10    tax credit.

11    4. "Certificate of tax credit" means the document issued to a partic-  
12    ipant by the department, after the department has verified that the

37    equipment. "Manufacturing" does not include an operation that involves  
38    only the assembly of components, provided, however, the assembly of  
39    motor vehicles or other high value-added products shall be considered  
40    manufacturing.

52    schedule shall indicate the annual amount of the credit a participant  
53    may claim in each of its ten years of eligibility. The preliminary sche-  
54    dule of benefits shall be issued by the department when the department

10 (g) certify, under penalty of perjury, that it is in substantial  
11 compliance with all environmental, worker protection, and local, state,  
12 and federal tax laws.

13 3. After reviewing a business enterprise's completed application and  
14 determining that the business enterprise will meet the conditions set  
15 forth in subdivision three of section four hundred fifty-two of this  
16 article, the department may admit the applicant into the program and  
17 provide the applicant with a certificate of eligibility and a prelimi-  
18 nary schedule of benefits by year based on the applicant's projections  
19 as set forth in its application. This preliminary schedule of benefits  
20 delineates the maximum possible benefits an applicant may receive.

21 4. In order to become a participant in the program, an applicant shall  
22 submit evidence that it satisfies the eligibility criteria specified in  
23 section four hundred fifty-two of this article and subdivision two of  
24 this section in such form as the commissioner may prescribe. After  
25 reviewing such evidence and finding it sufficient, the department shall  
26 certify the applicant as a participant and issue to that participant a  
27 certificate of tax credit for one taxable year. To receive a certificate  
28 of tax credit for subsequent taxable years, the participant must submit  
29 to the department a performance report demonstrating that the partic-  
30 ipant continues to satisfy the eligibility criteria specified in section  
31 four hundred fifty-two of this article and subdivision two of this  
32 section.

33 5. A participant may claim tax benefits commencing in the first taxa-  
34 ble year that the business enterprise receives a certificate of tax  
35 credit or the first taxable year listed on its preliminary schedule of  
36 benefits, whichever is later. A participant may claim such benefits for  
37 the next nine consecutive taxable years, provided that the participant  
38 demonstrates to the department that it continues to satisfy the eligi-  
39 bility criteria specified in section four hundred fifty-two of this  
40 article and subdivision two of this section in each of those taxable  
41 years.

42 § 454. Capital investment jobs retention program credit. 1. A partic-  
43 ipant in the capital investment jobs retention program shall be eligible  
44 to claim a credit for the impacted jobs. The amount of such credit shall  
45 be equal to seventy-five percent of the New York state income taxes  
46 withheld from eligible full-time employees.

47 2. The tax credit established in this section shall be refundable as  
48 provided in the tax law. If a participant fails to satisfy the eligibil-  
49 ity criteria in any one year, it will lose the ability to claim credit  
50 for that year. The event of such failure shall not extend the original  
51 ten-year eligibility period.

52 3. (a) The business enterprise shall be allowed to claim the credit as  
53 prescribed in section forty-three of the tax law; provided, however, a  
54 business enterprise shall not be allowed to claim the credit prior to  
55 tax year two thousand nineteen.

1 (b) Any individual that is a member or employee of a participant may  
2 claim the pro rata share of the credit earned by such participant.

3 4. A participant may be eligible for benefits under this article as  
4 well as article seventeen of this chapter, provided the participant can  
5 only receive benefits pursuant to subdivision two of section three  
6 hundred fifty-five of this chapter for costs in excess of costs recov-  
7 ered by insurance.

8 § 455. Powers and duties of the commissioner. 1. The commissioner  
9 shall promulgate regulations establishing an application process and  
10 eligibility criteria, that will be applied consistent with the purposes  
11 of this article, so as not to exceed the annual cap on tax credits set  
12 forth in section three hundred fifty-nine of this chapter which,  
13 notwithstanding any provisions to the contrary in the state administra-  
14 tive procedure act, may be adopted on an emergency basis. Such regu-  
15 lations shall include, but not be limited to, criteria for determining  
16 whether a business entity is economically sound and possesses the finan-  
17 cial capability to complete the required capital investment and whether  
18 the tax credit provided for in this article is a major factor in the  
19 determination of such business entity to begin, continue and complete  
20 the capital investment project.

21 2. The commissioner shall, in consultation with the department of  
22 taxation and finance, develop a certificate of tax credit that shall be  
23 issued by the commissioner to participants. Participants may be required  
24 by the commissioner of taxation and finance to include the certificate  
25 of tax credit with their tax return to receive any tax benefits under  
26 this article.

