi-
8 fied in the notice of liability at the time of such violation, together
9 with such other additional information contained in the rental, lease or
10 other contract document, as may be reasonably required by the bureau
11 pursuant to regulations that may be reasonably required by the bureau
12 pursuant to regulations that may be promulgated for such purpose.

13 (ii) Failure to comply with clause (B) of subparagraph (i) of this
14 paragraph shall render the owner liable for the penalty prescribed in
15 this section.

16 (iii) Where the lessor complies with the provision of this paragraph,
17 the lessee of such vehicle on the date of such violation shall be deemed
18 to be the owner of such vehicle for purposes of this section, shall be
19 subject to liability for such violation pursuant to this section and
20 shall be sent a notice of liability pursuant to subdivision (g) of this
21 section.

22 (k) 1. If the owner liable for a violation of section eleven hundred
23 seventy of this chapter pursuant to this section was not the operator of
24 the vehicle at the time of the violation, the owner may maintain an
25 action for indemnification against the operator.

26 2. Notwithstanding any other provision of this section, no owner of a
27 vehicle shall be subject to a monetary fine imposed pursuant to this
28 section if the operator of such vehicle was operating such vehicle with-
29 out the consent of the owner at the time such operator failed to obey a
30 railroad sign or signal indicating the approach of a train. For purposes
31 of this subdivision there shall be a presumption that the operator of
32 such vehicle was operating such vehicle with the consent of the owner at
33 the time such operator failed to obey a railroad sign or signal indicat-
34 ing the approach of a train.

35 (l) Nothing in this section shall be construed to limit the liability
36 of an operator of a vehicle for any violation of section eleven hundred
37 seventy of this chapter.

38 (m) Where a commuter railroad adopts a demonstration program pursuant
39 to subdivision (a) of this section, such railroad shall submit an annual
40 report on the results of the use of a railroad grade crossing photo
41 violation-monitoring system to the governor, the temporary president of
42 the senate and the speaker of the assembly on or before June first, two
43 thousand eighteen and on the same date in each succeeding year in which
44 the demonstration program is operable. Such report shall include, but
45 not be limited to:

46 1. a description of the locations where railroad grade crossing photo
47 violation-monitoring systems were used;

48 2. the aggregate number, type and severity of accidents reported at
49 intersections where a railroad grade crossing photo violation-monitoring
50 system is used for the year preceding the installation of such system,
51 to the extent the information is maintained by the department;

52 3. The aggregate number, type and severity of accidents reported at
53 intersections where a railroad grade crossing photo violation-monitoring
54 system is used, to the extent the information is maintained by the
55 department;

1 4. the number of violations recorded at each intersection where a
2 railroad grade crossing photo violation-monitoring system is used and in
3 the aggregate on a daily, weekly, and monthly basis;

4 5. the total number of notices of liability issued for violations
5 recorded by such systems;

6 6. the number of fines and total amount of fines paid after first
7 notice of liability issued for violations recorded by such systems;

8 7. the number of violations adjudicated and results of such adjudi-
9 cations including breakdowns of dispositions made for violations
10 recorded by such systems;

11 8. the total amount of revenue realized by all applicable political
12 subdivision from such adjudications;

13 9. expenses incurred by such commuter railroad in connection with the
14 program; and

15 10. quality of the adjudication process and its results.

16 (n) It shall be an affirmative defense to any prosecution for a
17 violation of section eleven hundred seventy of this chapter pursuant to
18 a local law or ordinance adopted pursuant to this section that there is
19 verified evidence that the railroad signal indications were malfunction-
20 ing at the time of the alleged violation.

18 PART L

19 Section 1. Legislative findings and declaration. It is hereby found
20 and declared that:

21 Within the metropolitan commuter transportation district created and
22 established by section 1262 of the public authorities law there have
23 been and will be geographic areas that receive special economic and
24 other benefits from capital elements undertaken in connection with a
25 capital program approved pursuant to section 1269-b of the public
26 authorities law.

27 It is further found and declared that it is a matter of statewide
28 concern that the transportation facilities of the metropolitan transpor-
29 tation authority, the New York city transit authority and their subsid-
30 iaries be maintained and expanded to ensure the economic health of the
31 metropolitan commuter transportation district and in furtherance thereof
32 that all of the real property within those subdistricts that are deter-
33 mined to be the beneficiary of such special economic and other benefits
34 should contribute to the funding of the metropolitan transportation
35 authority's capital programs at a level determined to be appropriate to
36 the special benefits received within such subdistrict.

37 For these reasons it is declared that these changes are necessary to
38 protect and promote the sound enhancement, renewal and expansion of the
39 transportation facilities of the metropolitan transportation authority,
40 the New York city transit authority and their subsidiaries, including
41 the planning, design, acquisition, construction, reconstruction, reha-
42 bilitation and improvement of such facilities through the establishment
43 of transportation improvement subdistricts and the use of increases in
44 the fair market value of real property in such subdistricts resulting
45 from such improvements to transportation facilities to provide funding
46 for the metropolitan transportation authority's approved capital
47 programs.

48 § 2. Section 1261 of the public authorities law is amended by adding a
49 new subdivision 25 to read as follows:

50 25. "Transportation improvement subdistrict" shall mean an area within
51 the metropolitan commuter transportation district which area has been
52 established pursuant to section twelve hundred sixty-nine-h of this
53 article and included on the list of transportation improvement subdis-
54 tricts as provided in article fifteen-D of the real property tax law.

§ 3. The public authorities law is amended by adding a new section 1269-h to read as follows:

§ 1269-h. Transportation improvement subdistricts. 1. The board of the metropolitan transportation authority shall establish a transportation improvement subdistrict pursuant to the procedure set forth in this section including, but not limited to, the projects listed below:

(a) Phases one, two, three and four of the Second Avenue Subway project;

(b) The project to bring the Long Island Rail Road into Grand Central Terminal ("East Side Access Project");

(c) Penn Station Access; and

(d) 125th MNR and subway stations.

2. From time to time, the board of the metropolitan transportation authority may create and establish transportation improvement subdistricts as it deems necessary and appropriate provided that the planned capital program elements in an approved capital program that are expected to result in an increase in the fair market value of real property in such transportation improvement subdistrict have an estimated capital cost greater than one hundred million dollars.

3. Prior to the vote by the board of the metropolitan transportation authority to create and establish a transportation improvement subdistrict, the following shall have occurred:

(a) The legal description of the boundaries of the transportation improvement subdistrict shall have been prepared. A transportation improvement subdistrict may be established anywhere within a city of a population of one million or more that is within the metropolitan commuter transportation district provided that a transportation improvement subdistrict shall include only whole tax parcels, but shall extend no further than one mile in any direction from any part of the transportation improvement.

(b) There shall have been an analysis performed by or on behalf of the authority and submitted to the board of the metropolitan transportation authority that indicates that the aggregate fair market value of the real property within the proposed boundaries of such transportation improvement subdistrict increased or is forecast to increase more than it would have increased if no work performed or anticipated to be performed pursuant to one or more capital program elements had occurred. Such analysis shall identify generally the estimated level of average incremental increase in the fair market value of real property within the proposed transportation improvement subdistrict as a result of the implementation of the specified capital program elements since nineteen hundred eighty-one.

(c) The authority shall conduct a public hearing on the establishment of such proposed transportation improvement subdistrict. Notice of the hearing shall: (i) be written in a clear and coherent manner; (ii) generally identify the boundaries of the proposed transportation improvement subdistrict; (iii) state the percentage of the incremental real property tax levied on all parcels within the proposed transportation improvement subdistrict that the authority proposes to be assessed; (iv) provide the internet address where a detailed map of the boundaries of the proposed transportation improvement subdistrict is publicly accessible, together with a copy of the analysis provided to the board of the metropolitan transportation authority pursuant to paragraph (b) of this subdivision; (v) be sent to the mayor of a city with a population of one million or more in which the proposed transportation improvement subdistrict is located at least thirty days prior to such

1 public hearing; and (vi) be posted on the authority's website for at
2 least thirty days prior to such public hearing.

3 (d) After such hearing and at any time prior to the adoption of the
4 resolution recommending establishment of a transportation improvement
5 subdistrict, the authority may amend the boundaries of the recommended
6 transportation improvement subdistrict.

7 (e) The resolution by which the board of the metropolitan transporta-
8 tion authority shall establish a transportation improvement subdistrict
9 shall include a detailed statement of the reasons why the board consid-
10 ers that the proposed transportation improvement subdistrict has bene-
11 fitted or will benefit from implementation of the specified capital
12 program elements and shall specify the percentage of the incremental
13 real property tax levied on all parcels within each of the following
14 transportation improvement subdistricts that shall be assessed provided
15 that such percentage may not exceed fifty percent.

16 (f) Upon approval by the board of the metropolitan transportation
17 authority of a resolution establishing a transportation improvement
18 subdistrict, the authority shall add it to the list of approved trans-
19 portation improvement subdistricts set forth in article fifteen-D of the
20 real property tax law that it shall maintain on the authority's publicly
21 available website and also shall notify the metropolitan transportation
22 authority capital program review board.

23 (g) The adoption by the board of the metropolitan transportation
24 authority of a resolution establishing a transportation improvement
25 subdistrict shall not be subject to provisions of article eight, nine-
26 teen, twenty-four or twenty-five of the environmental conservation law,
27 or to any local law or ordinance adopted pursuant to such article.

28 § 4. The real property tax law is amended by adding a new article 15-D
29 to read as follows:

35 not pay such assessments within thirty days of the receipt of such
36 assessment, the metropolitan transportation authority shall notify the
37 state comptroller in writing and such comptroller shall, upon review and
38 determination that an assessment was not paid, deduct any amount not
39 paid from any amount of state aid or any other state payment due to such
40 taxing jurisdiction. The state comptroller shall remit the amounts so
41 deducted and recovered to the metropolitan transportation authority.

42 § 5. This act shall take effect immediately.

43 PART M

44 Section 1. Legislative intent. Historically, under existing law, and
45 pursuant to its master lease with the New York city transit authority
46 (NYCT), the city of New York is required to pay for the capital needs of
47 the NYCT. This obligation has never ceased from the initial chapter
48 establishing the NYCT and transferring the operation of the city's
49 subway system to the NYCT in 1953. This legislation clarifies this long-
50 standing obligation and establishes a process for state assistance when
51 a disaster emergency is declared.

52 § 2. Subdivision 1 of section 1269-b of the public authorities law, as
53 amended by chapter 637 of the laws of 1996, is amended to read as
54 follows:

1 1. (a) On or before October first, nineteen hundred eighty-one, and
2 on or before October first of every fifth year thereafter, through and
3 including October first, nineteen hundred ninety-one, the authority
4 shall submit to the metropolitan transportation authority capital
5 program review board two capital program plans for the five year period
6 commencing January first of the following year;

7 (b) not later than ten days after the effective date of this paragraph
8 the authority shall submit to the metropolitan transportation authority

44 § 4. Section 312-a of the executive law, as amended by section 1 of
45 part Q of chapter 58 of the laws of 2015, is amended to read as follows:

46 § 312-a. Study of minority and women-owned business [~~enterprise~~
47 ~~programs~~] enterprises. 1. The director of the division of minority and
48 [~~women-owned~~] women's business development [~~in the department of econom-~~
49 ~~ie development~~] is authorized and directed to recommission a statewide
50 disparity study regarding the participation of minority and women-owned
51 business enterprises in state contracts since the amendment of this
52 article to be delivered to the governor and legislature [~~no later than~~
53 ~~August fifteenth, two thousand sixteen~~]. The study shall be prepared by
54 an entity independent of the department and selected through a request
55 for proposal process. The purpose of such study is:

(a) to determine whether there is a disparity between the number of qualified minority and women-owned businesses ready, willing and able to perform state contracts for commodities, services and construction, and the number of such contractors actually engaged to perform such contracts, and to determine what changes, if any, should be made to state policies affecting minority and women-owned business enterprises; and (b) to determine whether there is a disparity between the number of qualified minorities and women ready, willing and able, with respect to labor markets, qualifications and other relevant factors, to participate in contractor employment, management level bodies, including boards of directors, and as senior executive officers within contracting entities and the number of such group members actually employed or affiliated with state contractors in the aforementioned capacities, and to determine what changes, if any, should be made to state policies affecting minority and women group populations with regard to state contractors' employment and appointment practices relative to diverse group members. Such study shall include, but not be limited to, an analysis of the history of minority and women-owned business enterprise programs and their effectiveness as a means of securing and ensuring participation by minorities and women, and a disparity analysis by market area and region of the state. Such study shall distinguish between minority males, minority females and non-minority females in the statistical analysis.

2. The director of the division of minority and ~~women-owned~~ women's business development is directed to transmit the disparity study to the governor and the legislature ~~[not later than August fifteenth, two thousand sixteen]~~, and to post the study on the website of the department of economic development.

§ 5. Section 313 of the executive law, as amended by chapter 175 of the laws of 2010, is amended to read as follows:

§ 313. Opportunities for minority and women-owned business enterprises. 1. ~~[Goals and requirements for agencies and contractors. Each agency shall structure procurement procedures for contracts made directly or indirectly to minority and women-owned business enterprises, in accordance with the findings of the two thousand ten disparity study, consistent with the purposes of this article, to attempt to achieve the following results with regard to total annual statewide procurement:~~

~~(b) construction industry for certified women-owned business enterprises: eight and forty-one hundredths percent;~~

~~(c) construction-related professional services industry for certified minority-owned business enterprises: thirteen and twenty-one hundredths percent;~~

~~(d) construction-related professional services industry for certified women-owned business enterprises: eleven and thirty-two hundredths percent;~~

~~(f) non-construction related services industry for certified women-owned business enterprises: seventeen and forty-four hundredths percent;~~

~~(g) commodities industry for certified minority-owned business enterprises: sixteen and eleven hundredths percent;~~

~~(i) overall agency total dollar value of procurement for certified minority-owned business enterprises: sixteen and fifty-three hundredths percent;~~

~~(j) overall agency total dollar value of procurement for certified women-owned business enterprises: twelve and thirty-nine hundredths percent; and~~

~~(k) overall agency total dollar value of procurement for certified minority, women-owned business enterprises: twenty-eight and ninety-two hundredths percent.~~

~~1-a. The director shall ensure that each state agency has been provided with a copy of the two thousand ten disparity study.~~

~~1-b. Each agency shall develop and adopt agency specific goals based on the findings of the two thousand ten disparity study.~~

~~2.] The director shall promulgate rules and regulations [pursuant to the goals established in subdivision one of this section] that provide measures and procedures to ensure that certified minority and women-owned businesses shall be given the opportunity for maximum feasible participation in the performance of state contracts and to assist in the agency's identification of those state contracts for which minority and women-owned certified businesses may best bid to actively and affirmatively promote and assist their participation in the performance of state contracts [so as to facilitate the agency's achievement of the maximum feasible portion of the goals for state contracts to such businesses].~~

~~[2-a.]~~ 2. The director shall promulgate rules and regulations that will accomplish the following:

(a) provide for the certification and decertification of minority and women-owned business enterprises for all agencies through a single process that meets applicable requirements;

(b) require that each contract solicitation document accompanying each solicitation set forth the expected degree of minority and women-owned business enterprise participation based, in part, on:

(i) the potential subcontract opportunities available in the prime procurement contract; ~~[and]~~

(ii) the availability~~[, as contained within the study,~~ of certified minority and women-owned business enterprises to respond competitively to the potential subcontract opportunities, as reflected in the division's directory of certified minority and women-owned business enterprises; and

(iii) the findings of the disparity study.

