6 2. The department shall promulgate necessary rules and regulations to
7 establish staffing standards for hospitals. Such rules and regulations

10 are sufficient to meet the needs of hospital patients. Such rules and
11 regulations shall require that each hospital:

15 (b) Maintains an internal review mechanism that ensures compliance
16 with the staffing system; provides for the review of incidents and staff
17 concerns; and tracks staffing patterns, number of patients and their
18 determined needs.

19 3. Beginning no later than twelve months following distribution to
20 hospitals of the rules and regulations promulgated pursuant to subdivi-
