32 a chapter of the laws of New York as described therein.

33 b-3. Two thousand seventeen--two thousand eighteen foundation aid.
34 Notwithstanding any inconsistent provision of law to the contrary, for
35 the two thousand seventeen--two thousand eighteen school year a school
36 district shall be eligible to receive total foundation aid equal to the
37 greater of (A) the sum of the amount designated on the data file
38 produced by the commissioner in support of the executive budget for the

43 schools payment, as computed pursuant to this paragraph, or (B) the
44 product of total foundation aid payable for the two thousand sixteen--
45 two thousand seventeen school year multiplied by twenty-two thousandths
46 (0.022), subject to the maximum increase as computed pursuant to this
47 paragraph.

48 (1) Community schools payment. The community schools payment, for any
49 district that has an allocation as set forth as "COMMUNITY SCH INCR" in
50 the data file produced by the commissioner in support of the executive
51 budget for the two thousand seventeen--two thousand eighteen school year
52 and entitled "BT1718", shall equal the sum of tier one plus tier two.

53 (A) Tier one, for school districts where the quotient arrived at by
54 dividing the English language learner count pursuant to paragraph o of
55 subdivision one of this section by the public school district enrollment
56 pursuant to paragraph n of subdivision one of this section is less than

1 one hundred twenty-five one-thousandths (0.125) and the state sharing
2 ratio for total foundation aid pursuant to paragraph q of subdivision
3 three of this section is less than five hundred twelve one-thousandths
4 (0.512), shall equal the maximum of (i) the product of public school
5 district enrollment multiplied by thirty-two dollars (\$32.00), or (ii)
6 the product of public school district enrollment multiplied by one
7 hundred sixty-nine dollars and forty cents (\$169.40) multiplied by the
8 difference of the quotient of the number of persons aged five to seven-
9 teen within the school district, based on the most recent decennial
10 census as tabulated by the national center on education statistics, who
11 were enrolled in public schools and whose families had incomes below the
12 poverty level, divided by the total number of persons aged five to
13 seventeen within the school district, based on such decennial census,
14 who were enrolled in public schools, computed to four decimals without
15 rounding less one one-hundredth (0.01).

16 (B) Tier two, for any district eligible for the community schools
17 payment but not eligible for tier one, shall equal the maximum of (i)
18 the product of public school enrollment multiplied by twenty-six dollars
19 (\$26.00) or (ii) the product of public school district enrollment multi-
20 plied by ten dollars (\$10.00) multiplied by the sum of the state sharing
21 ratio for total foundation aid plus the quotient arrived at when divid-
22 ing the difference of five minus the pupil wealth ratio for total foun-
23 dation aid computed pursuant to paragraph a of subdivision three of this
24 section by the sum of two.

25 (2) English language learner payment. For school districts not located
26 in a city having a population of one hundred twenty-five thousand or
27 more, and (A) three-year average free and reduced price lunch percent
28 computed pursuant to subparagraph (ii) of paragraph p of subdivision one
29 of this section greater than one hundred fifteen one-thousandths
30 (0.115), (B) a combined wealth ratio for total foundation aid computed
31 pursuant to paragraph c of subdivision three of this section of less
32 than one and three hundredths (1.03), and (C) where the quotient when
33 arrived at by dividing the English language learner count pursuant to
34 paragraph o of subdivision one of this section by the public school
35 district enrollment pursuant to paragraph n of subdivision one of this
36 section is greater than two hundred eighty-five ten-thousandths
37 (0.0285), the English language learner payment shall equal the product
38 of public school district enrollment multiplied by sixty dollars
39 (\$60.00).

40 (3) Small cities payment. For all school districts that were desig-
41 nated as small city school districts or central school districts whose
42 boundaries include a portion of a small city for the school aid computer
43 listing produced by the commissioner in support of the enacted budget
44 for the two thousand fourteen--two thousand fifteen school year and
45 entitled "SA1415" (A) that are not eligible for the English language
46 learner payment pursuant to this paragraph, the small cities payment
47 shall equal the product of public school district enrollment multiplied
48 by sixty dollars (\$60.00), and (B) that are eligible for such English
49 language learner payment, the small cities payment shall equal the prod-
50 uct of public school district enrollment multiplied by thirty dollars
51 (\$30.00).

52 (4) Sparsity payment. For school districts (A) operating a kindergar-
53 ten through grade twelve school program with a positive quotient, if
54 any, computed to three decimals without rounding, of the positive
55 remainder of twenty-five (25) minus the enrollment per square mile
56 divided by fifty and nine-tenths (50.9), (B) a combined wealth ratio of

1 less than six-tenths (0.6), and (C) not eligible for the English
2 language learner payment pursuant to this paragraph, the sparsity
3 payment shall equal the product of public school district enrollment
4 multiplied by fifty-five dollars (\$55.00).

5 (5) Large city payment. For a school district located in a city with a
6 population of one million or more, the large city payment shall equal
7 ninety-nine million two hundred thousand dollars.

8 (6) Additional small schools payment. For a school district not
9 located in a city having a population of one hundred twenty-five thou-
10 sand or more, the additional small schools payment shall equal the sum
11 of (A) the product of five one-thousandths (0.005) multiplied by the
12 total foundation aid payable in the two thousand sixteen--two thousand
13 seventeen school year plus (B) the quotient arrived at when dividing the
14 payment factor by the expense per pupil computed pursuant to paragraph f
15 of subdivision one of this section. The payment factor shall equal the
16 product of public school district enrollment multiplied by two hundred
17 twenty-six thousand five hundred dollars (226,500.00) multiplied by
18 calculation one multiplied by calculation two. Calculation one shall
19 equal the product of two multiplied by one minus the product of the
20 local tax factor multiplied by the income wealth index. Calculation two
21 shall equal the difference of ten minus the quotient arrived at when
22 dividing the combined wealth ratio for total foundation aid computed
23 pursuant to paragraph c of subdivision three of this section divided by
24 two and nine-tenths (2.9).