~~(c) [require that each agency provide a current list of certified minority business enterprises to each prospective contractor;~~

~~(d)] allow a contractor that is a certified minority-owned or women-owned business enterprise to use the work it performs to meet requirements for use of certified minority-owned or women-owned business enterprises as subcontractors;~~

(d) establish criteria for agencies to credit the participation of minority and women-owned business enterprises towards the achievement of the minority and women-owned business enterprise participation goals on a state contract based on the commercially useful function provided by each minority and women-owned business enterprise on the contract;

(e) provide for joint ventures, which a bidder may count toward meeting its minority and women-owned business enterprise participation;

(f) consistent with subdivision six of this section, provide for circumstances under which an agency or state-funded entity may waive

obligations of the contractor relating to minority and women-owned business enterprise participation;

(g) require that an agency or state-funded entity verify that minority and women-owned business enterprises listed in a successful bid are actually participating to the extent listed in the project for which the bid was submitted;

(h) provide for the collection of statistical data by each agency concerning actual minority and women-owned business enterprise participation; ~~and~~

(i) require each agency to consult the most current disparity study when calculating ~~[agency-wide and contract-specific]~~ contract-specific participation goals pursuant to this article; ~~and~~

(j) provide for the periodic collection of reports from state-funded entities in such form and at such time as the director shall require.

3. Solely for the purpose of providing the opportunity for meaningful participation by certified businesses in the performance of state contracts as provided in this section, state contracts shall include leases of real property by a state agency to a lessee where: the terms of such leases provide for the construction, demolition, replacement, major repair or renovation of real property and improvements thereon by such lessee; and the cost of such construction, demolition, replacement, major repair or renovation of real property and improvements thereon shall exceed the sum of ~~[one]~~ two hundred thousand dollars. Reports to the director pursuant to section three hundred fifteen of this article shall include activities with respect to all such state contracts. Contracting agencies shall include or require to be included with respect to state contracts for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon, such provisions as may be necessary to effectuate the provisions of this section in every bid specification and state contract, including, but not limited to: (a) provisions requiring contractors to make a good faith effort to solicit active participation by enterprises identified in the directory of certified businesses ~~[provided to the contracting agency by the office]~~; (b) requiring the parties to agree as a condition of entering into such contract, to be bound by the provisions of section three hundred sixteen of this article; and (c) requiring the contractor to include the provisions set forth in paragraphs (a) and (b) of this subdivision in every subcontract in a manner that the provisions will be binding upon each subcontractor as to work in connection with such contract. Provided, however, that no such provisions shall be binding upon contractors or subcontractors in the performance of work or the provision of services that are unrelated, separate or distinct from the state contract as expressed by its terms, and nothing in this section shall authorize the director or any contracting agency to impose any requirement on a contractor or subcontractor except with respect to a state contract.

4. In the implementation of this section, the contracting agency shall (a) consult the findings contained within the disparity study evidencing relevant industry specific ~~[availability of certified businesses]~~ disparities in the utilization of minority and women-owned businesses relative to their availability;

(b) implement a program that will enable the agency to evaluate each contract to determine the ~~[appropriateness of the]~~ appropriate goal ~~[pursuant to subdivision one of this section]~~ for participation by minority-owned business enterprises and women-owned business enterprises;

1 (c) consider where practicable, the severability of construction
2 projects and other bundled contracts; and

3 (d) consider compliance with the requirements of any federal law
4 concerning opportunities for minority and women-owned business enter-
5 prises which effectuates the purpose of this section. The contracting
6 agency shall determine whether the imposition of the requirements of any
7 such law duplicate or conflict with the provisions hereof and if such
8 duplication or conflict exists, the contracting agency shall waive the
9 applicability of this section to the extent of such duplication or
10 conflict.

11 5. (a) Contracting agencies shall administer the rules and regulations
12 promulgated by the director in a good faith effort to [~~meet~~] achieve the
13 maximum feasible [~~portion of the agency's goals adopted~~] participation
14 of minority and women-owned business enterprises pursuant to this arti-
15 cle and the regulations of the director. Such rules and regulations:
16 shall require a contractor to submit a utilization plan after bids are
17 opened, when bids are required, but prior to the award of a state
18 contract; shall require the contracting agency to review the utilization
19 plan submitted by the contractor [~~and to post the utilization plan and~~
20 ~~any waivers of compliance issued pursuant to subdivision six of this~~
21 ~~section on the website of the contracting agency~~] within a reasonable
22 period of time as established by the director; shall require the
23 contracting agency to notify the contractor in writing within a period
24 of time specified by the director as to any deficiencies contained in
25 the contractor's utilization plan; shall require remedy thereof within a
26 period of time specified by the director; shall require the contractor
27 to submit periodic compliance reports relating to the operation and
28 implementation of any utilization plan; shall not allow any automatic
29 waivers but shall allow a contractor to apply for a partial or total
30 waiver of the minority and women-owned business enterprise participation
31 requirements pursuant to subdivisions six and seven of this section;
32 shall allow a contractor to file a complaint with the director pursuant
33 to subdivision eight of this section in the event a contracting agency
34 has failed or refused to issue a waiver of the minority and women-owned
35 business enterprise participation requirements or has denied such
36 request for a waiver; and shall allow a contracting agency to file a
37 complaint with the director pursuant to subdivision nine of this section
38 in the event a contractor is failing or has failed to comply with the
39 minority and women-owned business enterprise participation requirements
40 set forth in the state contract where no waiver has been granted.

41 (b) The rules and regulations promulgated pursuant to this subdivision
42 regarding a utilization plan shall provide that where enterprises have
43 been identified within a utilization plan, a contractor shall attempt,
44 in good faith, to utilize such enterprise at least to the extent indi-
45 cated. A contracting agency may require a contractor to indicate, within
46 a utilization plan, what measures and procedures he or she intends to
47 take to comply with the provisions of this article, but may not require,
48 as a condition of award of, or compliance with, a contract that a
49 contractor utilize a particular enterprise in performance of the
50 contract.

51 (c) Without limiting other grounds for the disqualification of bids or
52 proposals on the basis of non-responsibility, a contracting agency may
53 disqualify the bid or proposal of a contractor as being non-responsible
54 for failure to remedy notified deficiencies contained in the contrac-
55 tor's utilization plan within a period of time specified in regulations
56 promulgated by the director after receiving notification of such defi-

ciencies from the contracting agency. Where failure to remedy any notified deficiency in the utilization plan is a ground for disqualification, that issue and all other grounds for disqualification shall be stated in writing by the contracting agency. Where the contracting agency states that a failure to remedy any notified deficiency in the utilization plan is a ground for disqualification the contractor shall be entitled to an administrative hearing, on a record, involving all grounds stated by the contracting agency. Such hearing shall be conducted by the appropriate authority of the contracting agency to review the determination of disqualification. A final administrative determination made following such hearing shall be reviewable in a proceeding commenced under article seventy-eight of the civil practice law and rules, provided that such proceeding is commenced within thirty days of the notice given by certified mail return receipt requested rendering such final administrative determination. Such proceeding shall be commenced in the supreme court, appellate division, third department and such proceeding shall be preferred over all other civil causes except election causes, and shall be heard and determined in preference to all other civil business pending therein, except election matters, irrespective of position on the calendar. Appeals taken to the court of appeals of the state of New York shall be subject to the same preference.

6. Where it appears that a contractor cannot, after a good faith effort, comply with the minority and women-owned business enterprise participation requirements set forth in a particular state contract, a contractor may file a written application with the contracting agency requesting a partial or total waiver of such requirements setting forth the reasons for such contractor's inability to meet any or all of the participation requirements together with an explanation of the efforts undertaken by the contractor to obtain the required minority and women-owned business enterprise participation. In implementing the provisions of this section, the contracting agency shall consider the number and types of minority and women-owned business enterprises ~~located~~ available to provide goods or services required under the contract in the region in which the state contract is to be performed, the total dollar value of the state contract, the scope of work to be performed and the project size and term. If, based on such considerations, the contracting agency determines there is not a reasonable availability of contractors on the list of certified business to furnish services for the project, it shall issue a waiver of compliance to the contractor. In making such determination, the contracting agency shall first consider the availability of other business enterprises located in the region and shall thereafter consider the financial ability of minority and women-owned businesses located outside the region in which the contract is to be performed to perform the state contract.

7. For purposes of determining a contractor's good faith effort to comply with the requirements of this section or to be entitled to a waiver therefrom the contracting agency shall consider:

(a) whether the contractor has ~~[advertised in general circulation media, trade association publications, and minority focus and women focus media and, in such event, (i) whether or not certified minority or women-owned businesses which have been solicited by the contractor exhibited interest in submitting proposals for a particular project by attending]~~ attended a pre-bid conference, if any, scheduled by the state agency awarding the state contract with certified minority and women-owned business enterprises; and

1 ~~[(ii) whether certified businesses which have been solicited by the~~
2 ~~contractor have responded in a timely fashion to the contractor's solie-~~
3 ~~itations for timely competitive bid quotations prior to the contracting~~
4 ~~agency's bid date, and]~~

5 (b) whether ~~[there has been]~~ the contractor provided timely written
6 notification of subcontracting opportunities on the state contract to
7 appropriate certified businesses that appear in the directory of certi-
8 fied businesses prepared pursuant to paragraph (f) of subdivision three
9 of section three hundred eleven of this article; and

10 (c) whether the contractor can reasonably structure the amount of work
11 to be performed under subcontracts in order to increase the likelihood
12 of participation by certified businesses.

13 8. In the event that a contracting agency fails or refuses to issue a
14 waiver to a contractor as requested within twenty days after having made
15 application therefor pursuant to subdivision six of this section or if
16 the contracting agency denies such application, in whole or in part, the
17 contractor may file a complaint with the director pursuant to section
18 three hundred sixteen of this article setting forth the facts and
19 circumstances giving rise to the contractor's complaint together with a
20 demand for relief. The contractor shall serve a copy of such complaint
21 upon the contracting agency by personal service or by certified mail,
22 return receipt requested. The contracting agency shall be afforded an
23 opportunity to respond to such complaint in writing.

24 9. If, after the review of a contractor's minority and women owned
25 business utilization plan or review of a periodic compliance report and
26 after such contractor has been afforded an opportunity to respond to a
27 notice of deficiency issued by the contracting agency in connection
28 therewith, it appears that a contractor is failing or refusing to comply
29 with the minority and women-owned business participation requirements as
30 set forth in the state contract and where no waiver from such require-
31 ments has been granted, the contracting agency may file a written
32 complaint with the director pursuant to section three hundred sixteen of
33 this article setting forth the facts and circumstances giving rise to
34 the contracting agency's complaint together with a demand for relief.
35 The contracting agency shall serve a copy of such complaint upon the
36 contractor by personal service or by certified mail, return receipt
37 requested. The contractor shall be afforded an opportunity to respond to
38 such complaint in writing.

39 § 6. Section 314 of the executive law, as added by chapter 261 of the
40 laws of 1988, subdivision 2-a as amended by chapter 175 of the laws of
41 2010, subdivision 4 as amended and subdivision 5 as added by chapter 399
42 of the laws of 2014, is amended to read as follows:

43 § 314. Statewide certification program. 1. The director shall promul-
44 gate rules and regulations providing for the establishment of a state-
45 wide certification program including rules and regulations governing the
46 approval, denial or revocation of any such certification. Such rules
47 shall set forth the maximum personal net worth of a minority group
48 member or woman who may be relied upon to certify a business as a minori-
49 ty-owned business enterprise or women-owned business enterprise, and
50 may establish different maximum levels of personal net worth for minori-
51 ty group members and women on an industry-by-industry basis for such
52 industries as the director shall determine. Such rules and regulations
53 shall include, but not be limited to, such matters as may be required to
54 ensure that the established procedures thereunder shall at least be in
55 compliance with the code of fair procedure set forth in section seven-
56 ty-three of the civil rights law.

2. For the purposes of this article, the office shall be responsible for verifying businesses as being owned, operated, and controlled by minority group members or women and for certifying such verified businesses. The director shall prepare a directory of certified businesses for use by contracting agencies and contractors in carrying out the provisions of this article. The director shall periodically update the directory.

2-a. (a) The director shall establish a procedure enabling the office to accept New York municipal corporation certification verification for minority and women-owned business enterprise applicants in lieu of requiring the applicant to complete the state certification process. The director shall promulgate rules and regulations to set forth criteria for the acceptance of municipal corporation certification. All eligible municipal corporation certifications shall require business enterprises seeking certification to meet the following standards:

(i) have at least fifty-one percent ownership by a minority or a women-owned enterprise and be owned by United States citizens or permanent resident aliens;

(ii) be an enterprise in which the minority and/or women-ownership interest is real, substantial and continuing;

(iii) be an enterprise in which the minority and/or women-ownership has and exercises the authority to control independently the day-to-day business decisions of the enterprise;

(iv) be an enterprise authorized to do business in this state;

(v) be subject to a physical site inspection to verify the fifty-one percent ownership requirement;

(vi) be owned by an individual or individuals, whose ownership, control and operation are relied upon for certification, with a personal net worth that does not exceed three million five hundred thousand dollars, or such other amount as the director shall set forth in regulations, as adjusted annually for inflation according to the consumer price index; and

(vii) be an enterprise that is a small business pursuant to subdivision twenty of section three hundred ten of this article.

(b) The director shall work with all municipal corporations that have a municipal minority and women-owned business enterprise program to develop standards to accept state certification to meet the municipal corporation minority and women-owned business enterprise certification standards.

(c) The director shall establish a procedure enabling the division to accept federal certification verification for minority and women-owned business enterprise applicants, provided said standards comport with those required by the state minority and women-owned business program, in lieu of requiring the applicant to complete the state certification process. The director shall promulgate rules and regulations to set forth criteria for the acceptance of federal certification.

2-b. Each business applying for minority or women-owned business enterprise certification pursuant to this section must agree to allow: (i) the department of taxation and finance to share its tax information with the division and (ii) the department of labor to share its tax and employer information with the division.

