4. Printed forms of applications for absentee ballots in accordance with the requirements of this section shall be provided by the board of elections. An appropriate number shall be retained by the board of elections for the purpose of furnishing an application form to each qualified voter who applies therefor before the board of elections, either in person or by mail, and an appropriate number shall be delivered to each board of inspectors on registration days with the election supplies, and the board of inspectors shall retain the completed and unused applications and return them to the board of elections with their election supplies and an appropriate number shall be available for distribution to officers of political parties, county clerks, city, town and village clerks, colleges, libraries, hospitals, nursing homes, senior citizens centers and any other convenient distribution source which is approved by the local or state board of elections and which requests such forms.

(a) Any voter who is duly registered and whose registration records are marked "Hospitalized Veteran" or "Hospitalized Veteran's Relative" need not thereafter make application for an absentee ballot. Sixty days before each election, the board of elections shall compile and send a list to each veterans health administration hospital of all residents and patients of veterans health administration hospitals who appear by the records of such board to be "hospitalized veterans" entitled to receive absentee ballots at each such hospital pursuant to the provisions of this section. Each veterans health administration hospital shall no later than fifteen days following the receipt of such list, return it with notations made thereon showing whether the resident or patient continues to be confined therein or has been discharged therefrom. Upon the receipt of such returned list from each veterans health administration hospital with the proper notations showing that a "hospitalized veteran" continues to be confined in such hospital, the board of elections, by mail addressed to such "hospitalized veteran" at his or her last known hospital address and by mail addressed to such "hospitalized veteran's relative" at his or her last known address shall send an absentee ballot for the ensuing election to such "hospitalized veteran" and such "hospitalized veteran's relative" [~~an absentee ballot in the same manner as provided in this section for a qualified voter entitled to an absentee ballot because of permanent disability~~]. (b) If the returned list from a veterans' administration hospital contains a notation showing that a "hospitalized veteran" is no longer a resident or patient at the veterans health administration hospital where he or she is recorded as staying, or if such letter containing an absentee voter's ballot for a "hospitalized veteran" or a "hospitalized veteran's relative" is returned by the post office as undeliverable, the board of elections shall ascertain whether the "hospitalized veteran" or "hospitalized veteran's relative" is residing at the address given on his or her registration records as his or her permanent address. If he or she is residing there, the board shall [~~not~~] send him or her [~~any further absentee ballots unless he or she applies therefor in the regular way~~] **an absentee ballot at such address**. If he or she is not residing at the place of residence given on his or her registration records but the board ascertains that he or she has been transferred to another veterans health administration hospital, the board shall cause a central board of registration to make the necessary changes of temporary address

on his or her registration records and shall continue sending him or her absentee ballots at the veterans health administration hospital where he or she is staying. If he or she is not residing at the place of residence given on his or her registration records and the board cannot ascertain that he or she has been transferred to another veterans health administration hospital, the board shall cancel his or her registration. Whenever a registration is cancelled pursuant to this paragraph notice shall be mailed to the veteran or his or her relative at his or her permanent residence address and last temporary address.

2. The board of elections shall furnish to each party county chairman in such county a list of the names and residence addresses of the hospitalized veterans and hospitalized veterans' relatives to whom absentee ballots have been sent.

If the ballot or ballots are to be sent outside of the United States to a country other than Canada or Mexico, such ballot or ballots shall be sent by air mail. However, if [~~an applicant who is eligible for an absentee ballot~~] **a voter** is a resident of a facility operated or licensed by, or under the jurisdiction of, the department of mental hygiene, or a resident of a facility defined as a nursing home or residential health care facility pursuant to subdivisions two and three of section two thousand eight hundred one of the public health law, or a resident of a hospital or other facility operated by the Veteran's Administration of the United States, such absentee ballot need not be so mailed or delivered to any such applicant but, may be delivered to the voter in the manner prescribed by section 8-407 of this chapter if such facility is located in the county or city in which such voter is eligible to vote.

§ 5-714. Computerized statewide voter registration list. 1. The New York state board of elections shall, within one year of the effective date of this section implement, in a uniform and nondiscriminatory manner, a single, uniform, official, centralized, interactive, computerized statewide voter registration database system. Such database system shall be defined, maintained, and administered at the state level and shall contain the voter registration lists maintained by each county board of elections. Further, such database system shall contain the name and registration information of every legally registered voter in the state and shall assign a unique identifier to each legally registered voter. The single, uniform, official, centralized, interactive, computerized statewide voter registration database system required by this section shall be referred to as the "centralized statewide registration system".

2. The centralized statewide registration system and the computerized statewide voter registration list shall be fully compliant with all applicable requirements specified in section 303 of the federal "Help America Vote Act of 2002", Pub.L. 107-252, codified at 42 U.S.C. sec. 15301 et seq and shall meet all applicable privacy requirements under this chapter.