25 (7) Maximum increase. Notwithstanding any inconsistent provision of
26 this paragraph to the contrary, no school district shall receive total
27 foundation aid for the two thousand seventeen--two thousand eighteen
28 school year in excess of the product of total foundation aid payable in
29 the two thousand sixteen--two thousand seventeen school year multiplied
30 by (A) for districts eligible for any of the community schools payment,
31 the English language learner payment, the small cities payment, or the
32 sparsity payment as computed pursuant to this paragraph, sixteen
33 hundredths (0.16), and (B) for all other districts, twelve hundredths
34 (0.12).

35 § 1-a. Paragraph e of subdivision 4 of section 3602 of the education
36 law, as added by section 8 of part A of chapter 54 of the laws of 2016,
37 is amended to read as follows:

38 e. Community schools aid set-aside. Each school district [~~shall~~] may
39 set aside from its total foundation aid computed for the current year
40 pursuant to this subdivision an amount equal to [~~the following amount,~~
41 ~~if any, for such district and shall~~] the sum of (i) the amount, if any,
42 set forth for such district as "COMMUNITY SCHL AID (BT1617)" in the data
43 file produced by the commissioner in support of the enacted budget for
44 the two thousand sixteen--two thousand seventeen school year and enti-
45 tled "SA161-7" and (ii) the amount, if any, of the community schools
46 payment computed pursuant to subparagraph one of paragraph b-3 of this
47 subdivision. Each school district may use [~~the~~] such "COMMUNITY SCHL AID
48 (BT1617)" amount [~~so set aside~~] to support the transformation of school
49 buildings into community hubs to deliver co-located or school-linked
50 academic, health, mental health, nutrition, counseling, legal and/or
51 other services to students and their families, including but not limited
52 to providing a community school site coordinator, or to support other
53 costs incurred to maximize students' academic achievement[+]. Each
54 school district may use such community schools payment amount to support
55 the transformation of school buildings into community hubs to deliver
56 co-located or school linked academic, health, mental health services and

personnel, afterschool programming, dual language programs, nutrition, counseling, legal and/or other services to students and their families, to maximize student achievement, including but not limited to, providing a community school site coordinator and programs for English language learners, provided further that a school district whose community schools payment amount exceeds one million dollars (\$1,000,000) may use an amount equal to the greater of one hundred fifty thousand dollars (\$150,000) or ten percent of such community schools payment amount to support such transformation at additional schools with extraordinary high levels of student need as identified by the commissioner, subject to the approval of the director of the budget.

PART A-2

Section 1. Short title. This act shall be known and may be cited as "Erin Merryn's law".

§ 2. Legislative findings and intent. The legislature finds and declares that child sexual abuse, estimated to affect up to one in four girls and up to one in six boys, poses a grave threat to the health and safety of young people, and its damaging effects can last a lifetime.

The legislature also finds and declares that child sexual exploitation, including the use of children in pornography and prostitution, and child abduction pose a similar threat to the health and safety of young people, and put child victims at grave risk of death or severe bodily harm.

The legislature also finds and declares that the incidence of child sexual abuse, child sexual exploitation and child abduction can be reduced by raising awareness among young children of common dangers and warning signs, empowering children to better protect themselves from sexual predators, and teaching children how to obtain any necessary assistance or services.

It is hereby declared to be the public policy and in the public interest of this state to establish a comprehensive program to provide an age-appropriate course of instruction in the prevention of child abduction, child sexual exploitation and child sexual abuse.

§ 3. Section 305 of the education law is amended by adding a new subdivision 56 to read as follows:

56. a. The commissioner shall make recommendations to the regents relating to instruction to prevent child sexual exploitation and child abuse in grades kindergarten through eight.

b. Prior to making the recommendations to the regents, the commissioner shall:

(i) seek the recommendations of teachers, school administrators, teacher educators and others with educational expertise in the proposed curriculum;

(ii) seek comment from parents, students and other interested parties;

(iii) consider the amount of instructional time such curriculum will require and whether such time would detract from other mandated courses of study;

(iv) consider the fiscal impact, if any, on the state and school districts; and

(v) consider any additional factors the commissioner deems relevant.

c. No later than one hundred eighty days after the effective date of this subdivision, the commissioner shall provide a recommendation to the regents to either adopt and promulgate appropriate rules and regulations implementing such curriculum or reject the implementation of such curriculum. Upon receiving a recommendation from the commissioner, pursuant to this subdivision, the regents shall vote to either accept or reject the commissioner's recommendation no later than sixty days after receiving such recommendation.

d. If the regents adopt such curriculum, the curriculum requirement shall take effect no later than the next school year after such curriculum has been adopted.

e. If the regents reject such curriculum, the commissioner shall provide a report as to the determination of the regents to the governor, the temporary president of the senate, the speaker of the assembly and the chairs of the senate and assembly committees on education providing the reasons for such rejection not later than thirty days after the regents reject such curriculum.

§ 4. This act shall take effect immediately.

1 reserve fund shall cause the balance of the fund to exceed the amount
2 approved in the ballot proposal pursuant to this section.

3 (b) Moneys may be withdrawn from the energy system tax stabilization
4 reserve fund for any fiscal year to be expended for any lawful purpose.
5 Withdrawals from the fund shall be disclosed in a manner consistent with

11 [~~g.~~] h. Where the school of origin is a charter school, the school

13 the school district of residence of such child for purposes of fiscal
14 and programmatic responsibility under article fifty-six of this chapter
15 and shall be responsible for transportation of the homeless child if a
16 social services district is not otherwise responsible pursuant to subdi-

18 i. The commissioner shall promulgate regulations setting forth the
19 circumstances pursuant to which a change in designation may be made and
20 establishing a procedure for the identification of the school district

31 3. Reimbursement.