3. Following application for certification pursuant to this section, the director shall provide the applicant with written notice of the status of the application, including notice of any outstanding deficiencies [~~within thirty days~~]. Within [~~sixty~~ thirty] days of submission of a final completed application, the director shall provide the applicant

1 with written notice of a determination by the office approving or deny-
2 ing such certification and, in the event of a denial a statement setting
3 forth the reasons for such denial. Upon a determination denying or
4 revoking certification, the business enterprise for which certification
5 has been so denied or revoked shall, upon written request made within
6 thirty days from receipt of notice of such determination, be entitled to
7 a hearing before an independent hearing officer designated for such
8 purpose by the director. In the event that a request for a hearing is
9 not made within such thirty day period, such determination shall be
10 deemed to be final. The independent hearing officer shall conduct a
11 hearing and upon the conclusion of such hearing, issue a written recom-
12 mendation to the director to affirm, reverse or modify such determi-
13 nation of the director. Such written recommendation shall be issued to
14 the parties. The director, within thirty days, by order, must accept,
15 reject or modify such recommendation of the hearing officer and set
16 forth in writing the reasons therefor. The director shall serve a copy
17 of such order and reasons therefor upon the business enterprise by
18 personal service or by certified mail return receipt requested. The
19 order of the director shall be subject to review pursuant to article
20 seventy-eight of the civil practice law and rules.

21 4. The director may, after performing an availability analysis and
22 upon a finding that industry-specific factors coupled with personal net
23 worth or small business eligibility requirements pursuant to subdivi-
24 sions nineteen and twenty of section three hundred ten of this article,
25 respectively, have led to the significant exclusion of businesses owned
26 by minority group members or women in that industry, grant provisional
27 MWBE certification status to applicants from that designated industry,
28 provided, however, that all other eligibility requirements pursuant to
29 subdivision seven or fifteen of section three hundred ten of this arti-
30 cle, as applicable, are satisfied. Any industry-based determination made
31 under this section by the director shall be made widely available to the
32 public and posted on the division's website.

33 5. With the exception of provisional MWBE certification, as provided
34 for in subdivision twenty-three of section three hundred ten of this
35 article, all minority and women-owned business enterprise certifications
36 shall be valid for a period of three years.

37 § 7. Subdivisions 2, 3, 4, 5, 6 and 7 of section 315 of the executive
38 law, subdivision 2 as added by chapter 261 of the laws of 1988, and
39 subdivision 3 as amended and subdivisions 4, 5, 6 and 7 as added by
40 chapter 175 of the laws of 2010, are amended to read as follows:

41 2. [~~Each contracting agency shall provide to prospective bidders a~~
42 ~~current copy of the directory of certified businesses, and a copy of the~~
43 ~~regulations required pursuant to sections three hundred twelve and three~~
44 ~~hundred thirteen of this article at the time bids or proposals are~~
45 ~~solicited.~~

46 3.] Each contracting agency shall report to the director with respect
47 to activities undertaken to promote employment of minority group members
48 and women and promote and increase participation by certified businesses
49 with respect to state contracts and subcontracts. Such reports shall be
50 submitted periodically, but not less frequently than annually, as
51 required by the director, and shall include such information as is
52 necessary for the director to determine whether the contracting agency
53 and contractor have complied with the purposes of this article, includ-
54 ing, without limitation, a summary of all waivers of the requirements of
55 subdivisions six and seven of section three hundred thirteen of this
56 article allowed by the contracting agency during the period covered by

1 the report, [~~including a description of the basis of the waiver request~~
2 ~~and the rationale for granting any such waiver~~] any instances in which
3 the state agency has deemed a contractor to have committed a violation
4 pursuant to section three hundred sixteen-a of this article, and such
5 other information as the director shall require. Each agency shall also
6 include in such annual report whether or not it has been required to
7 prepare a remedial plan, and, if so, the plan and the extent to which
8 the agency has complied with each element of the plan.

9 [4-] 3. The division of minority and women's business development
10 shall issue an annual report which: (a) summarizes the report submitted
11 by each contracting agency pursuant to subdivision [~~three~~] two of this
12 section; (b) contains such comparative or other information as the
13 director deems appropriate, including but not limited to goals compared
14 to actual participation of minority and women-owned business enterprises
15 in state contracting, to evaluate the effectiveness of the activities
16 undertaken by each such contracting agency to promote increased partic-
17 ipation by certified minority or women-owned businesses with respect to
18 state contracts and subcontracts; (c) contains a summary of all waivers
19 of the requirements of subdivisions six and seven of section three
20 hundred thirteen of this article allowed by each contracting agency
21 during the period covered by the report[, ~~including a description of the~~
22 ~~basis of the waiver request and the contracting agency's rationale for~~
23 ~~granting any such waiver~~]; and (d) [~~describes any efforts to create a~~

33 construction that deviates from the aspirational goal for construction
34 work in the county or municipality in which the work will be performed,
35 the state agency shall document numerical evidence demonstrating that
36 the application of the aspirational goal would not be practical, feasi-
37 ble, or appropriate.

40 state contract subject to workforce participation goals pursuant to this
41 section shall agree to make a good faith effort to achieve such work-
42 force participation goal or request a waiver of such goal.

43 (a) A contractor that certifies that it will make a good faith effort
44 to achieve a workforce participation goal shall provide with its
45 response to the applicable invitation for bids, request for proposals,
46 or other solicitation:

48 effort to achieve the applicable workforce participation goal and will
49 contractually require any subcontractors to the contractor to make a
50 good faith effort to achieve the applicable workforce participation goal
51 in any subcontracted work, which certification shall acknowledge that
52 failure by the contractor or any of its subcontractors to make a good
53 faith effort to achieve the applicable workforce participation goal may
54 result in a determination by the contracting state agency that the
55 contractor or its subcontractor is a non-compliant contractor;

1 (ii) The level of anticipated participation by minority group members
2 and women as employees to the contractor, or, if the state agency has
3 specifically indicated that such documentation is not required as part
4 of the response to the invitation for bids, request for proposals, or
5 other solicitation, a date certain for the submission of such documenta-
6 tion after the award of the state contract;

7 (iii) A list of all subcontractors anticipated to perform work on the
8 state contract and the level of anticipated participation by minority
9 group members and women as employees to each subcontractor, or, if the
10 state agency has specifically indicated that such documentation is not
11 required as part of the response to the invitation for bids, request for
12 proposals, or other solicitation, a date certain for the submission of
13 such documentation after the award of the state contract; and

14 (iv) Such other information as the contracting state agency shall
15 require.

16 (b) A contractor that requests a waiver of a workforce participation

19 (i) Numerical evidence setting forth why the achievement of the work-

21 light of the trades, professions, and occupations required to perform
22 the work of the state contract;

23 (ii) Documentation of the contractor's efforts, and any efforts by
24 subcontractors to the contractor, to promote the inclusion of minority
25 group members and women in trades, professions, and occupations required

27 (iii) The maximum feasible level of participation by minority group
28 members and women in each of the trades, professions, and occupations
29 required in the performance of the work of the state contract;

30 (iv) The level of anticipated participation by minority group members
31 and women as employees to the contractor;

32 (v) A list of all subcontractors anticipated to perform work on the
33 state contract and the level of anticipated participation by minority
34 group members and women as employees to each subcontractor; and

35 (vi) Any other relevant information evidencing that the contractor's
36 achievement of the workforce participation goal would not be practical,
37 feasible, or appropriate.

38 4. A state agency shall not award a state contract to a contractor
39 unless the contractor has (i) certified that it will make a good faith
40 effort to achieve the applicable workforce participation goal and
41 provided documentation of the workforce anticipated to perform the work
42 of the state contract or (ii) submitted a waiver request which the state
43 agency deems to reflect the maximum feasible participation of minority
44 group members and women in each of the trades, professions, and occupa-
45 tions required in performance of the work of the state contract.

46 (a) In the event that a contractor submits a certification or waiver
47 request that is accepted by the state agency, the state agency shall
48 establish in the state contract the expected level of participation by
49 minority group members and women in each of the trades, professions, and
50 occupations required in performance of the work of the state contract,
51 require that the contractor make good faith efforts to achieve such
52 workforce participation goals, require that the contractor require any
53 subcontractors to make a good faith effort to achieve the applicable
54 workforce participation goal in any subcontracted work, and indicate
55 that the failure of the contractor or any of its subcontractors to make
56 a good faith effort to achieve the workforce participation goal may

1 result in the contractor or subcontractor being deemed a non-compliant
2 contractor.

3 (b) In the event that a contractor fails to submit a certification,
4 waiver request, or any other information required by the state agency,
5 or the state agency determines that a contractor's waiver request does
6 not demonstrate that the applicable workforce participation goal is
7 impractical, unfeasible, or inappropriate, the state agency shall notify
8 the contractor of the deficiency in writing and provide the contractor
9 five business days to remedy the noticed deficiency. A state agency
10 shall reject any bid or proposal of a contractor that fails to timely
11 respond to a notice of deficiency or to provide documentation remedying
12 the deficiency to the satisfaction of the state agency.

13 (i) Where failure to remedy any notified deficiency in the workforce
14 utilization plan is a ground for disqualification, that issue and all
15 other grounds for disqualification shall be stated in writing by the
16 contracting state agency. The contractor shall be entitled to an admin-
17 istrative hearing, on a record, involving all grounds stated by the
18 contracting state agency in its notice of the contractor's disqualifica-
19 tion. Such hearing shall be conducted by the appropriate authority of
20 the contracting agency to review the determination of disqualification.
21 A final administrative determination made following such hearing shall
22 be reviewable in a proceeding commenced under article seventy-eight of
23 the civil practice law and rules, provided that such proceeding is
24 commenced within thirty days of the notice given by certified mail
25 return receipt requested rendering such final administrative determi-
26 nation. Such proceeding shall be commenced in the supreme court, appel-
27 late division, third department and such proceeding shall be preferred
28 over all other civil causes except election causes, and shall be heard
29 and determined in preference to all other civil business pending there-
30 in, except election matters, irrespective of position on the calendar.
31 Appeals taken to the court of appeals of the state of New York shall be
32 subject to the same preference.

33 § 823. Reporting. 1. State contracts shall require contractors to
34 submit, and to require any subcontractors to submit, to the contracting
35 state agency reports documenting the hours worked by employees of the
36 contractor and any subcontractors in the performance of the work of the
37 state contract. Such reports shall be submitted no less frequently than
38 monthly for state contracts for construction and quarterly for all other
39 state contracts. Such reports shall identify the race, ethnicity,
40 gender, and trade, profession, or occupation of each employee performing
41 work on a state contract.

42 2. State agencies shall submit periodic reports to the director, or
43 the designee of the director, concerning the participation of minority
44 group members and women in state contracts let by such agencies and such
45 state agencies' compliance with this article. Such reports shall be
46 submitted at such time, and include such information, as the director
47 shall require in regulations. State agencies shall make available their
48 facilities, books, and records for inspection, upon reasonable notice,
49 by the director or the director's designee.

50 3. The department shall provide such assistance as the director shall
51 require in carrying out the requirements of this section.

52 § 824. Enforcement. 1. Where it appears that a contractor cannot,
53 after a good faith effort, meet the workforce participation goals set
54 forth in a particular state contract, a contractor may file a written
55 application with the contracting state agency requesting a partial or
56 total waiver of such requirements. Such request shall set forth the

1 reasons for such contractor's inability to meet the workforce partic-
2 ipation goal, specifically describe the reasons for any deviations from
3 the anticipated workforce participation set forth in the contractor's
4 bid or proposal leading to the award of the state contract, and describe
5 the efforts by the contractor and any subcontractors to achieve the
6 maximum feasible participation of minority group members and women in
7 the performance of the work of the state contract. Where the contrac-
8 tor's inability to achieve the workforce participation goal on a state
9 contract is attributable to the failure of one or more subcontractors to
10 make good faith efforts to achieve the maximum feasible participation of
11 minority group members and women in the performance of the work of the
12 state contract, the contractor shall identify such subcontractor or
13 subcontractors to the contracting state agency.

14 2. A state agency shall grant a request for a waiver of workforce
15 participation goals on a state contract where:

16 (a) The contractor demonstrates that the contractor and its subcon-

18 goal on the state contract, and that insufficient minority group members
19 or women were available in the trades, professions, and occupations
20 required to perform the work of the state contract; or,

21 (b) The contractor contractually required each of its subcontractors
22 to make a good faith effort to achieve the maximum feasible partic-
23 ipation of minority group members and women in the performance of the
24 subcontracted work, periodically monitored such subcontractors' deploy-
25 ment of minority group members and women in the performance of the
26 subcontracted work, provided notice to such subcontractors of any defi-
27 ciencies in their deployment of minority group members and women in the
28 performance of such subcontracted work, and could not achieve the work-
29 force participation goal for one or more trades, professions, or occupa-
30 tions without the good faith efforts of such subcontractors.

31 3. Where a state agency denies a contractor's request for a waiver of
32 workforce participation goals pursuant to this section, the state agency
33 shall recommend to the director and the department that the contractor
34 be deemed a non-compliant contractor.

35 4. Where a state agency grants a request for a waiver of workforce
36 participation goals pursuant to this section based on one or more
37 subcontractors' failure to make good faith efforts to achieve the maxi-
38 mum feasible participation of minority group members and women in the
39 performance of the subcontracted work, the state agency shall recommend
40 to the director and the department that the subcontractor be deemed a
41 non-compliant contractor.

42 5. Upon receipt of a recommendation from a state agency that a
43 contractor or subcontractor should be deemed a non-compliant contractor,
44 the director shall, with the assistance of the department, review the
45 facts and circumstances forming the basis of the recommendation and
46 issue a determination as to whether or not the contractor or subcontrac-
47 tor should be deemed a non-compliant contractor and, if so, the duration
48 of such status as a non-compliant contractor. In determining the dura-
49 tion of a contractor's or subcontractor's status as a non-compliant
50 contractor, the director shall consider:

51 (i) whether the contractor or subcontractor has previously been deemed
52 a non-compliant contractor;

53 (ii) the number of hours of expected participation by minority group
54 members and women lost as a result of the contractor's or subcontrac-
55 tor's failure to make good faith efforts to include minority group
56 members or women in the performance of one or more state contracts; and

1 (iii) whether the contractor or subcontractor has offered to provide
2 employment opportunities, training, or other remedial benefits to minor-
3 ity group members or women in relevant trades, professions, or occupa-
4 tions.

5 6. A contractor or subcontractor deemed a non-compliant contractor by
6 the director may request an administrative hearing before an independent
7 hearing officer to appeal the determination of the director. The deci-
8 sion of the hearing officer shall be final and may only be vacated or
9 modified as provided in article seventy-eight of the civil practice law
10 and rules upon an application made within the time provided by such
11 article.

12 7. Upon a final determination that a contractor or subcontractor is a
13 non-compliant contractor, the director shall list the contractor or
14 subcontractor as such on its website and indicate the term of such
15 contractor's or subcontractor's status as a non-compliant contractor. A
16 non-compliant contractor shall be ineligible to participate as a
17 contractor or subcontractor on any state contract.

29 3. The division shall, from time to time, review the facilities,
30 books, and records of state agencies to ascertain the accuracy of their
31 reports and their compliance with the requirements of this article. The

34 § 826. Severability. If any clause, sentence, paragraph, section or

35 shall be deemed to refer to a person owning or controlling directly or
36 indirectly ten per centum or more of the total outstanding stock of a
37 corporation.

