AN ACT to amend the education law, in relation to mandating reporting of convictions and misconduct proceedings and summary suspension of professional licenses

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Section 6501 of the education law, as amended by chapter
2 299 of the laws of 2016, is amended to read as follows:
3 § 6501. Admission to a profession (licensing) and criminal history
4 records search. 1. Admission. Admission to practice of a profession in
5 this state is accomplished by a license being issued to a qualified
6 applicant by the education department. To qualify for a license an
7 applicant shall meet the requirements prescribed in the article for the
8 particular profession and shall meet the requirements prescribed in
9 section 3-503 of the general obligations law.
10 2. Licensing of military spouses. a. Notwithstanding any provision of
11 law to the contrary, any applicant seeking to qualify for a license
12 pursuant to this title who is the spouse of an active duty member of the
13 armed forces of the United States, national guard or reserves as defined
14 in 10 U.S.C. sections 1209 and 1211, and such spouse is transferred by
15 the military to this state shall be afforded an expedited review of his
16 or her application for licensure. Such application shall be on a form
17 prescribed by the department and shall include an attestation by the
18 applicant of the military status of his or her spouse and any other such
19 supporting documentation that the department may require. Upon review of
20 such application, the department shall issue a license to the applicant
21 if the applicant holds a license in good standing in another state and

1 other state are substantially equivalent to the requirements for licensure in this state.

2
3 b. In addition to the expedited review granted in paragraph a of this subdivision, an applicant who provides satisfactory documentation that he or she holds a license in good standing from another state, may request the issuance of a temporary practice permit, which, if granted will permit the applicant to work under the supervision of a New York state licensee in accordance with regulations of the commissioner. The department may grant such temporary practice permit when it appears based on the application and supporting documentation received that the applicant will meet the requirements for licensure in this state because he or she holds a license in good standing from another state with significantly comparable licensure requirements to those of this state, except the department has not been able to secure direct source verification of the applicant's underlying credentials (e.g., receipt of original transcript, experience verification). Such permit shall be valid for six months or until ten days after notification that the applicant does not meet the qualifications for licensure. An additional six months may be granted upon a determination by the department that the applicant is expected to qualify for the full license upon receipt of the remaining direct source verification documents requested by the department in such time period and that the delay in providing the necessary documentation for full licensure was due to extenuating circumstances which the military spouse could not avoid.

25 c. A temporary practice permit issued under paragraph b of this subdivision shall be subject to the full disciplinary and regulatory authority of the board of regents and the department, pursuant to this title, as if such authorization were a professional license issued under this article.

30 d. The department shall reduce the initial licensure application fee by one-half for any application submitted by a military spouse under this subdivision.

33 3. Mandatory reporting of convictions, professional misconduct and/or adverse employment actions.

35 a. For purposes of this subdivision:

36 (1) "Adverse employment action" means restriction or termination of professional training, employment or privileges and/or a voluntary or involuntary resignation to avoid such actions due to professional misconduct, unprofessional conduct, incompetency undertaken by or on behalf of a hospital, institution or employer for determined or admitted misconduct directly related to the professional duties for which the licensee was licensed.

43 (2) "Crime" means a misdemeanor or felony under (i) New York state law; (ii) federal law; or (iii) the law of another jurisdiction.

45 (3) "Entry of a judgment of conviction" means the date on which sentence, including but not limited to imprisonment, a term of probation, or a fine, was imposed or, if no such sentence was imposed, the date the judgment of conviction was entered in the court in which the case was determined.

50 (4) "Licensee" shall mean a person registered, certified, or licensed under this title.

55 (2) All licensees shall be required to report to the department any determination of professional misconduct in any jurisdiction within

1 thirty days after such determination of professional misconduct was
2 received by such individual.

3 (3) All licensees under this title shall be required to report any
4 adverse employment action within thirty days after such adverse employ-
5 ment action was imposed on such individual.

6 (4) The department shall provide licensees with notice of the report-
7 ing requirements described in this subdivision by posting said require-
8 ments on the department's website and including information regarding
9 said requirements on the application for licensure form and each regis-
10 tration renewal form.