32 a. Where either the school district of current location or a school

51 certification by the commissioner, the comptroller shall deduct from any
52 state funds which become due to the school district of origin an amount
53 equal to the reimbursement required to be made by such school district
54 in accordance with this paragraph, and the amount so deducted shall not

48 subdivision two of this section ~~[outside of the district in which such~~
49 ~~child is housed]~~, shall be entitled to receive such transportation
50 pursuant to this paragraph. ~~[If the]~~ The designated ~~[school district~~

7 remainder of the school year in which the child becomes permanently
8 housed and one additional year if that year constitutes the child's
9 terminal year in the designated school. Such transportation shall not be
10 in excess of fifty miles each way except where the commissioner certi-

55 the aggregate amount of such deficiency.

(vi) The contractor certified payroll report shall be submitted by each contractor and sub-contractor no later than ninety days after the completion of construction work by such contractor or sub-contractor. In the event that a contractor or sub-contractor fails or refuses to submit the contractor certified payroll report within the time prescribed in this subparagraph, the independent monitor shall notify the agency and the agency shall be authorized to fine such contractor or sub-contractor in the amount of one thousand dollars per week, or any portion thereof, provided that the maximum fine shall be seventy-five thousand dollars.

(vii) In the event that the project-wide certified payroll report shows that the average hourly wage as required by subparagraph (ii) or (iii) of this paragraph, as applicable, was not paid, (A) if the average hourly wage is within fifteen percent of the average hourly wage required by subparagraph (i) or (ii) of this paragraph, as applicable, then no later than one hundred twenty days from the date of submission of such project-wide certified payroll report, the applicant shall pay to the third party fund administrator an amount equal to the amount of the deficiency set forth in the project-wide certified payroll report. The third party fund administrator shall distribute such payment to the construction workers who performed construction work on such eligible site. Prior to making such repayment, the third party fund administrator shall submit to the agency a plan subject to the agency's approval setting forth the manner in which the third party fund administrator will reach the required average wage within one hundred fifty days of receiving the payment from the applicant and how any remaining funds will be disbursed in the event that the third party fund administrator cannot distribute the funds to the construction workers within one year of receiving agency approval. In the event that the applicant fails to make such payment within the time period prescribed in this subparagraph, the applicant shall be subject to a fine of one thousand dollars per week provided that the maximum fine shall be seventy-five thousand dollars; or (B) if the average hourly wage is more than fifteen percent below the minimum average hourly wage required by subparagraph (i) or (ii) of this paragraph, as applicable, then no later than one hundred twenty days from the date of submission of such project-wide certified payroll report, the applicant shall pay to the third party fund administrator an amount equal to the amount of the deficiency set forth in the project-wide payroll report. The third party fund administrator shall distribute such payment to the construction workers who performed construction work on such eligible site. Prior to making such repayment, the third party fund administrator shall submit to the agency a plan subject to the agency's approval setting forth the manner in which the third party fund administrator will reach the required average wage within one hundred fifty days of receiving the payment from the applicant and how any remaining funds will be disbursed in the event that the third party fund administrator cannot distribute the funds to the construction workers within one year of receiving agency approval. In addition, the agency shall impose a penalty on the applicant in an amount equal to twenty-five percent of the amount of the deficiency, provided, however, that the agency shall not impose such penalty where the eligible multiple dwelling has been the subject of a job action which results in a work delay. Any payments received by the agency pursuant to this subparagraph shall be used to provide affordable housing. 3 respect whatsoever for any payments, fines or penalties related to or
4 resulting from contractor fraud, mistake, or negligence or for fraudu-

7 however, that payment to the third party fund administrator in the
8 amount set forth in the project-wide certified payroll report as
9 described in this subparagraph shall still be made by the contractor or
10 sub-contractor in the event of underpayment resulting from or caused by
11 the contractor or sub-contractor, and that the applicant will be liable
12 for underpayment to the third party administrator unless the agency
13 determines, in its sole discretion, that the underpayment was the result
14 of, or caused by, contractor fraud, mistake or negligence and/or for
15 fraudulent or inaccurate contractor certified payroll reports and/or
16 project-wide certified payroll reports. The applicant shall otherwise
17 not be liable in any way whatsoever once the payment to the third party
18 fund administrator has been made in the amount set forth in the
19 project-wide certified payroll report.

20 (viii) Nothing in this paragraph shall be construed to confer a
21 private right of action to enforce the provisions of this paragraph,
22 provided, however, that this sentence shall not be construed as a waiver
23 of any existing rights of construction workers or their representatives
24 related to wage and benefit collection, wage theft or other labor
25 protections or rights and provided, further, that nothing in this para-
26 graph relieves any obligations pursuant to a collective bargaining

Such requirements may include, but need not be limited to, retaining a monitor approved by the agency and paid for by the owner.

(xi) Notwithstanding any provision of this subdivision to the contrary, a market unit shall be subject to rent stabilization unless, in the absence of ~~[421-a]~~ Affordable New York Housing Program benefits, the owner would be entitled to remove such market unit from rent stabilization upon vacancy by reason of the monthly rent exceeding any limit established thereunder.

10 MOBILE AND MANUFACTURED HOME REPLACEMENT PROGRAM

11 Section 1240. Statement of legislative findings and purpose.

12 1241. Definitions.

13 1242. Mobile and manufactured home replacement contracts.

14 § 1240. Statement of legislative findings and purpose. The legislature
15 hereby finds and declares that there exists in New York state a serious
16 need to eliminate older, dilapidated mobile and manufactured homes and
17 replace them with new manufactured, modular or site-built homes. Older
18 mobile or manufactured home units with rusted, leaking metal roofs,
19 metal-framed windows with interior take-out storms, and metal siding,
20 are those that most need replacement. No matter the amount of rehabili-
21 tation investment, the end result is unsatisfactory in terms of longev-
22 ity, energy efficiency and affordability. The legislature therefore
23 finds that the state should establish a program to fund the replacement
24 of mobile or manufactured homes with new affordable and energy efficient
25 manufactured, modular or site-built homes.