38 § 714. Changes in officers and directors. Upon any change of any of
39 the executive officers, directors, partners or members of any student
40 loan servicer, the student loan servicer shall submit to the superinten-
41 dent the name, address, and occupation of each new officer, director,
42 partner or member, and provide such other information as the superinten-
43 dent may require.

44 § 715. Changes in control. 1. It shall be unlawful, except with the
45 prior approval of the superintendent, for any action to be taken which
46 results in a change of control of the business of a student loan servi-
47 cer. Prior to any change of control, the person desirous of acquiring
48 control of the business of a student loan servicer shall make written
49 application to the superintendent and pay an investigation fee as
50 prescribed pursuant to section eighteen-a of this chapter to the super-
51 intendent. The application shall contain such information as the super-
52 intendent, by rule or regulation, may prescribe as necessary or appro-
53 priate for the purpose of making the determination required by
54 subdivision two of this section. This information shall include, but not
55 be limited to, the information and other material required for a student

1 loan servicer by subdivision one of section seven hundred twelve of this
2 article.

3 2. The superintendent shall approve or disapprove the proposed change
4 of control of a student loan servicer in accordance with the provisions
5 of section seven hundred thirteen of this article.

6 3. For a period of six months from the date of qualification thereof
7 and for such additional period of time as the superintendent may
8 prescribe, in writing, the provisions of subdivisions one and two of
9 this section shall not apply to a transfer of control by operation of
10 law to the legal representative, as hereinafter defined, of one who has
11 control of a student loan servicer. Thereafter, such legal represen-
12 tative shall comply with the provisions of subdivisions one and two of
13 this section. The provisions of subdivisions one and two of this section
14 shall be applicable to an application made under this section by a legal
15 representative. The term "legal representative", for the purposes of
16 this subdivision, shall mean a person duly appointed by a court of
17 competent jurisdiction to act as executor, administrator, trustee,
18 committee, conservator or receiver, including one who succeeds a legal
19 representative and one acting in an ancillary capacity thereto in
20 accordance with the provisions of such court appointment.

21 4. As used in this section the term "control" means the possession,
22 directly or indirectly, of the power to direct or cause the direction of
23 the management and policies of a student loan servicer, whether through
24 the ownership of voting stock of such student loan servicer, the owner-
25 ship of voting stock of any person which possesses such power or other-
26 wise. Control shall be presumed to exist if any person, directly or
27 indirectly, owns, controls or holds with power to vote ten per centum or
28 more of the voting stock of any student loan servicer or of any person
29 which owns, controls or holds with power to vote ten per centum or more
30 of the voting stock of any student loan servicer, but no person shall be
31 deemed to control a student loan servicer solely by reason of being an
32 officer or director of such student loan servicer. The superintendent
33 may in his discretion, upon the application of a student loan servicer
34 or any person who, directly or indirectly, owns, controls or holds with
35 power to vote or seeks to own, control or hold with power to vote any
36 voting stock of such student loan servicer, determine whether or not the
37 ownership, control or holding of such voting stock constitutes or would
38 constitute control of such student loan servicer for purposes of this
39 section.

40 § 716. Grounds for suspension or revocation of license. 1. After
41 notice and a hearing, the superintendent may revoke any license to
42 engage in the business of a student loan servicer issued pursuant to
43 this article if he or she shall find that:

44 (a) a servicer has violated any provision of this article, any rule or
45 regulation promulgated by the superintendent under and within the
46 authority of this article, or any other applicable law;

47 (b) any fact or condition exists which, if it had existed at the time
48 of the original application for such license, would have warranted the
49 superintendent refusing originally to issue such license;

50 (c) a servicer does not cooperate with an examination or investigation
51 by the superintendent;

52 (d) a servicer engages in fraud, intentional misrepresentation, or
53 gross negligence in servicing a student loan;

54 (e) the competence, experience, character, or general fitness of the
55 servicer, an individual controlling, directly or indirectly, ten percent
56 or more of the outstanding interests, or any person responsible for

1 servicing a student loan for the servicer indicates that it is not in
2 the public interest to permit the servicer to continue servicing student
3 loans;

4 (f) the servicer engages in an unsafe or unsound practice;

5 (g) the servicer is insolvent, suspends payment of its obligations, or
6 makes a general assignment for the benefit of its creditors; or

7 (h) a servicer has violated the laws of this state, any other state or
8 any federal law involving fraudulent or dishonest dealing, or a final
9 judgment has been entered against a student loan servicer in a civil
10 action upon grounds of fraud, misrepresentation or deceit.

11 2. The superintendent may, on good cause shown, or where there is a
12 substantial risk of public harm, suspend any license for a period not
13 exceeding thirty days, pending investigation. "Good cause", as used in
14 this subdivision, shall exist when a student loan servicer has defaulted
15 or is likely to default in performing its financial engagements or
16 engages in dishonest or inequitable practices which may cause substan-
17 tial harm to the persons afforded the protection of this article.

18 3. Except as provided in subdivision two of this section, no license
19 shall be revoked or suspended except after notice and a hearing thereon.
20 Any order of suspension issued after notice and a hearing may include as
21 a condition of reinstatement that the student loan servicer make resti-
22 tution to consumers of fees or other charges which have been improperly
23 charged or collected, including but not limited to by allocating
24 payments contrary to a borrower's direction or in a manner that fails to
25 help a borrower avoid default, as determined by the superintendent. Any
26 hearing held pursuant to the provisions of this section shall be
27 noticed, conducted and administered in compliance with the state admin-
28 istrative procedure act.

29 4. Any student loan servicer may surrender any license by delivering
30 to the superintendent written notice that it thereby surrenders such
31 license, but such surrender shall not affect the servicer's civil or
32 criminal liability for acts committed prior to such surrender. If such
33 surrender is made after the issuance by the superintendent of a state-
34 ment of charges and notice of hearing, the superintendent may proceed
35 against the servicer as if the surrender had not taken place.

36 5. No revocation, suspension, or surrender of any license shall impair
37 or affect the obligation of any pre-existing lawful contract between the
38 student loan servicer and any person, including the department.

39 6. Every license issued pursuant to this article shall remain in force
40 and effect until the same shall have been surrendered, revoked or
41 suspended in accordance with any other provisions of this article.

42 7. Whenever the superintendent shall revoke or suspend a license
43 issued pursuant to this article, he or she shall forthwith execute in
44 duplicate a written order to that effect. The superintendent shall file
45 one copy of such order in the office of the department and shall forth-
46 with serve the other copy upon the student loan servicer. Any such order
47 may be reviewed in the manner provided by article seventy-eight of the
48 civil practice law and rules.

49 § 717. Books and records; reports and electronic filing. 1. Each
50 student loan servicer and exempt organization shall keep and use in its
51 business such books, accounts and records as will enable the superinten-
52 dent to determine whether the servicer or exempt organization is comply-
53 ing with the provisions of this article and with the rules and regu-
54 lations lawfully made by the superintendent. Every servicer and exempt
55 organization shall preserve such books, accounts, and records, for at
56 least three years.

1 2. (a) Each student loan servicer shall annually, on or before a date
2 to be determined by the superintendent, file a report with the super-
3 intendent giving such information as the superintendent may require
4 concerning the business and operations during the preceding calendar
5 year of such servicer under authority of this article. Such report shall
6 be subscribed and affirmed as true by the servicer under the penalties
7 of perjury and shall be in the form prescribed by the superintendent.

8 (b) In addition to annual reports, the superintendent may require such
9 additional regular or special reports as he or she may deem necessary to
10 the proper supervision of student loan servicers under this article.
11 Such additional reports shall be subscribed and affirmed as true by the
12 servicer under the penalties of perjury and shall be in the form
13 prescribed by the superintendent.

14 3. Notwithstanding article three of the state technology law or any
15 other law to the contrary, the superintendent may require that any
16 submission or approval as may be required by the superintendent be made
17 or executed by electronic means if he or she deems it necessary to
18 ensure the efficient administration of this article.

19 § 718. Rules and regulations. 1. In addition to such powers as may
20 otherwise be prescribed by this chapter, the superintendent is hereby
21 authorized and empowered to promulgate such rules and regulations as may
22 in the judgment of the superintendent be consistent with the purposes of
23 this article, or appropriate for the effective administration of this
24 article, including, but not limited to:

25 (a) Such rules and regulations in connection with the activities of
26 student loan servicers and exempt organizations as may be necessary and
27 appropriate for the protection of borrowers in this state.

28 (b) Such rules and regulations as may be necessary and appropriate to
29 define unfair, deceptive or abusive acts or practices in connection with
30 the activities of student loan servicers and exempt organizations in
31 servicing student loans.

32 (c) Such rules and regulations as may define the terms used in this
33 article and as may be necessary and appropriate to interpret and imple-
34 ment the provisions of this article.

35 (d) Such rules and regulations as may be necessary for the enforcement
36 of this article.

37 2. The superintendent is hereby authorized and empowered to make such
38 specific rulings, demands and findings as the superintendent may deem
39 necessary for the proper conduct of the student loan servicing industry.

40 § 719. Prohibited practices. No student loan servicer shall:

41 1. Employ any scheme, device or artifice to defraud or mislead a
42 borrower.

43 2. Engage in any unfair, deceptive or predatory act or practice toward
44 any person or misrepresent or omit any material information in
45 connection with the servicing of a student loan, including, but not
46 limited to, misrepresenting the amount, nature or terms of any fee or
47 payment due or claimed to be due on a student loan, the terms and condi-
48 tions of the loan agreement or the borrower's obligations under the
49 loan.

50 3. Misapply payments to the outstanding balance of any student loan or
51 to any related interest or fees.

52 4. Provide inaccurate information to a consumer reporting agency.

53 5. Refuse to communicate with an authorized representative of the
54 borrower who provides a written authorization signed by the borrower,
55 provided that the servicer may adopt procedures reasonably related to

1 verifying that the representative is in fact authorized to act on behalf
2 of the borrower.

3 6. Make any false statement or make any omission of a material fact in
4 connection with any information or reports filed with a governmental
5 agency or in connection with any investigation conducted by the super-
6 intendent or another governmental agency.

7 § 720. Servicing student loans without a license. 1. Whenever, in the
8 opinion of the superintendent, a person is engaged in the business of
9 servicing student loans, either actually or through subterfuge, without
10 a license from the superintendent, the superintendent may order that
11 person to desist and refrain from engaging in the business of servicing
12 student loans in the state. If, within thirty days after an order is
13 served, a request for a hearing is filed in writing and the hearing is
14 not held within sixty days of the filing, the order shall be rescinded.

15 2. This section shall not apply to exempt organizations.

16 § 721. Responsibilities. 1. If a student loan servicer regularly
17 reports information to a consumer reporting agency, the servicer shall
18 accurately report a borrower's payment performance to at least one
19 consumer reporting agency that compiles and maintains files on consumers
20 on a nationwide basis as defined in Section 603(p) of the federal Fair
21 Credit Reporting Act (15 U.S.C. Sec. 1681a(p)), upon acceptance as a
22 data furnisher by that consumer reporting agency.

23 2. (a) Except as provided in federal law or required by a student loan
24 agreement, a student loan servicer shall inquire of a borrower how to
25 apply a borrower's nonconforming payment. A borrower's direction on how
26 to apply a nonconforming payment shall remain in effect for any future
27 nonconforming payment during the term of a student loan until the
28 borrower provides different directions.

29 (b) For purposes of this subdivision, "nonconforming payment" shall
30 mean a payment that is either more or less than the borrower's required
31 student loan payment.

32 3. (a) If the sale, assignment, or other transfer of the servicing of
33 a student loan results in a change in the identity of the person to whom
34 the borrower is required to send subsequent payments or direct any
35 communications concerning the student loan, a student loan servicer
36 shall transfer all information regarding a borrower, a borrower's
37 account, and a borrower's student loan, including but not limited to the
38 borrower's repayment status and any borrower benefits associated with
39 the borrower's student loan, to the new student loan servicer servicing
40 the borrower's student loan within forty-five days.

41 (b) A student loan servicer shall adopt policies and procedures to
42 verify that it has received all information regarding a borrower, a
43 borrower's account, and a borrower's student loan, including but not
44 limited to the borrower's repayment status and any borrower benefits
45 associated with the borrower's student loan, when the servicer obtains
46 the right to service a student loan.

47 4. If a student loan servicer sells, assigns, or otherwise transfers
48 the servicing of a student loan to a new servicer, the sale, assignment
49 or other transfer shall be completed at least seven days before the
50 borrower's next payment is due.

51 5. (a) A student loan servicer that sells, assigns, or otherwise
52 transfers the servicing of a student loan shall require as a condition
53 of such sale, assignment or other transfer that the new student loan
54 servicer shall honor all borrower benefits originally represented as
55 being available to a borrower during the repayment of the student loan
56 and the possibility of such benefits, including any benefits that were

1 represented as being available but for which the borrower had not yet
2 qualified.

3 (b) A student loan servicer that obtains the right to service a
4 student loan shall honor all borrower benefits originally represented as
5 being available to a borrower during the repayment of the student loan
6 and the possibility of such benefits, including any benefits that were
7 represented as being available but for which the borrower had not yet
8 qualified.

9 6. A student loan servicer shall respond within thirty days after
10 receipt to a written inquiry from a borrower or a borrower's represen-
11 tative.

12 7. A student loan servicer shall preserve records of each student loan
13 and all communications with borrowers for not less than two years
14 following the final payment on a student loan or the sale, assignment or
15 other transfer of the servicing of a student loan, whichever occurs
16 first, or such longer period as may be required by any other provision
17 of law.

18 § 722. Examinations. 1. The superintendent may at any time, and as
19 often as he or she may determine, either personally or by a person duly
20 designated by the superintendent, investigate the business and examine
21 the books, accounts, records, and files used therein of every student
22 loan servicer. For that purpose the superintendent and his or her duly
23 designated representative shall have free access to the offices and
24 places of business, books, accounts, papers, records, files, safes and
25 vaults of all student loan servicers. The superintendent and any person
26 duly designated by him or her shall have the authority to require the
27 attendance of and to examine under oath all persons whose testimony he
28 or she may require relative to such business.

29 2. No person subject to investigation or examination under this
30 section may knowingly withhold, abstract, remove, mutilate, destroy or
31 secrete any books, records, computer records or other information.

32 3. The expenses incurred in making any examination pursuant to this
33 section shall be assessed against and paid by the student loan servicer
34 so examined, except that traveling and subsistence expenses so incurred
35 shall be charged against and paid by servicers in such proportions as
36 the superintendent shall deem just and reasonable, and such propor-
37 tionate charges shall be added to the assessment of the other expenses
38 incurred upon each examination. Upon written notice by the superinten-
39 dent of the total amount of such assessment, the servicer shall become
40 liable for and shall pay such assessment to the superintendent.

