Introduced by Sens. AVELLA, KLEIN, SAVINO -- read twice and ordered printed, and when printed to be committed to the Committee on Labor

AN ACT to amend the workers' compensation law, in relation to authorizing care and treatment of injured employees by licensed clinical social workers

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1	Section 1. The workers' compensation law is amended by adding a new
2	section 13-p to read as follows:
3	<u>§ 13-p. Care and treatment of injured employees by licensed clinical</u>
4	social workers. 1. For the purposes of this section, "chair" shall mean
5	the chair of the board.
б	2. (a) An injured employee, injured under circumstances which make
7	such injury compensable under this article, may lawfully be treated,
8	upon the referral of an authorized physician, by a licensed clinical
9	social worker, licensed pursuant to article one hundred fifty-four of
10	the education law, authorized by the chair to render licensed clinical
11	social work services pursuant to this section. Such services shall be
12	within the scope of such licensed clinical social workers' specialized
13	training and qualifications as defined in article one hundred fifty-four
14	of the education law. Licensed clinical social workers authorized by the
15	chair to provide services pursuant to this section, shall not be author-
16	ized to perform independent medical examinations, except for independent
17	medical examinations related to the need for licensed clinical social
18	work services.
19	(b) Medical bureaus, medical centers jointly operated by labor and
20	management representatives, hospitals and health maintenance organiza-
21	tions, authorized to provide medical care pursuant to section thirteen-c
22	of this chapter, may provide licensed clinical social work services when

23 required, upon the referral of an authorized physician, provided such

1	care is rendered by a duly licensed and authorized clinical social work-
2	er, as required by this section.
3	(c) A licensed clinical social worker rendering service pursuant to
4	this section shall maintain records of the patient's condition and clin-
5	ical social work treatment, and such records or reports shall be submit-
б	ted to the chair on such forms and at such times as the chair may
7	require.
8	3. A licensed clinical social worker, licensed to practice licensed
9	clinical social work in this state, who is desirous of being authorized
10	to render licensed clinical social work services under this section
11	and/or to conduct independent medical examinations in accordance with
12	paragraph (b) of subdivision four of this section shall file an applica-
13	tion for authorization under this section with the clinical social work
14	practice committee. The applicant shall agree to refrain from subse-
15	quently treating for remuneration, as a private patient, any person
16	seeking licensed clinical social work services, or submitting to an
17	independent medical examination, in connection with, or as a result of,
18	any injury compensable under this chapter, if he or she has been removed
19	from the list of licensed clinical social workers authorized to render
20	licensed clinical social work services under this chapter. This agree-
20	ment shall run to the benefit of the injured person so treated, and
22	shall be available as a defense in any action by such licensed clinical
23	social worker for payment for treatment rendered by such licensed clin-
24	ical social worker after being removed from the list of licensed clin-
25	ical social workers authorized to render licensed clinical social work
26	services or to conduct independent medical examinations under this
27	section. The clinical social work practice committee if it deems such
28	licensed clinical social worker duly qualified shall recommend to the
29	chair that such person be authorized to render licensed clinical social
30	work services and/or to conduct independent medical examinations under
31	this section. Such recommendations shall be only advisory to the chair
32	and shall not be binding or conclusive. The chair shall prepare and
33	establish a schedule for the state or schedules limited to defined
34	localities of charges and fees for licensed clinical social work
35	services, to be determined in accordance with and be subject to change
36	pursuant to rules promulgated by the chair. Before preparing such sched-
37	ule for the state or schedules for limited localities the chair shall
38	request the clinical social work practice committee to submit to such
39	chair a report on the amount of remuneration deemed by such committee to
40	be fair and adequate for the types of licensed clinical social work
41	services to be rendered under this chapter, but consideration shall be
42	given to the view of other interested parties. The amounts payable by
43	the employer for such treatment and services shall be the fees and
44	charges established by such schedule.
45	<u>4. (a) No claim for licensed clinical social work services shall be</u>
	valid and enforceable as against the employer or employees unless within
46 47	forty-eight hours following the first treatment the licensed clinical
	social worker giving such care or treatment furnishes to the employer
48	
49 50	and directly to the chair a preliminary notice of such injury and treat-
50 51	ment, and within fifteen days thereafter a more complete report and
51 52	subsequent thereto progress reports as requested in writing by the
52 52	chair, board, employer or insurance carrier, at intervals of not less
53 54	than three weeks apart or at less frequent intervals if requested on
54 55	forms prescribed by the chair. The board may excuse the failure to give such notices within the designated periods when it finds it to be in the
55 56	
56	<u>interest of justice to do so.</u>

1	(b) Upon receipt of the notice provided for by paragraph (a) of this
2	subdivision, the employer, the carrier, and the claimant each shall be
3	entitled to have the claimant examined by a qualified licensed clinical
4	social worker, authorized by the chair in accordance with subdivision
5	three of this section and section one hundred thirty-seven of this chap-
б	ter, at a medical facility convenient to the claimant and in the pres-
7	ence of the claimant's licensed clinical social worker, and refusal by
8	the claimant to submit to such independent medical examination at such
9	time or times as may reasonably be necessary in the opinion of the board
10	shall bar the claimant from recovering compensation, for any period
11	during which he or she has refused to submit to such examination.
12	(c) Where it would place an unreasonable burden upon the employer or
13	carrier to arrange for, or for the claimant to attend, an independent
14	medical examination by an authorized licensed clinical social worker,
15	the employer or carrier shall arrange for such examination to be
16	performed by a qualified licensed clinical social worker in a medical
17	facility convenient to the claimant.
18	(d) The independent licensed clinical social work examiner licensed by
19	this state shall provide such reports and shall submit to investigation
20	as required by the chair.
20 21	
	(e) In order to qualify as admissible medical evidence, for purposes
22	of adjudicating any claim under this chapter, any report submitted to
23	the board by an independent licensed clinical social work examiner
24	licensed by this state shall include the following:
25	(i) a signed statement certifying that the report is a full and truth-
26	ful representation of the independent licensed clinical social work
27	examiner's professional opinion with respect to the claimant's condi-
28	tion,