26 § 1241. Definitions. For the purposes of this article the following
27 terms shall have the following meanings:

28 1. "Corporation" shall mean the housing trust fund corporation estab-
29 lished in section forty-five-a of this chapter.

30 2. "Dilapidated" shall mean a housing unit that does not provide safe
31 and adequate shelter, and in its present condition endangers the health,
32 safety or well-being of the occupants. Such a housing unit shall have
33 one or more critical defects, or a combination of intermediate defects
34 in sufficient number or extent to require considerable repair or
35 rebuilding. Such defects may involve original construction, or they may
36 result from continued neglect or lack of repair or from serious damage
37 to the structure.

38 3. "Eligible applicant" shall mean a unit of local government or a
39 not-for-profit corporation in existence for a period of one or more
40 years prior to application, which is, or will be at the time of award,
41 incorporated under the not-for-profit corporation law and has substan-
42 tial experience in affordable housing.

43 4. "Eligible property" shall mean a mobile or manufactured home that
44 is the primary residence of a homeowner with a total household income
45 that does not exceed eighty percent of area median income for the county
46 in which a project is located as calculated by the United States depart-
47 ment of housing and urban development.

48 5. "Manufactured home" shall have the same meaning as is set forth for
49 such term in subdivision seven of section six hundred one of the execu-
50 tive law.

51 6. "Mobile and manufactured home replacement program" or "program"
52 shall mean a proposal by an eligible applicant for the replacement of a
53 dilapidated mobile or manufactured home with a new manufactured, modular

1 or site-built home. All replacement homes shall be energy star rated for
2 energy efficiency.

3 7. "Modular home" shall have the same meaning as is set forth for such
4 term in paragraph thirty-three of subdivision (b) of section eleven
5 hundred one of the tax law.

6 8. "Site-built home" shall mean a structure built on-site using build-
7 ing materials delivered to the site, even if some of such materials were
8 manufactured, produced or assembled off-site such as, by way of example
9 and not by way of limitation, concrete blocks, windows, door units, wall
10 or roof panels, trusses and dormers.

11 § 1242. Mobile and manufactured home replacement contracts. 1. Grants.
12 Within the limit of funds available in the mobile and manufactured home
13 replacement program, the corporation is hereby authorized to enter into
14 contracts with eligible applicants to provide grants, which shall be
15 used to establish programs to provide assistance to eligible property
16 owners to replace dilapidated mobile or manufactured homes in the state.

17 2. Program criteria. The corporation shall develop procedures, crite-
18 ria and requirements related to the application and award of projects
19 pursuant to this section which shall include: eligibility, market
20 demand, feasibility and funding criteria; the funding determination
21 process; supervision and evaluation of contracting applicants; report-
22 ing, budgeting and record-keeping requirements; provisions for modifica-
23 tion and termination of contracts; and such other matters not inconsist-
24 ent with the purposes and provisions of this article as the corporation
25 shall deem necessary or appropriate.

26 3. Contract limitations. The total contract pursuant to any one eligi-
27 ble applicant in a specified region shall not exceed five hundred thou-
28 sand dollars and the contract shall provide for completion of the
29 program within a reasonable period, as specified therein, which shall
30 not in any event exceed four years from commencement of the program.
31 Upon request, the corporation may extend the term of the contract for up
32 to an additional one year period for good cause shown by the eligible
33 applicant.

34 4. Planning and administrative costs. The corporation shall authorize
35 the eligible applicant to spend seven and one-half percent of the
36 contract amount for approved planning and administrative costs associ-
37 ated with administering the program.

38 5. The corporation shall require that, in order to receive a grant
39 pursuant to this article, the eligible property owner shall have no
40 liens on the land after closing the grant other than the new home
41 financing and currently existing mortgage or mortgages, and all property
42 taxes and insurances must be current.

43 6. Assistance. Financial assistance to eligible property owners shall
44 be one hundred percent grants in the form of deferred payment loans
45 (hereinafter referred to in this subdivision as "DPL"). A ten year
46 declining balance lien in the form of a note and mortgage, duly filed at
47 the county clerk's office, will be utilized for replacement projects. No
48 interest or payments will be required on the DPL unless the property is
49 sold or transferred before the regulatory term expires. In such cases
50 funds will be recaptured from the proceeds of the sale of the home, on a
51 declining balance basis, unless an income-eligible immediate family
52 member accepts ownership of, and resides in the new replacement home for
53 the remainder of the regulatory term. In addition the mobile and manu-
54 factured home replacement program established by this article shall: (a)
55 provide funds for relocation assistance to homeowners who are unable to
56 voluntarily relocate during the demolition and construction phases of

the project; (b) provide funding for the costs of demolishing and disposing of the dilapidated home; and (c) complement and be in addition to any existing mobile home replacement established under the New York state HOME program pursuant to section eleven hundred seventy-two of this chapter, or any successor thereto, and funded with federal funds.

7. Homeownership training. The eligible property owner must agree to attend an approved homeownership training program for post-purchase, credit/budget, and home maintenance counseling as part of the application process.

8. Funding criteria. The total payment pursuant to any one grant contract shall not exceed one hundred thousand dollars and the contract shall provide for completion of the program within a reasonable period, as specified therein, not to exceed four years.

9. Funding and annual report. The corporation in its sole discretion shall authorize all funding decisions and make all award announcements. The corporation shall, on or before December thirty-first in each year submit a report to the legislature on the implementation of this article. Such report shall include, but not be limited to, for each award made to a grantee under this article: a description of such award; contract amount and cumulative total; and such other information as the corporation deems pertinent.

§ 2. This act shall take effect immediately.