41 4. In any hearing in which a department employee acting under authori-
42 ty of this chapter is available for cross-examination, any official
43 written report, worksheet, other related papers, or duly certified copy
44 thereof, compiled, prepared, drafted, or otherwise made by such depart-
45 ment employee, after being duly authenticated by the employee, may be
46 admitted as competent evidence upon the oath of the employee that such
47 worksheet, investigative report, or other related documents were
48 prepared as a result of an examination of the books and records of a
49 servicer or other person, conducted pursuant to the authority of this
50 chapter.

51 5. Unless otherwise exempt pursuant to subdivision two of section
52 seven hundred eleven of this article, affiliates of a student loan
53 servicer are subject to examination by the superintendent on the same
54 terms as the servicer, but only when reports from, or examination of, a
55 servicer provides evidence of unlawful activity between a servicer and

1 affiliate benefitting, affecting, or arising from the activities regu-
2 lated by this article.

3 § 723. Penalties for violation of this article. 1. In addition to such
4 penalties as may otherwise be applicable by law, the superintendent may,
5 after notice and hearing, require any person found violating the
6 provisions of this article or the rules or regulations promulgated here-
7 under to pay to the people of this state a penalty for each violation of
8 the article or any regulation or policy promulgated hereunder a sum not
9 to exceed an amount as determined pursuant to section forty-four of this
10 chapter for each such violation.

11 2. Nothing in this article shall limit any statutory or common-law
12 right of any person to bring any action in any court for any act, or the
13 right of the state to punish any person for any violation of any law.

14 § 724. Severability of provisions. If any provision of this article,
15 or the application of such provision to any person or circumstance,
16 shall be held invalid, illegal or unenforceable, the remainder of the
17 article, and the application of such provision to persons or circum-
18 stances other than those as to which it is held invalid, illegal or
19 unenforceable, shall not be affected thereby.

20 § 725. Compliance with other laws. 1. Student loan servicers shall
21 engage in the business of servicing student loans in conformity with the
22 provisions of the financial services law, this chapter, such rules and
23 regulations as may be promulgated by the superintendent thereunder and
24 all applicable federal laws and the rules and regulations promulgated
25 thereunder.

26 2. Nothing in this section shall be construed to limit any otherwise
27 applicable state or federal law or regulations.

49 justice and the public advantage will be subserved by the publication
50 thereof, in which event the superintendent may publish or authorize the
51 publication of a copy of any such report or any part thereof in such
52 manner as may be deemed proper or unless such laws specifically author-
53 ize such disclosure. For the purposes of this subdivision, "reports of
54 examinations and investigations, and any correspondence and memoranda

3 confidential by such agency or unit and which are in the possession of
4 the department or which are otherwise confidential materials that have

56 certificate, the county clerk shall record the same in the books kept

1 for the recording of deeds and shall index the same in the deed index
2 against the name of the owner of the property. Until notice of revoca-
3 tion of the certificate of ~~[approval]~~ eligibility has been recorded and
4 indexed as provided in subdivision seven or eight of this section, a

25 status date occurring subsequent to such approval, and shall continue to
26 be so exempt thereafter upon receipt by the assessor of a ~~[certified]~~
27 commitment form filed in accordance with subparagraph (iii) of paragraph
28 (a) of this subdivision and so long as the certification of the eligible
29 tract ~~[shall]~~ has not [be] been revoked by the department.

30 (c) Failure on the part of the owner to file the ~~[certified]~~ commit-
31 ment form in any year following initial certification will result in the
32 termination of the forest land exemption under this section~~[, if any,]~~
33 applicable to the property for that and succeeding taxable years for
34 which no such commitments are filed. Failure to file a commitment form
35 will not constitute a conversion of the tract or breach of the approved
36 management plan, pursuant to subdivision seven hereof, and the commit-
37 ment of the property to forest crop production under the approved
38 management plan shall remain in force for the next succeeding nine years
39 following the last taxable year for which a ~~[certified]~~ commitment form
40 was filed.

41 (d) Following failure to file a ~~[certified]~~ commitment form in one or
42 more years, in order to obtain a forest land exemption under this
43 section, an owner of a certified tract may submit a ~~[certified]~~ commit-

47 subdivision also shall be required if more than five years have elapsed
48 since the owner's last ~~[certified]~~ commitment form was filed. Such new
49 application also shall be required whenever, during the preceding year,
50 the approved management plan has been amended with respect to the acre-
51 age or location of forest land committed to forest crop production under
52 this section.

53 4. (a) Certified eligible tracts approved for exemption under this
54 section shall be exempt from taxation to the extent of eighty per centum
55 of the assessed valuation thereof, or to the extent that the assessed
56 valuation exceeds the amount resulting from multiplying the latest state

3 for the purposes of this section, the special equalization rate by forty
4 dollars per acre, whichever is the lesser.

5 (b) The assessed value of the exemption, if any, granted pursuant to
6 this section shall be entered by the assessor on the assessment roll in
7 such manner as shall be prescribed by the commissioner.

8 (c) Where a special equalization rate has been established by the
9 commissioner pursuant to section twelve hundred twenty-four of this
10 chapter, the assessor is directed and authorized to recompute the forest
11 land exemption on the assessment roll by applying such special equaliza-
12 tion rate instead of the latest state equalization rate in computing the
13 forest land exemption, and to make the appropriate corrections on the
14 assessment roll, subject to the provisions of title two of article
15 twelve of this chapter. Upon completion of the final assessment roll or,
16 where a special equalization rate has been established, upon recomputa-
17 tion of the forest land exemption, the assessor shall certify to the
18 department each exemption granted pursuant to this section in a manner
19 prescribed by the commissioner.

20 5. (a) Whenever any cutting of the merchantable forest crop on any
21 certified eligible tract is proposed during the period of commitment
22 pursuant to subdivision three of this section, the owner shall give not
23 less than thirty days' notice to the department in a manner and upon
24 such form as may be prescribed by the department. Such notice shall
25 include information as to the [~~stumpage value,~~] amount and location of
26 such cutting. [~~The department shall, within fifteen days after receipt~~
27 ~~of such notice from the owner, certify the stumpage value, if any, to~~
28 ~~the owner and to the county treasurer of the county or counties in which~~
29 ~~the tract is situated. No later than thirty days after receipt of such~~
30 ~~certification of value, the owner shall pay a six percentum tax on the~~
31 ~~certified stumpage value of the merchantable forest crop to such county~~
32 ~~treasurer.~~]

33 (b) [~~Notwithstanding the provisions of paragraph (a) of this subdivi-~~
34 ~~sion, if the stumpage value of a merchantable forest crop will be deter-~~
35 ~~mined with reference to a scale to be conducted after the commencement~~
36 ~~of the proposed cutting, the owner may elect to be taxed in accordance~~
37 ~~with this paragraph. Such election shall be made not less than thirty~~
38 ~~days in advance of commencement of the cutting, in such manner and upon~~
39 ~~such form as may be prescribed by the department. Such notice shall~~
40 ~~include information as to the estimated volume, scaling method, and the~~
41 ~~schedule and length of the cutting period, not to exceed one year. If a~~
42 ~~proper election has been made in accordance with this paragraph, the~~
43 ~~department shall so notify the owner before any cutting takes place on~~
44 ~~the eligible tract, and it shall certify the scaled stumpage value to~~
45 ~~the owner of the tract and to the county treasurer of the county or~~
46 ~~counties when the cutting has concluded. No later than thirty days after~~
47 ~~the receipt of such certification of value, the owner shall pay a six~~
48 ~~per centum tax on the stumpage value of the merchantable forest crop to~~
49 ~~such county treasurer.~~]

50 (c) [~~In the event that a tax required by this subdivision or by subdivi-~~
51 ~~sion six of this section shall not be timely paid, it shall be levied~~
52 ~~and collected, together with any penalty or penalties determined pursu-~~
53 ~~ant to subdivision seven of this section, in the same manner and at the~~
54 ~~same time as other taxes imposed and levied on the next completed tax~~
55 ~~roll of such county or counties.~~]

1 ~~(d)~~ Notwithstanding the foregoing provisions of this subdivision and
2 the provisions of subdivision six of this section, the owner of any land
3 certified under this section may make all intermediate noncommercial
4 cuttings, as prescribed in the approved management plan, and may annual-
5 ly cut, in accordance with sound forestry practices, not more than ten
6 standard cords or the equivalent for such owner's own use, without
7 notice [~~and free of tax imposed by this section~~].

8 6. (a) The department may serve notice upon the owner of a certified
9 tract directing such owner to make a cutting as prescribed in the
10 approved management plan for such tract. Should such cutting involve the
11 sale or utilization of a merchantable forest crop, not less than thirty
12 days in advance of cutting the owner shall give notice to the department
13 of the [~~stumpage value,~~] amount and location of the cutting on a form
14 prescribed by the department. [~~The department shall within fifteen days~~
15 ~~after receipt of such notice from the owner, certify the stumpage value,~~
16 ~~if any, to the owner and to the county treasurer of the county or coun-~~
17 ~~ties in which such tract is situated. No later than thirty days after~~
18 ~~receipt of such certification of value, the owner shall pay a six per~~
19 ~~centum tax on the certified stumpage value to such county treasurer.~~]

20 (b) Any cutting of a merchantable forest crop under this subdivision
21 must be conducted within two years from the date of service of the
22 notice upon the owner issued by the department. [~~Upon failure of the~~
23 ~~owner within such period to conduct such cutting, the department shall~~
24 ~~certify to the owner and the county treasurer of the county or counties~~
25 ~~the stumpage value of such merchantable forest crop. No later than thir-~~
26 ~~ty days after receipt of such certification of value, the owner shall~~
27 ~~pay a six per centum tax on the certified stumpage value to such county~~
28 ~~treasurer.~~]

29 (c) Any noncommercial cutting under this subdivision must be conducted
30 within one year from the date of service of the notice upon the owner
31 issued by the department.

32 (d) If such owner, within the period prescribed by this subdivision,
33 makes such cuttings as directed by the department, the tract shall
34 continue to be certified as long as the owner shall continue to comply
35 with the provisions of this section and manage the same in the manner
36 prescribed in the approved management plan for such tract.

37 7. (a) The department shall, after notice and hearing, issue a notice
38 of violation of this section for any certified tract whenever it finds
39 that:

40 (i) any tract or portion thereof is converted to a use which precludes
41 management of the land for forest crop production; or

42 (ii) the owner fails to give written notice of a proposed cutting on
43 such tract [~~or fails to timely pay the appropriate tax on the stumpage~~
44 ~~value of the merchantable forest crop determined pursuant to subdivision~~
45 ~~five or six of this section~~]; or

46 (iii) the owner fails to comply with the approved management plan for
47 such tract at any time during the commitment period; or

48 (iv) the owner fails to make a timely cutting in accordance with the
49 provisions of subdivision six of this section after service of notice by
50 the department to make such a cutting.

51 (b) Notwithstanding the finding of an occurrence described by subpara-
52 graph (ii), (iii) or (iv) of paragraph (a) of this subdivision, the
53 department, upon prior notice to the appropriate assessor, may determine
54 that a violation has not occurred if the failure to comply was due to
55 reasons beyond the control of the owner and such failure can be

1 corrected forthwith without significant effect on the overall purpose of
2 the management plan.

3 (c) The owner of [~~such~~] an eligible tract, following the issuance of
4 such notice by the department for one or more of the reasons set forth
5 in paragraph (a) of this subdivision, shall be subject to a penalty as
6 provided in paragraph (d) or (e) of this subdivision, whichever applies.
7 Penalties imposed by this section shall be subject to interest charges
8 at the rate established pursuant to section nine hundred twenty-four-a
9 of this chapter for each applicable year or, for years prior to nineteen
10 hundred eighty-four, at a rate of six per centum per annum compounded.
11 Such interest shall accrue in the year with reference to which a penal-
12 ty, or portion thereof, is attributed.

13 (d) Except as otherwise provided in paragraph (e) of this subdivi-
14 sion[~~7~~].

15 (i) the penalty imposed under paragraph (c) of this subdivision for a
16 parcel that has been enrolled under this section for less than ten years
17 shall be computed by multiplying by two and one-half the amount of taxes
18 that would have been levied on the forest land exemption entered on the
19 assessment roll pursuant to subdivision four of this section for the
20 current year and any prior years in which such an exemption was granted,
21 utilizing the applicable tax rate for the current year and for such
22 prior years[~~7, not to exceed a total of ten years~~].

23 (ii) the penalty imposed under paragraph (c) of this subdivision for a
24 parcel that has been enrolled under this section for a minimum of ten
25 years but less than twenty years shall be computed by multiplying by one
26 and one-half the amount of taxes that would have been levied on the
27 forest land exemption entered on the assessment roll pursuant to subdivi-
28 vision four of this section for the current year and prior years in
29 which such an exemption was granted, utilizing the applicable tax rate
30 for the current year and for such prior years, not to exceed a total of
31 ten years.

32 (iii) the penalty imposed under paragraph (c) of this subdivision for
33 a parcel that has been enrolled under this section for a minimum of
34 twenty years shall be the amount of taxes that would have been levied on
35 the forest land exemption entered on the assessment roll pursuant to
36 subdivision four of this section for the current year and the prior
37 years in which such an exemption was granted, utilizing the applicable
38 tax rate for the current year and for such prior years, not to exceed a
39 total of ten years.

40 (e) The penalty imposed under paragraph (c) of this subdivision appli-
41 cable to converted land which constitutes only a portion of a certified
42 eligible tract shall be twice the amount determined under paragraph (d)
43 of this subdivision. In calculating such penalty, only that portion of
44 the tract that was actually converted to a use that precludes management
45 of the land for forest crop production shall be used as the basis for
46 determining the penalty.

47 (f) A notice of violation issued under this subdivision shall be given
48 by the department to the owner and to the county treasurer of the county
49 or counties in which such tract is located, and the penalty and interest
50 charges shall be computed for each of the municipal corporations in
51 which such tract is located by such county treasurer. Upon completion of
52 the computation of the penalty and interest, the county treasurer shall
53 give notice to the owner of the amount of the penalty and interest, and
54 the amount shall be entered on the next completed tax roll of such coun-
55 ty or counties. Such penalties and interest shall be levied and
56 collected in the same manner and at the same time as other taxes are

1 imposed and levied on such roll. Upon collection of such penalties and
2 interest, such county treasurer shall pay the amounts due to each of the
3 appropriate municipal corporations.

4 (g) Upon receipt of proof satisfactory to the department that all
5 penalties[~~, stumpage taxes~~] and interest imposed by this section have
6 been fully paid or satisfied, the department shall revoke the certifi-
7 cate of [~~approval~~] eligibility issued pursuant to subdivision two of
8 this section, and notice of such revocation shall be given to the owner
9 and to the county clerk of the county or counties in which the tract is
10 located. Upon receipt of such notice of revocation, the county clerk
11 shall record the same in the books kept for the recording of deeds and
12 shall index the same in the deed index against the name of the owner of
13 the property. The county clerk shall also note on the face of the last
14 certificate of [~~approval or certified~~] eligibility and commitment form
15 previously recorded pursuant to this section the word "REVOKED" followed
16 by a reference to the liber and page where the notice of revocation is
17 recorded pursuant to this subdivision.