3. Within two years of the effective date of this section each county board of elections shall maintain voter registration information by utilizing the centralized statewide registration system developed or acquired by the state board of elections under subdivision one of this section. Prior to the implementation of the computerized statewide voter registration list required by subdivision one of this section, if the county chooses to maintain voter registration information on its own computer system, the information required by law to be transmitted to the New York state board of elections shall be transmitted in a media format acceptable to the New York state board of elections and within the time prescribed by the New York state board of elections.

4. (a) The centralized statewide registration system shall enable the state board of elections to maintain voter registration information and shall include such additional capabilities as may be necessary or desirable to enable the county boards of elections and the state board of elections to carry out their responsibilities related to the conduct of elections. Such additional capabilities may include but need not be limited to the preparation of ballots, the identification of voting districts for each address, access by county boards of elections to the master list of registered electors.

(b) Within two years of the effective date of this section the computerized statewide voter registration list maintained pursuant to this section shall allow for:

(i) the management of absentee ballots, the preparation of official abstracts of votes cast, the transmission of voting data from county boards of election to the state board of elections, and reporting of voting results on election night; and

(ii) access to the digitized signatures of electors in the centralized statewide registration system for the purpose of comparing an elector's signature in the system with the signature on the return envelope of an absentee ballot, including by using a signature verification.

5. (a) Subject to available appropriations, the state board of elections is responsible for the cost of acquiring computer hardware and providing necessary training for the centralized statewide registration

system. The state board of elections shall promulgate rules specifying whether such hardware is owned by the state or the counties or whether and to what extent ownership may be shared between the state and the counties. If the state provides system hardware to any county, it may transfer ownership of the hardware to that county. The state board of elections may promulgate rules providing that the county shall be solely responsible for the support and maintenance of the hardware provided to the counties.

(b) Within four years of the effective date of this section the state board of elections shall make the centralized statewide registration system software available at no charge to each county board of elections.

(c) As soon as practicable, the department of state shall make the master list of registered electors available at no charge on the internet to county boards of election. This section shall not be construed to require the state to provide or pay for internet connection services for any county.

§ 10. Section 11-302 of the election law, as amended by chapter 163 of the laws of 2010, is amended to read as follows:

§ 11-302. Special ballots for board of election employees. A person who is an employee of the board of elections or who has been appointed to serve as an inspector of elections, poll clerk or election coordinator at a polling place other than the one at which he or she is registered to vote, may deliver to the inspectors of election of the election district in which he or she is registered, or to the board of elections, at any time during the period in which an application for an absentee ballot may be so delivered pursuant to the provisions of this chapter, a written statement that he or she will be unable to appear at the polling place for such election district on the day of an election because his or her duties as an employee of such board or as an inspector, poll clerk or election coordinator require him or her to be elsewhere. The board of elections shall provide such voter a special ballot [~~not earlier than two weeks before the election and~~] not later than the close of the polls on election day. Absent affirmative proof of fraud such ballots shall be presumed valid and cast. Such cast ballots may be delivered to an office of such board of elections or to any board of inspectors not later than the close of the polls on election day. Such ballots shall be retained at the board of elections and cast and canvassed pursuant to the provisions of section 9-209 of this chapter.

§ 11. Subparagraph (ii) of paragraph (e) of subdivision 3 of section 8-302 of the election law, as amended by chapter 164 of the laws of 2010, is amended to read as follows:

(ii) He or she may swear to and subscribe an affidavit stating that he or she has duly registered to vote, the address in such election district from which he or she registered, that he or she remains a duly qualified voter in such election district, that his or her registration poll record appears to be lost or misplaced or that his or her name and/or his or her signature was omitted from the computer generated registration list or that he or she has moved within the county or city since he or she last registered, [~~the address from which he or she was previously registered and~~] the address at which he or she currently resides, and at a primary election, the party in which he or she is enrolled. The inspectors of election shall offer such an affidavit to each such voter whose residence address is in such election district. Each such affidavit shall substantially comply with and be in a form prescribed by the state board of elections, shall be printed on an

envelope of the size and quality used for an absentee ballot envelope, and shall contain an acknowledgment that the affiant understands that any false statement made therein is perjury punishable according to law. Such form prescribed by the state board of elections shall request information required to register such voter should the county board determine that such voter is not registered and shall constitute an application to register to vote. The voter's name and the entries required shall then be entered without delay and without further inquiry in the fourth section of the challenge report or in the place provided at the end of the computer generated registration list, with the notation that the voter has executed the affidavit hereinabove prescribed, or, if such person's name appears on the computer generated registration list, the board of elections may provide a place to make such entry next to his or her name on such list. The voter shall then, without further inquiry, be permitted to vote an affidavit ballot provided for by this chapter. Such ballot shall thereupon be placed in the envelope containing his or her affidavit, and the envelope sealed and returned to the board of elections in the manner provided by this chapter for protested official ballots, including a statement of the number of such ballots.

§ 12. This act shall take effect immediately.