30 article and a memorandum of understanding with the commissioner relating
31 to any terms or conditions not otherwise expressly provided for in this
32 article.

3 2. The comptroller may solicit proposals from financial organizations
4 to act as depositories and managers of the program. Financial organiza-

6 which will be held in accounts. The comptroller shall select as program
7 depositories and managers the financial organization, from among the
8 bidding financial organizations that demonstrates the most advantageous
9 combination, both to potential program participants and this state, of
10 the following factors:

- 11 (a) financial stability and integrity of the financial organization;
- 12 (b) the safety of the investment instrument being offered;
- 13 (c) the ability of the investment instrument to track increasing costs
14 of residential housing;
- 15 (d) the ability of the financial organization to satisfy recordkeeping
16 and reporting requirements;
- 17 (e) the financial organization's plan for promoting the program and
18 the investment it is willing to make to promote the program;

20 accounts;
- 21 (g) the minimum initial deposit and minimum contributions that the
22 financial organization will require;

24 drawals, including payroll deduction plans; and
- 25 (i) other benefits to the state or its residents included in the
26 proposal, including fees payable to the state to cover expenses of oper-
27 ation of the program.

28 3. The comptroller may enter into a contract with a financial organ-
29 ization. Such financial organization management may provide one or more
30 types of investment instrument.

31 4. The comptroller may select more than one financial organization for
32 the program.

33 5. A management contract shall include, at a minimum, terms requiring
34 the financial organization to:

- 35 (a) take any action required to keep the program in compliance with
36 requirements of section twelve hundred fifty-five of this article and
37 any actions not contrary to its contract to manage the program to quali-
38 fy as a "first home savings account" under subsection (w) of section six
39 hundred twelve of the tax law;
- 40 (b) keep adequate records of each account, keep each account segre-
41 gated from each other account, and provide the comptroller with the
42 information necessary to prepare the statements required by section
43 twelve hundred fifty-five of this article;
- 44 (c) compile and total information contained in statements required to
45 be prepared under section twelve hundred fifty-five of this article and
46 provide such compilations to the comptroller;
- 47 (d) if there is more than one program manager, provide the comptroller
48 with such information necessary to determine compliance with section
49 twelve hundred fifty-five of this article;
- 50 (e) provide the comptroller or his designee access to the books and
51 records of the program manager to the extent needed to determine compli-
52 ance with the contract;
- 53 (f) hold all accounts for the benefit of the account owner;
- 54 (g) be audited at least annually by a firm of certified public

1 (h) provide the comptroller with copies of all regulatory filings and
2 reports made by it during the term of the management contract or while
3 it is holding any accounts, other than confidential filings or reports
4 that will not become part of the program. The program manager shall make
5 available for review by the comptroller the results of any periodic
6 examination of such manager by any state or federal banking, insurance
7 or securities commission, except to the extent that such report or
8 reports may not be disclosed under applicable law or the rules of such
9 commission; and

10 (i) ensure that any description of the program, whether in writing or
11 through the use of any media, is consistent with the marketing plan as
12 developed pursuant to the provisions of section twelve hundred fifty-
13 three of this article.

14 6. The comptroller may provide that an audit shall be conducted of the
15 operations and financial position of the program depository and manager
16 at any time if the comptroller has any reason to be concerned about the
17 financial position, the recordkeeping practices, or the status of
18 accounts of such program depository and manager.

19 7. During the term of any contract with a program manager, the comp-
20 troller shall conduct an examination of such manager and its handling of
21 accounts. Such examination shall be conducted at least biennially if
22 such manager is not otherwise subject to periodic examination by the
23 superintendent of financial services, the federal deposit insurance
24 corporation or other similar entity.

25 8. (a) If selection of a financial organization as a program manager
26 or depository is not renewed, after the end of its term:

27 (i) accounts previously established and held in investment instruments
28 at such financial organization may be terminated;

29 (ii) additional contributions may be made to such accounts;

30 (iii) no new accounts may be placed with such financial organization;
31 and

32 (iv) existing accounts held by such depository shall remain subject to
33 all oversight and reporting requirements established by the comptroller.

34 (b) If the comptroller terminates a financial organization as a
35 program manager or depository, he or she shall take custody of accounts
36 held by such financial organization and shall seek to promptly transfer
37 such accounts to another financial organization that is selected as a
38 program manager or depository and into investment instruments as similar
39 to the original instruments as possible.

40 9. The comptroller may enter into such contracts as it deems necessary
41 and proper for the implementation of the program.

42 § 1255. Program requirements; first home savings account. 1. First
43 home savings accounts established pursuant to the provisions of this
44 article shall be governed by the provisions of this section.

45 2. A first home savings account may be opened by any person who
46 desires to save money for the payment of the qualified first home
47 purchase expenses of the account owner or designated beneficiary. An
48 account owner may designate another person as successor owner of the
49 account in the event of the death of the original account owner. Such
50 person who opens an account or any successor owner shall be considered
51 the account owner.

52 (a) An application for such account shall be in the form prescribed by
53 the program and contain the following:

54 (i) the name, address and social security number or employer identifi-
55 cation number of the account owner;

56 (ii) the designation of a designated beneficiary;

1 (iii) the name, address, and social security number of the designated
2 beneficiary; and

3 (iv) such other information as the program may require.

4 (b) The comptroller and the corporation may establish a nominal fee
5 for such application.

6 3. Any person, including the account owner, may make contributions to
7 the account after the account is opened.

8 4. Contributions to accounts may be made only in cash.

9 5. An account owner may withdraw all or part of the balance from an
10 account as authorized under rules governing the program. Such rules
11 shall include provisions that will generally enable the determination as
12 to whether a withdrawal is a nonqualified withdrawal or a qualified
13 withdrawal.

14 6. (a) An account owner may change the designated beneficiary of an
15 account in accordance with procedures established by the memorandum of
16 understanding pursuant to the provisions of section twelve hundred
17 fifty-three of this article.