18 (h) The certificate of [~~approval~~] eligibility of a certified tract for
19 which no notice of violation has been issued shall be revoked without
20 penalty upon receipt of proof satisfactory to the department that nine
21 years have passed from the year of the last [~~certified~~] commitment form
22 filed with the assessor by the owner pursuant to subdivision three of
23 this section. Notice of such revocation shall be recorded and indexed
24 as provided in paragraph (g) of this subdivision.

25 (i) No fee, penalty or rollback of taxes otherwise due pursuant to
26 this section may be imposed upon the city of New York for failure to
27 comply with [~~a-certified~~] an approved management plan for an eligible
28 tract that the city acquires for watershed purposes.

29 8. (a) The owner of a certified tract shall not be subject to any
30 penalty under this section that would otherwise apply because such tract
31 or any portion thereof is converted to a use other than forest crop
32 production by virtue of: (i) an involuntary taking by eminent domain or
33 other involuntary proceeding, except a tax sale, or (ii) a voluntary
34 proceeding, providing such proceeding involves the establishment of
35 rights-of-way for public highway or energy transmission purposes wherein
36 such corridors have been established subsequent to public hearing as
37 needed in the public interest and environmentally compatible, or (iii)
38 oil, gas or mineral exploration, development or extraction activity
39 undertaken by an independent grantee pursuant to a lease or other
40 conveyance of subsurface rights recorded more than ten years prior to
41 the date of the certificate of [~~approval~~] eligibility issued by the
42 department under subdivision two of this section, or (iv) where all or a
43 substantial portion of the certified tract is destroyed or irreparably
44 damaged by reason of an act of God or a natural disaster.

45 (b) In the event the land so converted to a use other than forest crop
46 production constitutes only a portion of such tract, the assessor shall
47 apportion the assessment, and enter that portion so converted as a sepa-
48 rately assessed parcel on the appropriate portion of the assessment
49 roll. The assessor shall then adjust the forest land exemption attribut-
50 able to the portion of the tract not so converted by subtracting the
51 proportionate part of the exemption of the converted parcel.

52 (c) If the portion so converted divides the tract into two or more
53 separate parcels, such remaining parcels not so converted will remain
54 [~~certified~~] eligible under this section, regardless of size, except that
55 should any remaining parcel be no longer accessible for continued forest
56 crop production, the department shall, after notice and hearing, revoke

1 the [~~certification~~] certificate of eligibility of the inaccessible
2 parcel or parcels, and notice of such revocation shall be recorded and
3 indexed as provided in subdivision seven of this section. Such revoca-
4 tion shall not subject the owner of the tract to penalty, but the
5 exemption under this section shall no longer apply to the tract or
6 portion thereof no longer accessible.

7 (d) The owner of a certified eligible tract shall not be subject to
8 penalty under this section that would otherwise apply because the forest
9 crop on the certified eligible tract or portion is, through no fault of
10 the owner, damaged or destroyed by fire, infestation, disease, storm,
11 flood, or other natural disaster, act of God, accident, trespass or war.
12 If a merchantable forest crop is to be cut or removed in connection with
13 necessary salvage operations resulting from any such event, the owner
14 shall give notice of cutting[~~, the department shall certify the stumpage~~
15 ~~value, and stumpage tax shall be payable, collected and enforced as~~
16 ~~provided in subdivisions five and seven of this section~~]. Nothing in
17 this paragraph shall be construed to subject any person to penalty under
18 subdivision seven of this section for immediate action taken in good
19 faith in the event of an emergency.

20 9. All [~~stumpage tax~~] penalties and interest charges thereon
21 collected pursuant to subdivisions five, six and seven of this section
22 shall be apportioned to the applicable municipal corporations in which
23 such tract is situated.

24 10. (a) Management plans approved pursuant to this section shall not
25 be deemed to authorize or permit any practice or activity prohibited,
26 restricted or requiring further approval under the environmental conser-
27 vation law, or any other general or special law of the state, or any
28 lawful rule or regulation duly promulgated thereunder.

29 (b) No otherwise eligible tract, or portion thereof, shall be deemed
30 to be ineligible for certification or qualification under this section,
31 and no certificate of [~~approval~~] eligibility shall be revoked or penalty
32 imposed, solely on the ground that any such law, rule or regulation
33 partially restricts or requires further approval for forest crop
34 production practices or activities on such tract or portion.

35 11. The owner of an eligible tract certified under an approved manage-
36 ment plan under this section as of March first, two thousand nineteen
37 may withdraw such eligible tract from commitment, without penalty or
38 obligation to follow the approved management plan for the remaining
39 commitment term, until February twenty-eighth, two thousand twenty. The
40 owner of an eligible tract certified under an approved management plan
41 under this section may withdraw such eligible tract from commitment,
42 without penalty, upon commitment to sustainable forest management under
43 a forest certification program of such eligible tract or implementing an
44 approved forest management practice on a qualifying portion under
45 section four hundred eighty-b of this title at any time.

46 12. Notwithstanding any law to the contrary, in the event that lands
47 subject to an approved management plan and a certificate of eligibility
48 pursuant to this section of law are:

49 (a) transferred or sold to family members of the landowner, as defined
50 by regulations of the department, such lands may continue to be eligible
51 to participate in the program and all management obligations of such
52 lands may also be transferred if such new landowner desires to continue
53 participation in such program. If such landowner does not want to
54 continue to participate in the program authorized by this section, such
55 lands shall no longer be eligible for the program and such landowner
56 shall be responsible for the remaining nine years of the commitment

1 including all management obligations or such new landowner may apply for
2 a program pursuant to section four hundred eighty-b of this title at any
3 time.

4 (b) transferred or sold to non-family members of the landowner, such
5 lands shall no longer be eligible for participation in the program.
6 However, such new landowner shall be responsible for the remaining nine
7 years of the commitment including all management obligations or such new
8 landowner may apply, if desired, under section four hundred eighty-b of
9 this title.

10 (c) the subject of an application for eligibility under a forest
11 management practice plan pursuant to section four hundred eighty-b of
12 this title after the sale or transfer of land as listed in paragraphs
13 (a) and (b) of this subdivision, such landowners shall not be required
14 to conduct a qualifying management practice to be eligible for the
15 program authorized pursuant to section four hundred eighty-b of this
16 title.

17 13. (a) Any county, town or school district in which the total
18 assessed value exempted by this section and sections four hundred eighty
19 and four hundred eighty-b of this title represents one percent or more
20 of the total taxable assessed value on the final tax roll, as computed
21 and verified by the department of taxation and finance, shall be eligi-
22 ble to receive forestry exemption assistance.

23 (b)(i) The county treasurer of any eligible county shall annually
24 submit to the department of taxation and finance a list of any changes
25 to the assessed value, taxable status or acreage of all lands made
26 subsequent to the filing of those assessments rolls upon which county
27 taxes are extended, and the county tax rate and town tax rate extended
28 against any parcel receiving one of those exemptions. Such list shall
29 include a statement of the total taxable assessed value, both before and
30 after application of the exemption, of the county and of each listed
31 town and parcel.

32 (ii) The business manager of any eligible school district shall annu-
33 ally submit to the department of taxation and finance a list of any
34 changes to the assessed value, taxable status or acreage of all lands
35 made subsequent to the filing of those assessment rolls upon which
36 school taxes are extended, and the school tax rate extended against any
37 parcel receiving one of those exemptions. Such list shall include a
38 statement of the total taxable assessed value, both before and after
39 application of the exemption, of the school district and of each listed
40 parcel.

41 (iii) Lists prepared pursuant to this paragraph shall be filed with
42 the department of taxation and finance within thirty days of the levy of
43 taxes each year. In the event that a tax roll or final roll is revised,
44 corrected, or altered for any reason within thirty-six months of the
45 filing of such list, a county, town or school district shall so notify
46 the department of taxation and finance. The department of taxation and
47 finance shall thereupon increase or decrease the next payment of such
48 assistance to the affected county, town and/or school district to the
49 extent the prior payment was too low or too high in light of such
50 revision, correction, or alteration.

51 (c) The department of taxation and finance shall annually compute the
52 amount of forestry exemption assistance payable to or for the benefit of
53 a county, town or school district.

54 (d) (i) Subject to appropriation, the amount of forestry exemption
55 assistance paid to a county, town or school district pursuant to this
56 subdivision in any year shall equal the tax exempt value that exceeds

1 one percent of the reduced total taxable assessed value, as computed by
2 paragraph (a) of this subdivision, multiplied by the applicable tax
3 rate, as determined by the commissioner of taxation and finance, in such
4 town, county, or school district.

5 (ii) Any forestry exemption assistance provided to a county or school
6 district under this subdivision in any year shall be reduced by the
7 amount of small government assistance paid to such county or school
8 district in the current state fiscal year, and, in the case of a town,
9 shall be reduced by the amount of small government assistance paid to
10 such town in state fiscal year two thousand four-two thousand five
11 pursuant to chapter fifty of the laws of two thousand four, and shall be
12 further reduced by the amount that was added to the base level grant for
13 such town pursuant to subparagraph eight of paragraph b of subdivision
14 ten of section fifty-four of the state finance law as added by section
15 two of part M of chapter fifty-six of the laws of two thousand five, as
16 reported to the department of taxation and finance by the division of
17 the budget.

18 (e) The department of taxation and finance shall annually certify to
19 the state comptroller the amount of forestry exemption assistance paya-
20 ble pursuant to this subdivision, and shall mail a copy of such certif-
21 ication to the county treasurer of each county and business manager of
22 each school district containing eligible private forest tracts. Such
23 forestry exemption assistance shall be paid on audit and warrant of the
24 comptroller out of monies appropriated by the legislature, provided that
25 if an appropriation does not fully reimburse all impacted towns, coun-
26 ties and school districts, the amount shall be provided on a pro rata
27 basis to each eligible town, county and school district.

28 § 4. The real property tax law is amended by adding a new section
29 480-b to read as follows:

30 § 480-b. Taxation of forest land under a forest practice program or
31 forest certification program. 1. As used in this section:

32 (a) "Agricultural land" shall mean land that has received an agricul-
33 tural assessment pursuant to section three hundred five or section three
34 hundred six of the agriculture and markets law, provided that farm wood-
35 land that has received an agricultural assessment in each of the previ-
36 ous five years may qualify for the exemption provided by this section.
37 Farm woodland that qualifies for and receives this exemption shall not
38 also receive an agricultural assessment.

39 (b) "Commitment" shall mean a declaration to the assessor and county
40 clerk made on an annual basis by the owner of a certified eligible tract
41 either (i) committing such tract to sustainable forest management for
42 the next succeeding ten years under a forest certification program, or
43 (ii) committing such tract to sustainable forestry and open space pres-
44 ervation for the next succeeding ten years under a forest management
45 practice plan. The commitment made shall be on a commitment form
46 prescribed by the department, and shall include the verification of
47 continued eligibility. A commitment form without a properly completed
48 verification of continued eligibility shall be of no legal effect.

49 (c) "Certificate of eligibility" shall mean a certificate issued by
50 the department and sent to the landowner of an eligible tract that
51 demonstrates such tract meets all requirements of a forest certification
52 program or forest management practice plan in which it is enrolled.

53 (d) "Department" shall mean the department of environmental conserva-
54 tion.

55 (e) "Eligible tract" shall mean a tract of privately owned land of at
56 least twenty-five contiguous acres, exclusive of any portion thereof not

1 devoted to forest or other open space, as defined in regulations, of
2 which at least half of the acres must be forest land. Lands divided by
3 federal, state, county or town roads, easements or rights-of-way, or
4 energy transmission corridors or similar facilities will be considered
5 contiguous for purposes of this section, unless vehicular access for
6 forest management purposes is precluded. Lands from which a merchantable
7 forest crop, as defined in section four hundred eighty-a of this title,
8 has been cut or removed within three years prior to the time of applica-
9 tion for certification under this section will be ineligible unless such
10 cutting or removal was accomplished under a forest management practice
11 plan designed to provide for sustainable forestry as determined by the
12 state forester or his or her designee. Agricultural land is not eligi-
13 ble for enrollment under this program.

14 (f) "Forest land" shall mean land suitable for forest crop production
15 through natural regeneration or through forestation and shall be stocked
16 with a stand of forest trees sufficient to produce a merchantable forest
17 crop in the future.

18 (g) "Forest certification program" shall mean a forest certification
19 program, selected by the owner, and which is administered by a qualified
20 third party to ensure sustainable forest management is practiced on the
21 land, as specified in regulations promulgated by the department.

22 (h) "Qualifying forest management practice" shall mean any cutting of
23 trees related to commercial harvesting including regeneration harvest-
24 ing; timber stand improvement including weeding, thinning, or crop tree
25 release; site preparation for planting; invasive and/or competing vege-
26 tation control; riparian buffer establishment or enhancement; or other
27 activities as specified in regulations promulgated by the department.

28 (i) "Forest management practice plan" shall mean a plan approved by
29 the department for one or more qualifying forest management practice to
30 be conducted on a combined total of at least ten acres of forest land of
31 an eligible tract which shall set forth requirements and standards as
32 defined in regulations to ensure and enhance the future productivity and
33 sustainability of the forest treated, and ensure successful regeneration
34 of desirable species, when planned. Such plan must be prepared by or
35 under the direct supervision of a department approved forester as speci-
36 fied in regulations promulgated by the department.

37 (j) "Verification of continued eligibility" shall mean a portion of
38 the commitment form prepared and signed by the landowner which certifies
39 that such landowner continues to satisfy all conditions and requirements
40 of his or her initial enrollment under this section.

41 2. (a) An owner of an eligible tract may apply to the department for a
42 certificate of eligibility under a forest management practice plan or
43 forest certification program pursuant to this section on forms
44 prescribed by the department. If the department finds that such tract
45 is an eligible tract, it shall forward a certificate of eligibility to
46 the owner thereof.

47 (b) The department shall, after public hearings, adopt and promulgate
48 rules and regulations necessary for the implementation of this section,
49 including specifying forest management practices which would qualify a
50 tract for certification.

51 (c) Any tract certified pursuant to this subdivision shall be subject
52 to the provisions of this section. The obligations of this section shall
53 devolve upon and the benefits inure to the owner, his or her heirs,
54 successors and assigns.

55 3. (a) To qualify for a forest land exemption under this section the
56 owner of a certified eligible tract shall:

1 (i) file the certificate of eligibility in the office of the clerk of
2 the county or counties in which such tract is situated. Such certificate
3 shall specify that the tract described therein is committed to either
4 (A) sustainable forest management under a forest certification program
5 or (B) sustainable forestry and open space preservation under an
6 approved forest management practice plan, whichever is applicable, for
7 an initial period of ten years. Upon receipt of such certificate, the
8 county clerk shall record the same in the books kept for the recording
9 of deeds and shall index the same in the deed index against the name of
10 the owner of the property; and (ii) prior to the taxable status date for
11 the first assessment roll upon which such exemption is sought, file an
12 initial application for exemption with the appropriate assessor on forms
13 prescribed by the commissioner. Such application must be accompanied by
14 a certificate of eligibility issued by the department and the commitment
15 form; (iii) prior to the taxable status date for each subsequent assess-
16 ment roll upon which such exemption is sought, file with the appropriate
17 assessor the commitment form for such tract to either (A) sustainable
18 forest management under a forest certification program or (B) sustaina-
19 ble forestry and open space protection under an approved forest manage-
20 ment practice plan, whichever is applicable, for the next succeeding ten
21 years; and (iv) conduct an approved initial qualifying forest management
22 practice on a combined total of at least ten acres of forest land of an
23 eligible tract.