11 (5) Willful failure of such a licensee to provide such a report to the
12 department within such thirty day period may be grounds for professional
13 misconduct pursuant to section sixty-five thousand ten of this article.

14 (6) The reporting requirements of this subdivision shall only apply to
15 convictions, professional misconduct and/or adverse employment actions
16 that occur on or after the effective date of this paragraph.

17 (7) A licensee shall submit a report to the department pursuant to
18 this paragraph on a form prescribed by the commissioner, said form shall
19 be made publicly available on the department's website.

20 c. All reports submitted pursuant to this subdivision shall be consid-
21 ered part of the investigatory file and shall be confidential pursuant
22 to subdivision eight of section sixty-five thousand ten of this article.

24 convicted of a crime, or is the subject of a determination of profes-
25 sional misconduct and/or an adverse employment action, the department
26 may refer the report to the professional conduct officer for an investi-
27 gation and potential disciplinary action pursuant to section sixty-five
28 hundred ten of this article.

29 e. In the event that a district attorney has knowledge that a licensed
30 professional is convicted of a crime, the district attorney shall
31 provide notice thereof to the commissioner. Upon receipt of a report
32 from a district attorney that a licensee has been convicted of a crime,
33 the department may refer the report to the professional conduct officer
34 for an investigation and potential disciplinary action under the appli-
35 cable provisions of section sixty-five hundred ten of this article.

36 f. Upon notification that a licensee has been convicted of a crime
37 under this section, the department may request a criminal history record
38 from the division of criminal justice services, and the division of
39 criminal justice services shall forward such criminal history record to
40 the department in a timely manner. The consideration of a criminal
41 history record by the department shall be subject to article twenty-
42 three-A of the correction law.

29 i. Whenever the commissioner or his or her designee determines after
30 an investigation and a recommendation by the professional conduct offi-
31 cer that a licensee or a registered entity is causing or engaging in
32 conduct which constitutes an imminent danger to the public health and/or
33 safety and that it would be prejudicial to delay action until an oppor-

35 with the provisions of subdivision three of this section; the commis-
36 sioner or his or her designee may order the licensee or registered enti-

38 include the suspension of any privileges to practice the profession
39 pursuant to this article in the state of New York, immediately. Except
40 as provided in subparagraph ii of this paragraph, such summary suspen-
41 sion may remain in effect until a final determination is made pursuant
42 to this subdivision. Notwithstanding any other provision of law to the
43 contrary, a summary order shall be public upon issuance.

44 ii. The commissioner may at any time, before a final determination is
45 made under this subdivision, vacate such summary suspension order
46 pursuant to this subdivision if he or she, in his or her opinion, is
47 presented with clear and convincing evidence that the licensee or regis-
48 tered entity is no longer an imminent danger to the health and/or safe-
49 ty of the public.

50 b. Summary suspension proceedings.

51 i. Summary suspension proceedings shall be commenced by service of the

53 justify the summary suspension, which shall be served on the licensee
54 or registered entity pursuant to paragraph f of subdivision one of this
55 section.

1 ii. Within ten days from the date of service of the summary order and
2 statement of charges, the department shall schedule a hearing before a

52 constituted an imminent danger to the public health and/or safety of the
53 public and that it would be prejudicial to the public to delay action
54 until an opportunity for a final disciplinary hearing pursuant to
55 subdivision three of this section can be held or if the summary suspen-
56 sion shall be lifted immediately.

1 e. The public health and safety committee shall have fifteen days from

7 forward such recommendation to the board of regents.

8 f. At its next regularly scheduled meeting or at a special meeting,
9 the board of regents shall consider the recommendation of the public
10 health and safety committee and the record before the public health and
11 safety discipline committee, and make a final determination as to
12 whether the licensee's summary suspension shall be continued or modified
13 until completion of a final disciplinary proceeding can be held pursuant
14 to subdivision three of this section or whether his or her summary
15 suspension shall be lifted immediately.