18 (b) An account owner may transfer all or a portion of an account to
19 another first home savings account.

20 (c) Changes in designated beneficiaries and transfers under this
21 subdivision shall not be permitted to the extent that they would cause
22 all accounts for the same beneficiary to exceed the permitted aggregate
23 maximum account balance.

24 7. The program shall provide separate accounting for each designated
25 beneficiary.

26 8. No account owner or designated beneficiary of any account shall be
27 permitted to direct the investment of any contributions to an account or
28 the earnings thereon more than two times in any calendar year.

29 9. Neither an account owner nor a designated beneficiary may use an
30 interest in an account as security for a loan. Any pledge of an interest
31 in an account shall be of no force and effect.

32 10. The comptroller shall promulgate rules or regulations to prevent
33 contributions on behalf of a designated beneficiary in excess of an
34 amount that would cause the aggregate account balance for all accounts
35 for a designated beneficiary to exceed a maximum account balance, as
36 established from time to time by the comptroller.

37 11. Contributions to a first home savings account shall be limited to
38 one hundred thousand dollars per account. This amount shall not take
39 into consideration any gain or loss to the principal investment into the
40 account.

41 12. In the event that an individual makes a "nonqualified withdrawal"
42 of monies from the first home savings account such individual shall have
43 the entire account taxed, including any interest, as though it was
44 income at the account owner's federal tax rate in the tax years the
45 monies were withdrawn, and incur an additional ten percent state penalty
46 on the amount of earnings. In the event account owners or designated
47 beneficiary does not use the qualified residential housing as a primary
48 residence for a period of not less than two years after the purchase of
49 such housing, the account owner shall have the entire account taxed,
50 including any interest, as though it was ordinary income at the account
51 owner's federal tax rate in the tax years the monies were withdrawn and
52 incur an additional ten percent state penalty on the amount of earnings.
53 For purposes of this article, the two year period shall begin at the
54 time title is transferred to the first time home buyer. The penalty
55 shall be in addition to any taxes due pursuant to a non-qualified with-
56 drawal from a first home savings account.

1 13. Penalties may be waived by the commissioner if the individual can
2 show proof that the reason the individual did not use the qualified
3 residential housing as a primary residence for a period of two years or
4 more after the purchase or construction was due to either:

5 (a) an employment relocation outside the state and such relocation
6 required the individual to become a resident of another state;

7 (b) an unforeseeable emergency;

8 (c) an absence due to qualifying military service; or

9 (d) death.

10 For purposes of this subdivision, an "unforeseeable emergency" shall
11 mean a severe financial hardship resulting from illness, accident or
12 property loss to the account owner, or his or her dependents resulting
13 in circumstances beyond their control. The circumstances that constitute
14 an unforeseeable financial emergency will depend on the facts of each
15 case, however, withdrawal of account funds may not be made, without
16 penalty, to the extent that such hardship is or may be relieved by
17 either:

18 (i) reimbursement or compensation by insurance or otherwise; or

19 (ii) liquidation of the individual's assets to the extent the liqui-
20 dation of such assets would not itself cause severe financial hardship.

21 14. The commissioner and the comptroller are directed to promulgate
22 all rules and regulations necessary to implement the provisions of this
23 section and are hereby directed to establish, supervise and regulate
24 first home savings accounts authorized to be created by this section.

25 15. (a) If there is any distribution from a first home savings account
26 to any individual or for the benefit of any individual during a calendar
27 year, such distribution shall be reported to the Internal Revenue
28 Service and the account owner, the designated beneficiary, or the
29 distributee to the extent required by federal law or regulation.

30 (b) Statements shall be provided to each account owner at least once
31 each year within sixty days after the end of the twelve month period to
32 which they relate. The statement shall identify the contributions made
33 during a preceding twelve month period, the total contributions made to
34 the account through the end of the period, the value of the account at
35 the end of such period, distributions made during such period and any
36 other information that the comptroller shall require to be reported to
37 the account owner.

38 (c) Statements and information relating to accounts shall be prepared
39 and filed to the extent required by federal and state tax laws.

40 16. An annual fee may be imposed upon the account owner for the main-
41 tenance of the account.

42 17. The program shall disclose the following information in writing to
43 each account owner of a first home savings account:

44 (a) the terms and conditions for establishing a first home savings
45 account;

46 (b) any restrictions on the substitution of beneficiaries;

47 (c) the person or entity entitled to terminate the first home savings
48 agreement;

49 (d) the period of time during which a beneficiary may receive benefits
50 under the first home savings agreement;

51 (e) the terms and conditions under which money may be wholly or
52 partially withdrawn from the program, including, but not limited to, any
53 reasonable charges and fees that may be imposed for withdrawal;

54 (f) the probable tax consequences associated with contributions to and
55 distributions from accounts; and

1 (g) all other rights and obligations pursuant to first home savings
2 agreements, and any other terms, conditions, and provisions deemed
3 necessary and appropriate by the terms of the memorandum of understand-
4 ing entered into pursuant to section twelve hundred fifty-three of this
5 article.

6 18. First home savings agreements shall be subject to section four-
7 teen-c of the banking law and the "truth-in-savings" regulations promul-
8 gated thereunder.

9 19. Nothing in this article or in any first home savings agreement
10 entered into pursuant to this article shall be construed as a guarantee
11 by the state that the account owner or designated beneficiary will qual-
12 ify for the purchase of a home.

13 20. To establish that an account owner or designated beneficiary is a
14 first time home buyer, the individual shall complete a form promulgated
15 by the comptroller certifying, under the penalties of perjury, that such
16 individual is a first time home buyer.

17 21. An individual must not intend to use any portion of the real prop-
18 erty purchased using the first home savings account funds in a trade or
19 business, or as a vacation home or as an investment, except as an owner
20 occupied multiple dwelling with no more than two rental units.