24 (b) If the requirements of this section are met, the assessor shall
25 approve the application and such eligible tract shall be exempt from
26 taxation pursuant to subdivision four of this section to be effective as
27 of the first taxable status date occurring subsequent to such approval,
28 and shall continue to be so exempt thereafter upon receipt by the asses-
29 sor of a commitment form filed in accordance with subparagraph (iii) of
30 paragraph (a) of this subdivision and so long as the certification of
31 the eligible tract has not been revoked by the department.

32 (c) Failure on the part of the owner to file the commitment form in
33 any year following initial certification will result in the termination
34 of the forest land exemption under this section applicable to the prop-
35 erty for that and each succeeding taxable years. Failure to file a
36 commitment form will not constitute a conversion of the tract or breach
37 of the commitment, pursuant to subdivision seven of this section, and
38 the commitment of the property to either (i) sustainable forest manage-
39 ment under a forest certification program or (ii) sustainable forestry
40 or open space preservation through the approved forest management prac-
41 tice plan option, whichever is applicable, shall remain in force for the
42 next succeeding nine years following the last taxable year for which a
43 commitment form was filed.

44 (d) Following failure to file a commitment form in one or more years,
45 in order to obtain a forest land exemption under this section, an owner
46 of a certified tract may submit a commitment form to the assessor before
47 the taxable status date in any subsequent year, except that a new appli-
48 cation under paragraph (a) of subdivision two of this section and
49 subparagraph (i) of paragraph (a) of this subdivision also shall be
50 required if more than five years have elapsed since the owner's last
51 commitment form and verification of continued eligibility was filed.
52 Such new application also shall be required whenever, during the preced-
53 ing year, the approved forest management practice plan has been amended
54 with respect to the acreage of land committed to sustainable forestry,
55 under a forest certification program or sustainable forestry and open
56 space preservation under this section.

1 4. (a) Certified eligible tracts approved for exemption under this
2 section shall be exempt from taxation to the extent of (i) seventy per
3 centum of the assessed valuation thereof in the case of an eligible
4 tract enrolled under a department recognized forest certification
5 program, or (ii) forty per centum of the assessed valuation thereof in
6 the case of an eligible tract enrolled through a forest management prac-
7 tice plan.

8 (b) The assessed value of the exemption granted pursuant to this
9 section shall be entered by the assessor on the assessment roll in such
10 manner as shall be prescribed by the commissioner.

11 5. (a) For lands eligible pursuant to a forest management practice
12 plan, whenever any forest management practice on any certified eligible
13 tract is proposed during the period of commitment pursuant to subdivi-
14 sion three of this section, the owner shall submit a forest management
15 practice plan to the department for approval no less than thirty days
16 prior to the anticipated commencement of such plan and in a manner and
17 upon such form as may be prescribed by the department.

18 (b) Notwithstanding the foregoing provisions of this subdivision and
19 the provisions of subdivision six of this section, the owner of any land
20 certified under this section may annually cut, in accordance with sound
21 forestry practices, not more than ten standard cords or the equivalent
22 for such owner's own use, without notice.

23 6. Any qualifying forest management practice under this subdivision
24 must be conducted within two years from the date of department approval
25 of the forest management practice plan.

26 7. (a) The department shall, after notice and hearing, issue a notice
27 of violation of this section for any certified tract whenever it finds
28 that:

29 (i) any tract or portion thereof is converted to a use which precludes
30 management of the land for sustainable forestry or open space; or

31 (ii) the owner fails to submit a forest management practice plan to
32 the department for approval prior to commencing such practice; or

33 (iii) the owner fails to maintain their participation in a department
34 recognized forest certification program during the commitment period; or

35 (iv) the owner fails to carry out a forest management practice in
36 accordance with the specifications of the qualifying forest management
37 practice plan.

38 (b) Notwithstanding the finding of an occurrence described by subpara-
39 graph (ii), (iii) or (iv) of paragraph (a) of this subdivision, the
40 department, upon prior notice to the appropriate assessor, may determine
41 that a violation has not occurred if the failure to comply was due to
42 reasons beyond the control of the owner and such failure can be
43 corrected forthwith without significant effect on the overall purpose of
44 the commitment.

45 (c) The owner of such tract, following the issuance of such notice by
46 the department for one or more of the reasons set forth in paragraph (a)
47 of this subdivision, shall be subject to a penalty as provided in para-
48 graph (d) or (e) of this subdivision, whichever applies. Penalties
49 imposed by this section shall be subject to interest charges at the rate
50 established pursuant to section nine hundred twenty-four-a of this chap-
51 ter for each applicable year. Such interest shall accrue in the year
52 with reference to which a penalty, or portion thereof, is attributed.

53 (d) Except as otherwise provided in paragraph (e) of this subdivision:

54 (i) the penalty imposed under paragraph (c) of this subdivision for a
55 parcel that has been enrolled under this section for less than ten years
56 shall be computed by multiplying by two and one-half the amount of taxes

1 that would have been levied on the forest land exemption entered on the
2 assessment roll pursuant to subdivision four of this section for the
3 current year and any prior years in which such an exemption was granted,
4 utilizing the applicable tax rate for the current year and for such
5 prior years.

6 (ii) the penalty imposed under paragraph (c) of this subdivision for a
7 parcel that has been enrolled under this section for a minimum of ten
8 years but less than twenty years shall be computed by multiplying by one
9 and one-half the amount of taxes that would have been levied on the
10 forest land exemption entered on the assessment roll pursuant to subdivi-
11 vision four of this section for the current year and prior years in
12 which such an exemption was granted, utilizing the applicable tax rate
13 for the current year and for such prior years, not to exceed a total of
14 ten years.

15 (iii) the penalty imposed under paragraph (c) of this subdivision for
16 a parcel that has been enrolled under this section for a minimum of
17 twenty years shall be the amount of taxes that would have been levied on
18 the forest land exemption entered on the assessment roll pursuant to
19 subdivision four of this section for the current year and prior years in
20 which such an exemption was granted, utilizing the applicable tax rate
21 for the current year and for such prior years, not to exceed a total of
22 ten years.

23 (e) The penalty imposed under paragraph (c) of this subdivision appli-
24 cable to converted land which constitutes only a portion of a certified
25 eligible tract shall be twice the amount determined under paragraph (d)
26 of this subdivision. In calculating such penalty, only that portion of
27 the tract that was actually converted to a use that precludes either (i)
28 sustainable forest management under a forest certification program or
29 (ii) management of the land for sustainable forest management and open
30 space, shall be used as the basis for determining the penalty, unless
31 the remaining portion no longer meets the minimum acreage requirements
32 of paragraph (e) of subdivision one of this section, in which case the
33 entire tract shall be deemed ineligible and subject to revocation and
34 penalties.

35 (f) A notice of violation issued under this subdivision shall be given
36 by the department to the owner and to the county treasurer of the county
37 or counties in which such tract is located, and the penalty and interest
38 charges shall be computed for each of the municipal corporations in
39 which such tract is located by such county treasurer. Upon completion of
40 the computation of the penalty and interest, the county treasurer shall
41 give notice to the owner of the amount of the penalty and interest, and
42 the amount shall be entered on the next completed tax roll of such coun-
43 ty or counties. Such penalties and interest shall be levied and
44 collected in the same manner and at the same time as other taxes are
45 imposed and levied on such roll. Upon collection of such penalties and
46 interest, such county treasurer shall pay the amounts due to each of the
47 appropriate municipal corporations.

48 (g) Upon a finding of a violation, the department shall revoke the
49 certificate of eligibility issued pursuant to subdivision two of this
50 section, and notice of such revocation shall be given to the owner and
51 to the county clerk of the county or counties in which the tract is
52 located. Upon receipt of such notice of revocation, the county clerk
53 shall record the same in the books kept for the recording of deeds and
54 shall index the same in the deed index against the name of the owner of
55 the property. The county clerk shall also note on the face of the last
56 certificate of eligibility and commitment form previously recorded

1 pursuant to this section the word "REVOKED" followed by a reference to
2 the liber and page where the notice of revocation is recorded pursuant
3 to this subdivision.

4 (h) The certificate of eligibility of a tract for which no notice of
5 violation has been issued shall be revoked without penalty upon receipt
6 of proof satisfactory to the department that nine years have passed from
7 the year of the last commitment form filed with the assessor by the
8 owner pursuant to subdivision three of this section. Notice of such
9 revocation shall be recorded and indexed as provided in paragraph (g) of
10 this subdivision.

11 (i) No fee, penalty or rollback of taxes otherwise due pursuant to
12 this section may be imposed upon the city of New York for failure to
13 comply with an approved forest management practice plan for an eligible
14 tract that the city acquires for watershed purposes.

15 8. (a) The owner of a certified eligible tract shall not be subject to
16 any penalty under this section that would otherwise apply because such
17 tract or any portion thereof is converted to a use other than (i)
18 sustainable forest management under a forest certification program or
19 (ii) sustainable forestry and open space preservation under an approved
20 forest management practice, whichever is applicable, by virtue of: (A)
21 an involuntary taking by eminent domain or other involuntary proceeding,
22 except a tax sale, or (B) a voluntary proceeding, provided such proceed-
23 ing involves the establishment of rights-of-way for public highway or
24 energy transmission purposes wherein such corridors have been estab-
25 lished subsequent to public hearing as needed in the public interest and
26 environmentally compatible, or (C) oil, gas or mineral exploration,
27 development or extraction activity undertaken by an independent grantee
28 pursuant to a lease or other conveyance of subsurface rights recorded
29 more than ten years prior to the date of the certificate of eligibility
30 issued by the department under subdivision two of this section, or (D)
31 where all or a substantial portion of the certified tract is destroyed
32 or irreparably damaged by reason of an act of God or a natural disaster.

33 (b) In the event the land so converted to a use other than (i)
34 sustainable forest management under a forest certification program or
35 (ii) sustainable forestry and open space preservation under an approved
36 forest management practice plan, whichever is applicable, constitutes
37 only a portion of such tract, the assessor shall apportion the assess-
38 ment, and enter that portion so converted as a separately assessed
39 parcel on the appropriate portion of the assessment roll. The assessor
40 shall then adjust the forest land exemption attributable to the portion
41 of the tract not so converted by subtracting the proportionate part of
42 the exemption of the converted parcel.

43 (c) If the portion so converted divides the tract into two or more
44 separate parcels, such remaining parcels not so converted will remain
45 eligible under this section, regardless of size.

46 (d) The owner of a certified tract shall not be subject to penalty
47 under this section that would otherwise apply because the forest or open
48 space on the certified tract or portion is, through no fault of the
49 owner, damaged or destroyed by fire, infestation, disease, storm, flood,
50 or other natural disaster, act of God, accident, trespass or war. If a
51 forest management practice is to occur in connection with necessary
52 salvage operations resulting from any such event, the owner shall submit
53 a forest management practice plan to the department for approval prior
54 to the commencement of such practice. Nothing in this paragraph shall be
55 construed to subject any person to penalty under subdivision seven of

1 this section for immediate action taken in good faith in the event of an
2 emergency.

3 9. All penalties and interest charges thereon collected pursuant to
4 subdivisions five, six and seven of this section shall be apportioned to
5 the applicable municipal corporations in which such tract is situated.

6 10. (a) Forest certification programs recognized and forest management
7 practice plans approved pursuant to this section shall not be deemed to
8 authorize or permit any practice or activity prohibited, restricted or
9 requiring further approval under the environmental conservation law, or
10 any other general or special law of the state, or any lawful rule or
11 regulation duly promulgated thereunder.

12 (b) No otherwise eligible tract, or portion thereof, shall be deemed
13 to be ineligible for certification or qualification under this section,
14 and no certificate of eligibility shall be revoked or penalty imposed,
15 solely on the ground that any such law, rule or regulation partially
16 restricts or requires further approval for forest management practices
17 or activities on such tract or portion.

18 § 5. Section 9-0815 of the environmental conservation law, as added
19 by chapter 602 of the laws of 2003, the section heading and subdivision
20 3 as amended by chapter 623 of the laws of 2003, is amended to read as
21 follows:

22 § 9-0815. [~~Request for comment on local laws or ordinances pertaining to~~
23 ~~the practice of forestry]~~ Forestry practice requirements.

24 [~~The commissioner upon his or her own initiative, or upon the written~~
25 ~~request of a municipality or an owner of forest land within the munici-~~
26 ~~pality, may elect to comment upon a proposed local law or ordinance~~
27 ~~which may restrict the practice of forestry. The requesting municipality~~
28 ~~or owner of forest land shall provide, at a minimum, the full text of~~
29 ~~the proposed local law or ordinance to the commissioner with such~~
30 ~~request.~~]

31 1. [~~Upon receipt of such written request or upon the commissioner's~~
32 ~~determination to comment on a local law or ordinance, the commissioner~~
33 ~~shall notify the municipal legislative body, in writing, of the receipt~~
34 ~~date or the date of such determination]~~ a. Any municipality proposing an
35 ordinance, regulation or permit requirement which may restrict the prac-
36 tice of forestry, including but not limited to, timber harvesting, other
37 forest management practices, and temporary storage or transport of logs
38 or other wood products from harvest sites, shall submit such proposals
39 to the department for review, comment and input, to ensure they do not
40 adversely impact the landowner's right to practice forestry.

41 [~~2. An owner of forest land shall provide notice to the municipal~~
42 ~~legislative body proposing the local law or ordinance of a written~~
43 ~~request to the commissioner in the time, manner, and form as may be~~
44 ~~prescribed by the commissioner]~~ b. The requiring municipality shall
45 provide, at a minimum, the full text of the proposed local law or ordi-
46 nance to the commissioner.

47 [~~3.~~] c. The commissioner, in preparing his or her comments for consid-
48 eration by the municipality, may consider factors including, but not
49 limited to, the impact of the proposed local law or ordinance upon the
50 long-term viability of forests in the municipality and any modifications
51 or alternatives which a municipality may undertake to minimize the
52 impacts to the practice of forestry in preparing his or her comments.

53 [~~4.~~] d. The commissioner shall have forty-five days after receipt of
54 an ordinance to provide his or her comments, if any, to the municipal
55 legislative body proposing the law or ordinance. Any municipal legisla-
56 tive body shall defer the adoption of such local law or ordinance pend-

ing receipt of comments, if any, from the commissioner or the passage of forty-five days from the date of receipt of the proposed local law or ordinance by the commissioner. The commissioner shall have the opportunity to ~~[respond]~~ review and provide comments only to the original proposal considered by the local governing body.