27 3. The commissioner shall solely determine the eligibility of any  
28 applicant applying for entry into the program and shall remove any  
29 participant from the program for failing to meet any of the requirements  
30 set forth in subdivision two of section four hundred fifty-three of this  
31 article, or for failing to meet the job retention requirements set forth  
32 in subdivision three of section four hundred fifty-two of this article,  
33 or for failing to meet the requirements of subdivision five of section  
34 four hundred fifty-two of this article.

35 § 456. Maintenance of records. Each participant shall keep all rele-  
36 vant records for the duration of its program participation plus three  
37 years.

38 § 457. Reporting. 1. (a) In order to receive a tax credit certificate  
39 and to maintain eligibility for this tax credit program, the taxpayer  
40 must submit an annual report to the department of taxation and finance  
41 by March first of the year following any year for which the tax credit  
42 is claimed, the first report of which is due March first of the year  
43 following the calendar year in which the investment is completed and the  
44 tax credit begins.

45 (b) Such report shall contain the number of eligible full-time equiv-  
46 alent employees and the amount of income tax withheld from those employ-  
47 ees, and the amounts paid towards the completion of the capital invest-  
48 ment. Once this is verified by the commissioner of taxation and finance,  
49 the commissioner will issue a tax credit certificate to the taxpayer.

50 (c) The participant must then submit the tax credit certificate with  
51 the applicable state tax return. If the tax credit is greater than the  
52 state tax liability, the unused portion may be carried forward up to  
53 three years.

54 (d) Failure to submit a complete and timely annual report will result  
55 in the assessment of a five hundred dollar late fee for each ensuing  
56 calendar month the report remains incomplete or unfiled.

(e) Once the active term of the tax credit ends, a post-term period, length to be determined by the empire state development corporation, will require annual reporting requirements to certify that substantial operations remain at the project site.

2. Each participant must submit a performance report annually, in such form as the commissioner may require, within thirty days of the end of their taxable year.

3. The commissioner shall prepare on a quarterly basis a program report for posting on the department's website. The first report will be due June thirtieth, two thousand twenty, and every three months thereafter. Such report shall include, but not be limited to, the following: number of applicants; number of participants approved; names of participants; total amount of benefits certified; benefits received per participant; total number of retained jobs; and such other information as the commissioner determines.

§ 458. Cap on tax credit. 1. The total amount of tax credits listed on certificates of tax credit issued by the commissioner for any taxable year may not exceed the following amounts:

(a) For 2019, eighteen million dollars.

(b) For 2020, twenty-three million dollars.

(c) For 2021, twenty-eight million dollars.

(d) For 2022, thirty-three million dollars.

2. For each individual project, the empire state development corporation shall approve a schedule for the maximum amount of credits to be issued in a calendar year.

§ 459. Penalties. 1. If a participant fails to maintain the job levels required in subdivision three of section four hundred fifty-two of this article, or in any other way fails to comply with the terms, the empire state development corporation may terminate or reduce the benefits, or may ask for a one hundred percent refund of assistance received.

2. If the participant fails to comply with terms during the post-term reporting period, the empire state development corporation may require a refund of up to seventy-five percent of assistance received.

§ 2. The tax law is amended by adding a new section 43 to read as follows:

§ 43. Capital investment jobs retention program credit. (a) Allowance of credit. A taxpayer subject to tax under article nine-A, twenty-two or thirty-three of this chapter shall be allowed a credit against such tax, pursuant to the provisions referenced in subdivision (e) of this section. The amount of the credit, allowable for ten consecutive tax years, is equal to the amount determined pursuant to section four hundred fifty-four of the economic development law.

(b) Eligibility. To be eligible for the capital investment jobs retention credit, the taxpayer shall have been issued a certificate of tax credit by the department of economic development pursuant to subdivision four of section four hundred fifty-three of the economic development law, which certificate shall set forth the amount of the credit that may be claimed for the taxable year. A taxpayer may claim such credit for up to ten consecutive taxable years commencing in the first taxable year that the taxpayer receives a certificate of tax credit or the first taxable year listed on its preliminary schedule of benefits, whichever is later.

However, a taxpayer shall not be allowed to claim the credit prior to the tax year commencing on or after January first, two thousand nineteen and before January first, two thousand twenty. The taxpayer shall be allowed to claim only the amount listed on the certificate of tax credit

1 for that taxable year. Such certificate, if required by the commission-  
2 er, shall be attached to the taxpayer's return. No cost or expense paid  
3 or incurred by the taxpayer which is included as part of the calculation  
4 of this credit shall be the basis of any other tax credit.

5 (c) Information sharing. (1) Notwithstanding any provision of this  
6 chapter, employees and officers of the department of economic develop-  
7 ment and the department shall be allowed and are directed to share and  
8 exchange:

9 (A) information derived from tax returns or reports that is relevant  
10 to a taxpayer's eligibility to participate in the capital investment  
11 jobs retention program;

12 (B) information regarding the credit applied for, allowed or claimed  
13 pursuant to this section and taxpayers who are applying for the credit  
14 or who are claiming the credit; and

15 (C) information contained in or derived from credit claim forms  
16 submitted to the department and applications for admission into the  
17 capital investment jobs retention program.

