3 to read as follows:

5 alleging child abuse or maltreatment and of immediately identifying
6 prior reports of child abuse or maltreatment and capable of monitoring
7 the provision of child protective service twenty-four hours a day, seven
8 days a week. To effectuate this purpose, but subject to the provisions
9 of the appropriate local plan for the provision of child protective
10 services, there shall be a single statewide telephone number that all
11 persons, whether mandated by the law or not, may use to make telephone
12 calls alleging child abuse or maltreatment and that all persons so
13 authorized by this title may use for determining the existence of prior
14 reports in order to evaluate the condition or circumstances of a child.
15 In addition to the single statewide telephone number, there shall be a
16 special unlisted express telephone number and a telephone facsimile
17 number for use only by persons mandated by law to make telephone calls,
18 or to transmit telephone facsimile information on a form provided by the
19 commissioner of children and family services, alleging child abuse or
20 maltreatment, and for use by all persons so authorized by this title for

1 central registry involving the subject of such report or children named
2 in such report, including any previous report containing allegations of
3 child abuse and maltreatment alleged to have occurred in other counties
4 and districts in New York state shall be immediately transmitted orally
5 or electronically by the office of children and family services to the
6 appropriate local child protective service for investigation. The
7 inability of the person calling the register to identify the alleged
8 perpetrator shall, in no circumstance, constitute the sole cause for the
9 register to reject such allegation or fail to transmit such allegation
10 for investigation. If the records indicate a previous report concerning
11 a subject of the report, the child alleged to be abused or maltreated, a
12 sibling, other children in the household, other persons named in the
13 report or other pertinent information, the appropriate local child
14 protective service shall be immediately notified of the fact. If the
15 report involves either (i) an allegation of an abused child described in
16 paragraph (i), (ii) or (iii) of subdivision (e) of section one thousand
17 twelve of the family court act or sexual abuse of a child or the death
18 of a child or (ii) suspected maltreatment which alleges any physical
19 harm when the report is made by a person required to report pursuant to
20 section four hundred thirteen of this title within six months of any
21 other two reports that were indicated, or may still be pending, involv-
22 ing the same child, sibling, or other children in the household or the
23 subject of the report, the office of children and family services shall
24 identify the report as such and note any prior reports when transmitting
25 the report to the local child protective services for investigation.
26 The office of children and family services shall immediately determine
27 and then notify the appropriate local child protective services if a
28 subject of an allegation of child abuse or maltreatment is the operator
29 of a licensed or registered child care facility, or any similar facility
30 that receives funding pursuant to title five-C of article six of this
31 chapter, or if any person named in a report is a known sex offender or
32 to have previously been the subject of an indicated report of abuse or
33 neglect. Such notice to the local child protective services shall take
34 place at the time that the office of children and family services trans-
35 mits the report of suspected child abuse or neglect required by this
36 subdivision.

37 § 2. This act shall take effect immediately.