21 22. Monies withdrawn from first home savings accounts and any interest
22 which has accrued shall not be considered as ordinary income to the
23 account owner for state personal income taxation purposes, so long as
24 the monies are applied for the purchase or construction of a qualified
25 first home purchase by the account owner or designated beneficiary of
26 the account.

27 § 1256. Program limitations; first home savings account. 1. Nothing in
28 this article shall be construed to:

29 (a) give any designated beneficiary any rights or legal interest with
30 respect to an account unless the designated beneficiary is the account
31 owner;

32 (b) guarantee that the account owner or designated beneficiary will be
33 financially qualified to purchase a home;

34 (c) create state residency for an individual merely because the indi-
35 vidual is a designated beneficiary; or

36 (d) guarantee that amounts saved pursuant to the program will be
37 sufficient to cover the down payment or closing costs pursuant to the
38 purchase of a qualified first home.

39 2. (a) Nothing in this article shall create or be construed to create
40 any obligation of the comptroller, the state, or any agency or instru-
41 mentality of the state to guarantee for the benefit of the account owner
42 or designated beneficiary with respect to:

43 (i) the rate of interest or other return on any account; and

44 (ii) the payment of interest or other return on any account.

45 (b) The comptroller by rule or regulation shall provide that every
46 contract, application, deposit slip or other similar document that may
47 be used in connection with a contribution to an account clearly indicate
48 that the account is not insured by the state and neither the principal
49 deposited nor the investment return is guaranteed by the state.

50 § 2. Subsection (c) of section 612 of the tax law is amended by adding
51 a new paragraph 42 to read as follows:

52 (42) The amount that may be subtracted from federal adjusted gross
53 income pursuant to subsection (w) of this section.

54 § 3. Section 612 of the tax law is amended by adding a new subsection
55 (w) to read as follows:

(w) Deductions for monies deposited into a first home savings account. A taxpayer, who is an account owner as defined in subdivision two of section twelve hundred fifty-two of the private housing finance law, shall be able to deduct annually from his or her federal adjusted gross income that amount, not to exceed five thousand dollars, deposited into a first home savings account created pursuant to article twenty-eight of the private housing finance law. A taxpayer and his or her spouse shall jointly be entitled to a maximum deduction of ten thousand dollars. This amount may be divided in any manner as the taxpayers desire for income tax purposes.

§ 4. This act shall take effect on the one hundred eightieth day after it shall have become a law, and shall apply to taxable years commencing on or after the first of January next succeeding the date on which it shall have become law; provided however, that subdivision 14 of section 1255 of the private housing finance law, as added by section one of this act, shall take effect immediately.

PART EE

Section 1. The private housing finance law is amended by adding a new article 28 to read as follows:

ARTICLE XXVIII AFFORDABLE SENIOR HOUSING AND SERVICES

Section 1240. Statement of legislative findings and purpose.

1241. Definitions.

1242. Affordable senior housing and services program.

§ 1240. Statement of legislative findings and purpose. The legislature hereby finds and declares that there exists in the state a serious shortage of rental housing for older persons who choose to live independently, and who may benefit from modest basic services in order to remain living independently. Providing capital funding to facilitate the construction and rehabilitation of affordable rental apartments for older persons over the age of sixty-two, and providing service coordination funds to not-for-profit organizations, will allow thousands of older New Yorkers to "age-in-place" comfortably in their community, reducing the likelihood of residing in an institutional setting.

§ 1241. Definitions. As used in this article:

1. "Corporation" shall mean the housing trust fund corporation established in section forty-five-a of this chapter.

2. "Eligible applicant" shall mean a person of low income, a housing development fund company incorporated pursuant to article eleven of this chapter, a not-for-profit corporation or charitable organization which has as one of its primary purposes the improvement of housing for persons of low income, a wholly-owned subsidiary of such a corporation or organization, a partnership at least fifty percent of the controlling interest of which is held by such a corporation or organization and which has agreed to limit profits or rate of return of investors in accordance with a formula established or approved by the corporation or a private developer which has agreed to limit profits or rate of return of investors in accordance with a formula established or approved by the corporation, a city, town, village or county, provided, however, that the county is only acting as an administrator of a program under which projects are rehabilitated or constructed or nonresidential properties

1 are converted by other eligible applicants, or a municipal housing
2 authority created pursuant to the public housing law, provided, however,
3 that any real property of such housing authority to be rehabilitated,
4 constructed or converted under this article shall not have been financed
5 pursuant to the provisions of the public housing law and shall not have
6 been owned by such authority prior to July first, nineteen hundred
7 eighty-six, and provided, further, however, that persons of low income
8 shall not be direct recipients of payments, grants or loans from the
9 corporation under this article but may receive such funds from another
10 eligible applicant.

11 3. "Affordable senior housing property" shall mean an apartment build-
12 ing or complex occupied by individuals over sixty-two years of age, who
13 live independently and at least eighty percent of whom have a total
14 household income that does not exceed eighty percent of the area median
15 income, and which apartment building or complex is not otherwise
16 required to be licensed as an adult care facility pursuant to article
17 seven of the social services law or an assisted living residence pursu-
18 ant to article forty-six-B of the public health law.

19 4. "Healthy aging services" shall mean an array of optional services
20 offered to residents of an affordable independent senior housing proper-
21 ty on a voluntary participation basis that help promote healthy aging
22 which may include, but not be limited to: establishing and maintaining
23 networking relationships with community-based services and organiza-
24 tions; providing residents with information and referral lists for
25 community services and assisting them with follow-ups; arranging for
26 educational and socialization programs for residents; helping residents
27 arrange for housekeeping, shopping, transportation, meals-on-wheels,
28 cooking and laundry services; establishing resident safety programs;
29 assisting residents to apply for government benefits; advocating for
30 residents; offering opportunities for exercise; educating residents
31 about healthy diet; and other services designed to address the needs of
32 older adults residing in senior housing facilities by helping them
33 extend their independence, improve their quality of life, and avoid
34 unnecessary hospital and nursing home use.