18 Except as provided in paragraph two of this subdivision, all informa-  
19 tion exchanged between the department of economic development and the  
20 department shall not be subject to disclosure or inspection under the  
21 state's freedom of information law.

22 (2) Notwithstanding any provision of this chapter, the commissioner or  
23 the commissioner's designee is authorized to release the name of each  
24 taxpayer claiming the credit and the amount of the credit earned by each  
25 taxpayer. However, if the taxpayer claims a credit because the taxpayer  
26 is a member of a limited liability company, a partner in a partnership  
27 or a shareholder in a subchapter S corporation, only the name of a  
28 limited liability company, partnership or subchapter S corporation  
29 participating in the capital investment jobs retention program and the  
30 amount of credit earned by that entity may be released.

31 (d) Credit recapture. If a certificate of eligibility or a certificate  
32 of tax credit issued by the department of economic development under  
33 article twenty-three of the economic development law is revoked by such  
34 department, the amount of credit described in this section and claimed  
35 by the taxpayer prior to that revocation shall be added back to tax in  
36 the taxable year in which any such revocation becomes final.

37 (e) Cross-references. For application of the credit provided for in  
38 this section, see the following provisions of this chapter:

39 (1) article 9-A: section 210-B, subdivision 52;

40 (2) article 22: section 606, subsection (ccc);

41 (3) article 33, section 1511, subdivision (dd).

42 § 3. Section 210-B of the tax law is amended by adding a new subdivi-  
43 sion 52 to read as follows:

44 52. Capital investment jobs retention program credit. (a) Allowance of  
45 credit. A taxpayer will be allowed a credit, to be computed as provided  
46 in section forty-three of this chapter, against the taxes imposed by  
47 this article.

48 (b) Application of credit. The credit allowed under this subdivision  
49 for any taxable year will not reduce the tax due for such year to less  
50 than the minimum tax fixed by this article. However, if the amount of  
51 credit allowed under this subdivision for any taxable year reduces the  
52 tax to such amount, any amount of credit thus not deductible in such  
53 taxable year will be treated as an overpayment of tax to be credited or  
54 refunded in accordance with the provisions of section one thousand  
55 eighty-six of this chapter. Provided, however, the provisions of

1 subsection (c) of section one thousand eighty-eight of this chapter  
2 notwithstanding, no interest will be paid thereon.

3 § 4. Section 606 of the tax law is amended by adding a new subsection  
4 (ccc) to read as follows:

5 (ccc) Capital investment jobs program retention credit. (1) Allowance  
6 of credit. A taxpayer shall be allowed a credit, to be computed as  
7 provided in section forty-three of this chapter, against the tax imposed  
8 by this article.

9 (2) Application of credit. If the amount of the credit allowed under  
10 this subsection for any taxable year exceeds the taxpayer's tax for such  
11 year, the excess will be treated as an overpayment of tax to be credited  
12 or refunded in accordance with the provisions of section six hundred  
13 eighty-six of this article, provided, however, that no interest will be  
14 paid thereon.

15 § 5. Subparagraph (B) of paragraph 1 of subsection (i) of section 606  
16 of the tax law is amended by adding a new clause (xliii) to read as  
17 follows:

18 <u>(xliii) Capital investment</u>	<u>Amount of credit under subdivision</u>
19 <u>jobs retention program credit</u>	<u>fifty-two of section two hundred</u>
20	<u>ten-B</u>

21 § 6. Section 1511 of the tax law is amended by adding a new subdivi-  
22 sion (dd) to read as follows:

23 (dd) Capital investment jobs retention program credit. (1) Allowance  
24 of credit. A taxpayer shall be allowed a credit, to be computed as  
25 provided in section forty-three of this chapter, against the taxes  
26 imposed by this article.

27 (2) Application of credit. The credit allowed under this subdivision  
28 for any taxable year will not reduce the tax due for such year to less  
29 than the minimum tax fixed by this article. However, if the amount of  
30 credit allowed under this subdivision for any taxable year reduces the  
31 tax to such amount, any amount of credit thus not deductible in such  
32 taxable year will be treated as an overpayment of tax to be credited or  
33 refunded in accordance with the provisions of section one thousand  
34 eighty-six of this chapter. Provided, however, the provisions of  
35 subsection (c) of section one thousand eighty-eight of this chapter  
36 notwithstanding, no interest will be paid thereon.

37 § 7. This act shall take effect immediately; provided however that  
38 sections two, three, four, five and six of this act shall apply to taxa-  
39 ble years beginning on and after January 1, 2019.