~~[5-]~~ e. For purposes of this section, "forest land" shall mean land that is suitable to forest crop production.

f. If the department recommends modification or disapproval of a proposed action, the referring body shall not act contrary to such recommendation except by a vote of a majority plus one of all the members thereof.

2. The department shall promulgate rules and regulations requiring all landowners, or their authorized agents, to provide notification to the department prior to engaging in any commercial timber harvest of a merchantable forest crop from ten or more acres of privately-owned forest land in any given year.

a. Such notification shall be in the manner and format prescribed by the department and, at minimum, shall include:

(i) name and address of the landowner;

(ii) name and address of any authorized agent of the landowner conducting forestry related activities, such as a forester, land manager or logger;

(iii) location and acreage of the area to be harvested and planned point or points of access to public road or roads;

(iv) approximate start and end dates of the harvest;

(v) approximate volume to be harvested;

(vi) products and species to be harvested;

(vii) whether the harvest is being conducted pursuant to a written forest management plan under section four hundred eighty-a or a program under section four hundred eighty-b of the real property tax law and, if applicable, the name and address of the individual or entity that prepared the plan;

(viii) whether the harvest is being conducted pursuant to a harvesting contract; and

(ix) other information as deemed necessary and beneficial.

b. The department shall share timber harvest notifications with any municipality that requests such notifications, in writing, for harvests in such municipality.

c. Any provision of any local law or ordinance, or any rule or regulation promulgated thereto, governing timber harvest notification shall upon the effective date of a chapter of the laws of two thousand eighteen that amended this section be preempted.

§ 6. Article 9 of the environmental conservation law is amended by adding two new titles 23 and 25 to read as follows:

8 or desirable to carry out the provisions of this article.

9 TITLE 25

10 EMPIRE FOREST INCENTIVE PROGRAM

11 Section 9-2501. Definitions.

12 9-2503. Criteria for empire forest incentive projects.

13 9-2505. State assistance application procedure.

23 amounts appropriated, state assistance payments pursuant to the empire
24 forest incentive program to landowners for the costs associated with
25 sound, scientifically based forest management practices on eligible
26 land. The program shall require a non-state match. The department may
27 contract with an independent third party organization to administer such
28 state assistance program, provided that not more than ten percent of all

32 2. The projects that qualify for state assistance payments under this
33 title shall include but are not limited to:

29 The commissioner shall impose such contractual requirements and condi-
30 tions upon any landowner and any independent third party organization
31 which receive funds pursuant to this title as may be necessary and
32 appropriate to assure that a public benefit shall accrue from the use of
33 public funds by such landowner and independent third party organization.
34 § 9-2511. Powers and duties of the commissioner.

35 In administering the provisions of this title the commissioner:

38 2. may, in the name of the state, as further provided within this
39 title, contract to make, within the limitations of appropriation avail-

4 purchase commodities or services from small business concerns or those
5 certified pursuant to articles fifteen-A and seventeen-B of the execu-
6 tive law, or commodities or technology that are recycled or remanufac-
7 tured, or commodities that are food, including milk and milk products,
8 grown, produced or harvested in New York state; or wood products made
9 from wood or wood fiber, grown and manufactured in New York state in an

14 read as follows:

15 6-c. Pursuant to the authority provided in subdivision six of this
16 section, for the purchase of commodities that are food, including milk
17 and milk products, grown, produced or harvested in New York state, or
18 wood products made from wood or wood fiber, grown and manufactured in
19 New York state where such commodities exceed fifty thousand dollars in
20 value, state agencies must advertise the discretionary purchase on the
21 state agency website for a reasonable period of time and make the
22 discretionary purchase based on the lowest price that meets the state
23 agency's form, function and utility.

24 § 10. If any clause, sentence, paragraph, subdivision, section or part
25 of this act shall be adjudged by any court of competent jurisdiction to
26 be invalid, such judgment shall not affect, impair, or invalidate the
27 remainder thereof, but shall be confined in its operation to the clause,

1 solid waste site shall, at the department's written request, cooperate
2 with any and all remedial measures deemed necessary and which shall be
3 undertaken by the department, in conjunction with the department of
4 health, for the mitigation and remediation of a solid waste site or area
5 which is necessary to ensure that drinking water meets applicable stand-
6 ards, including maximum contaminant levels, notification levels, maximum
7 residual disinfectant levels, or action levels established by the
8 department of health. The department may implement necessary measures to

23 maximum contaminant levels, notification levels, maximum residual disin-
24 fectant levels or action levels established by the department of health.
25 Findings required pursuant to this subdivision shall be in writing and
26 may be made by the commissioner of health on an ex parte basis subject
27 to judicial review.

28 9. When a municipality develops and implements remediation to address

36 the drinking water response [~~account~~] program, within the limitations of
37 appropriations therefor, seventy-five percent of the eligible design and

PART BB

Section 1. Approximately 40 percent of the food produced in the United States today goes uneaten. Much of this organic waste is disposed of in solid waste landfills, where its decomposition accounts for over 15 percent of our nation's emissions of methane, a potent greenhouse gas. Meanwhile, an estimated 2.5 million New Yorkers are facing hunger and food insecurity. Recognizing the importance of food scraps on our environment, economy, and the health of New Yorkers, this act establishes a food scraps hierarchy for the state of New York. The first tier of the hierarchy is source reduction, reducing the volume of surplus food generated. The second tier is recovery, feeding wholesome food to hungry people. Third is repurposing, feeding animals. Fourth is recycling, processing any leftover food such as by composting or anaerobic digestion to create a nutrient-rich soil amendment. This legislation is designed to address each tier of the hierarchy by: encouraging the prevention of food scraps generation by commercial generators and residents; directing the recovery of excess wholesome food from high-volume commercial food scraps generators; and ensuring that a significant portion of inedible food scraps from high-volume food scraps generators is managed in a sustainable manner, and does not end up being sent to landfills or incinerators. In addition, the state is supporting the recovery of wholesome food by providing grants from the environmental protection fund to increase capacity of food banks, conduct food scraps audits of high-volume generators of food scraps, support implementation of pollution prevention projects identified by such audits, and expand capacity of generators and municipalities to donate and recycle food.

§ 2. Article 27 of the environmental conservation law is amended by adding a new title 22 to read as follows:

TITLE 22

FOOD RECOVERY AND RECYCLING

Section 27-2201. Definitions.

27-2203. Designated food scraps generator responsibilities.

27-2205. Transporter responsibilities.

27-2207. Transfer facility or other intermediary responsibilities.

27-2209. Food scraps disposal prohibition.

27-2211. Department responsibilities.

27-2213. Regulations.

27-2215. Exclusions.

27-2217. Preemption and severability.

§ 27-2201. Definitions.

1. "Designated food scraps generator" means a person who generates at a single location an annual average of two tons per week or more of excess food and food scraps, based on a methodology established by the department pursuant to regulations, including, but not limited to, supermarkets, restaurants, higher educational institutions, hotels, food processors, correctional facilities, sports or entertainment venues, and hospitals or other health care facilities. For a location with multiple independent food service businesses, such as a mall or college campus, the entity responsible for contracting with a transporter for solid waste transportation services is responsible for managing excess food and food scraps from the independent businesses for the purposes of determining if the generator is a designated food scraps generator.

2. "Excess food" means wholesome food that is not sold or used by its generator.

3. "Food scraps" means inedible solid or liquid food, trimmings from the preparation of food, food-soiled paper, and excess food that is not donated. Food scraps shall not include used cooking oil, yellow grease or food from residential sources or any food which is subject to a recall or seizure due to the presence of pathogens, including but not limited to: Listeria Monocytogenes, confirmed Clostridium Botulinum, E. coli 0157:H7 and all salmonella in ready-to-eat foods.

4. "Incinerator" shall have the same meaning as such term is defined in section 27-0707 of this article.

5. "Organics recycler" means a facility that recycles food scraps through use as animal feed or a feed ingredient, rendering, land application, composting, aerobic digestion, anaerobic digestion, or fermentation. Animal scraps, food soiled paper, and post-consumer food scraps are prohibited for use as animal feed or as a feed ingredient. The proportion of the product created from food scraps by a composting or digestion facility, including a wastewater treatment plant that operates a digestion facility, or other treatment system, must be used in a beneficial manner as a soil amendment and shall not be disposed of or incinerated. The department may designate other techniques or technologies by regulation, provided they do not include incineration or landfilling. If wastewater treatment plants recycling food scraps can demonstrate to the department's satisfaction that beneficial use of biosolids is not available or not economically feasible, the biosolids may be disposed of in a landfill or incinerated at a facility authorized to accept those wastes.

6. "Person" means any individual, business entity, partnership, company, corporation, not-for-profit corporation, association, governmental

entity, public benefit corporation, public authority, firm, organization or any other group of individuals, or any officer or employee or agent thereof.

7. "Single location" means contiguous property under common ownership, which may include one or more buildings.

8. "Transfer facility" means a facility that receives solid waste for the purpose of subsequent transfer to another facility for further processing, treatment, transfer, or disposal.

§ 27-2203. Designated food scraps generator responsibilities.

1. Beginning January first, two thousand twenty-one:

(a) all designated food scraps generators shall separate their excess food for donation for human consumption to the maximum extent practicable, and in accordance with applicable laws, rules and regulations related to food donation; and

(b) except as provided in paragraph (c) of this subdivision, each designated food scraps generator that is within a forty-mile radius of an organics recycler regulated by the department, to the extent that the recycler has capacity to accept a substantial portion or all of the generator's food scraps as determined by the department on a yearly basis, shall:

(i) separate its remaining food scraps from other solid waste;

(ii) ensure proper storage for food scraps collection on site which shall preclude such materials from becoming odorous or attracting vectors such as a container that has a lid and a latch that keeps the lid closed, is resistant to tampering by rodents or other wildlife and has sufficient capacity;

(iii) have information available and provide training for employees concerning the proper methods to separate and store food scraps; and

(iv) obtain a transporter that will deliver its food scraps to an organics recycler, either directly or through an intermediary, self-haul its food scraps to an organics recycler, either directly or through an intermediary, or provide for organics recycling on-site.

(c) The provisions of paragraph (b) of this subdivision shall not apply to any designated food scraps generator that has all of its solid waste processed in a mixed solid waste composting or other mixed solid waste organics recycling facility.

2. All designated food scraps generators shall submit an annual report to the department on or before March first, two thousand twenty-two, and annually thereafter, in an electronic format. The annual report must summarize the amount of excess food and food scraps generated, the amount of excess food donated, an outline of its efforts to establish a relationship with a food recovery organization, the amount of food scraps recycled, the organics recycler or recyclers and associated transporters used, and any other information as required by the department.

3. A designated food scraps generator may petition the department for a temporary waiver from some or all of the requirements of this title. The petition must include evidence of undue hardship based on: (a) the organics recycler located within a forty-mile radius of the designated food scraps generator not having sufficient capacity; or (b) the unique circumstances of the generator.

The department shall issue a waiver from the recycling requirements of this section pursuant to paragraph (b) of this subdivision if the designated food scrap generator demonstrates that the cost of recycling food scraps is more than the cost of disposing of or incinerating solid waste by providing estimates from two disposal facilities, three haulers, and

1 two recyclers that are representative of the costs that would be appli-
2 cable to the generator under normal circumstances. A waiver shall be no
3 longer than one year in duration; provided, however, the department may
4 renew such waiver.

5 § 27-2205. Transporter responsibilities.

6 1. Any transporter that collects source-separated food scraps for
7 recycling from a designated food scraps generator shall:

8 (a) deliver collected food scraps to a transfer facility or other
9 intermediary that will deliver such food scraps to an organics recycler;
10 or

11 (b) deliver collected food scraps directly to an organics recycler.

12 2. Any transporter that collects source-separated food scraps from a
13 designated food scraps generator shall not commingle the food scraps
14 with any other solid waste unless such waste can be processed by an
15 organics recycler.

16 § 27-2207. Transfer facility or other intermediary responsibilities.

17 Any transfer facility or other intermediary that receives source-sepa-
18 rated food scraps from a designated food scraps generator must ensure
19 that the food scraps are taken to an organics recycler. No transfer
20 facility or other intermediary may commingle the food scraps with any
21 other solid waste unless such waste can be processed by an organics
22 recycler.

23 § 27-2209. Food scraps disposal prohibition.

24 No incinerator or landfill shall knowingly accept or commingle with
25 solid waste source-separated food scraps from designated food scraps
26 generators required to send food scraps to an organics recycler as
27 outlined under section 27-2203 of this title, either directly or from an
28 intermediary, after January first, two thousand twenty-one, unless the
29 designated food scraps generator has received a temporary waiver under
30 subdivision three of section 27-2203 of this title.

31 § 27-2211. Department responsibilities.

32 1. The department shall publish on its website a list of all desig-
33 nated food scraps generators, organics recyclers, food recovery organ-
34 izations, and all transporters that manage source-separated food scraps.

35 2. No later than June first, two thousand twenty, the department shall
36 assess the capacity of organic recyclers and notify designated food
37 scraps generators if they are required to comply with the provisions of
38 paragraph (b) of subdivision one of section 27-2203 of this title.

39 3. The department shall develop and make available educational materi-
40 als to assist designated food scraps generators with compliance with
41 this title. The department shall also develop education materials on
42 food waste minimization and encourage municipalities to disseminate
43 these materials both on their municipal websites and in any relevant
44 future mailings to their residents as they may distribute.

45 § 27-2213. Regulations.

46 The department shall promulgate rules and regulations necessary to
47 implement the provisions of this title. At a minimum, the department
48 shall promulgate rules and regulations that set forth the methodology
49 the department will use to determine who is a designated food scraps
50 generator, after consulting with industry representatives, and what
51 process a designated generator must follow to dispute such determi-
52 nation, the waiver process, and how designated food scraps generators
53 shall comply with the provisions of paragraph (a) and subparagraph (i)
54 of paragraph (b) of subdivision one of section 27-2203 of this title.

55 § 27-2215. Exclusions.

1 1. This title shall not apply to any designated food scraps generators
2 located in a city with a population of one million or more which has a
3 local law, ordinance or regulation in place which requires the diversion
4 of excess food and food scraps from disposal.

5 2. This title does not apply to elementary and secondary schools.
6 § 27-2217. Preemption and severability.

7 1. Any provision of any local law or ordinance, or any regulation
8 promulgated thereto, governing the recycling of food scraps shall upon
9 the effective date of this title be preempted, except in a city with a
10 population of one million or more. However, local laws or ordinances,
11 or parts thereof, affecting the recycling of food scraps that include
12 generators not covered by this title shall not be preempted.

13 2. The provisions of this title shall be severable and if any portion
14 thereof or the applicability thereof to any person or circumstances is
15 held invalid, the remainder of this title and the application thereof
16 shall not be affected thereby.

17 § 3. This act shall take effect immediately.
