IN SENATE

January 6, 2017

Introduced by Sen. MARCELLINO -- read twice and ordered printed, and
when printed to be committed to the Committee on Health

AN ACT in relation to authorizing and directing the department of health
to study potential health hazards from exposure to radio frequency
energy emitted from cellular telephone towers and facilities

The People of the State of New York, represented in Senate and Assem-
bly, do enact as follows:

- 1 Section 1. The department of health shall study, examine, evaluate and
2 make recommendations concerning potential health hazards resulting from
3 exposure to radio frequency energy emitted by cellular telephone towers
4 and facilities. Such department shall report the findings, conclusions
5 and recommendations of such study to the governor and the legislature on
6 or before one year after the effective date of this act, and shall
7 submit with its report such legislative proposals as it deems necessary
8 to implement its recommendations.
9 § 2. This act shall take effect immediately.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.
