21 from before-and/or-after-school child care locations to the school they  
22 legally attend, except that transportation for a lesser distance than  
23 two miles or a greater distance than fifteen miles may be provided if

2 legally attends to his or her home or to an after-school child care  
3 location in accordance with this subdivision. Where a child receives  
4 transportation from the school he or she legally attends to an after-  
5 school child care location, such child shall be entitled to receive  
6 transportation from home to the school he or she legally attends in

17 be submitted by August first, nineteen hundred eighty-seven. The  
18 provision of transportation to or from before-and/or-after-school child  
19 care locations, if provided, shall be offered equally to all children in

21 education furnishing transportation pursuant to this paragraph may limit  
22 the provision of such transportation to child care locations located  
23 within the attendance zone of the school the child attends, and to child  
24 day care centers and school age child care programs licensed or regis-  
25 tered pursuant to section three hundred ninety of the social services  
26 law located anywhere within the school district. The cost of providing  
27 such transportation between two or three miles, as the case may be, and  
28 fifteen miles shall be considered for the purposes of this chapter to be  
29 a charge upon the district. Such substitute transportation expense shall  
30 be eligible for state aid in accordance with [~~clause~~] subparagraph one

32 this chapter. Nothing in this subdivision shall be construed to impose a  
33 duty upon boards of education to provide transportation to or from  
34 before-and/or-after-school child care locations. Nothing in this subdi-  
35 vision shall be construed to authorize boards of education to provide to  
36 any child transportation between a before-and/or-after-school day care  
37 location and that child's home.