35 § 1242. Affordable senior housing and services program. 1. Establish-
36 ment. Within amounts appropriated or otherwise available therefor, the
37 corporation shall develop and administer an affordable senior housing
38 and services program which shall provide assistance in the form of
39 payments, grants and loans for reasonable and necessary expenses, to an
40 eligible applicant for the creation, preservation or improvement of
41 affordable senior housing properties, provided that such housing also
42 provides access to healthy aging services on a voluntary basis for all
43 residents of the affordable senior housing property.

44 2. Program criteria. The corporation shall develop procedures, crite-
45 ria and requirements related to the application and award of projects
46 pursuant to this section which shall include: eligibility, market
47 demand, feasibility and funding criteria; the funding determination
48 process; supervision and evaluation of contracting applicants; report-
49 ing, budgeting and recordkeeping requirements; provisions for modifica-
50 tion and termination of contracts; and such other matters not inconsis-
51 tent with the purposes and provisions of this article as the corporation
52 shall deem necessary or appropriate.

53 3. Fund allocation. Sixty percent of the total funds awarded pursuant
54 to this article in any fiscal year shall be allocated to projects
55 located in urban areas of the state, as such term is defined in subdivi-
56 sion four of section twelve hundred thirty-one of this chapter. Forty

1 percent of the total funds awarded pursuant to this article in any
2 fiscal year shall be allocated to projects located in rural areas of the
3 state, as such term is defined in subdivision three of section twelve
4 hundred thirty-one of this chapter.

5 4. Proof of available services. Applicants shall demonstrate proof

51 (b) (i) Such registry shall include comprehensible information about

3 (ii) Such registry shall also contain information on programs that
4 have been found to be operating without the required license, registra-

6 this section.

7 (c) Notwithstanding any other provision of law to the contrary, a
8 local governmental entity referenced in subdivision thirteen of this
9 section shall provide to the office of children and family services, in
10 the time and manner required by the office, any information on child day
11 care centers referenced in subdivision thirteen of this section that is
12 needed pursuant to the requirements of this subdivision for the
13 registry.

14 § 3. Subdivision 10 of section 390 of the social services law, as
15 amended by chapter 416 of the laws of 2000, is amended to read as
16 follows:

17 10. (a) Any home or facility providing child day care shall be oper-
18 ated in accordance with applicable statutes and regulations. Any
19 violation of applicable statutes or regulations shall be a basis to
20 deny, reject, limit, suspend[,] or revoke[, ~~or terminate~~] a license or
21 registration.

22 (b) Consistent with articles twenty-three and twenty-three-A of the
23 correction law, and guidelines referenced in subdivision two of section
24 four hundred twenty-five of this article, if the office of children and
25 family services is made aware of the existence of a criminal conviction
26 or pending criminal charge concerning an operator of a family day care
27 home, group family day care home, school-age child care program, or
28 child day care center or concerning any assistant, employee or volunteer
29 in such homes, programs or centers, or any persons age eighteen or over
30 who reside in such homes, such conviction or charge may be a basis to
31 deny, limit, suspend, revoke, or reject[, ~~or terminate~~] a license or
32 registration.

33 (c)(i) Before any license or registration issued pursuant to the
34 provisions of this section is suspended, limited or revoked[, ~~before~~
35 ~~registration pursuant to this section is suspended or terminated~~], or
36 when an application for such license or registration is denied or
37 [~~registration~~] rejected, the applicant for or holder of such registra-
38 tion or license is entitled, pursuant to section twenty-two of this
39 chapter and the regulations of the office of children and family
40 services, to a hearing before the office of children and family
41 services.

42 (ii) However, a license or registration [~~shall~~] may be [~~temporarily~~]
43 suspended or limited without a hearing upon written notice to the opera-
44 tor of the facility following a finding that suspension or limitation of
45 the license or registration is necessary to protect the public health[, ~~or an individual's safety or welfare, are in imminent danger.~~] or the
46 health and safety of children. Provided, however, that a finding that
47 suspension or limitation is necessary to protect the health and safety
48 of children in accordance with this subparagraph shall only be made if
49 the office of children and family services determines, as a result of a
50 violation of this section or the applicable regulations of the office of
51 children and family services, that:

52 (A) serious physical injury as defined in section 10.00 of the penal
53 law or death of a child occurred;

54 (B) a condition occurred or exists that places a child at risk of
55 serious physical, mental or emotional harm, or risk of death, serious or
56

1 protracted disfigurement or protracted impairment of physical or
2 emotional health;

3 (C) the provider refused to provide inspection staff with access to
4 the child day care program as is otherwise required or authorized by law
5 during the program's hours of operation; or

6 (D) the provider refused to provide timely access to information
7 regarding the program that is necessary to make determinations relating
8 to the health and safety of children in the care of the program or that
9 is required by state or federal law, rule or regulation if:

10 (1) the provider was given a reasonable period of time to produce such
11 information; and

12 (2) if the information required to be provided is dependent on a third
13 party providing such information, that the provider did not make reason-
14 able efforts to timely obtain such information.

15 (iii) The holder of a license or registrant is entitled to a hearing
16 before the office of children and family services to contest the [~~tempo-~~
17 ~~rary~~] suspension or limitation. If the holder of a license or registrant
18 requests a hearing to contest the [~~temporary~~] suspension or limitation,
19 such hearing must be scheduled to commence as soon as possible but in no
20 event later than thirty days after the receipt of the request by the
21 office of children and family services. Suspension shall continue until
22 the condition requiring suspension or limitation is corrected or until a
23 hearing decision has been issued. If the office of children and family
24 services determines after a hearing that the [~~temporary~~] suspension or
25 limitation was proper, such suspension or limitation shall be extended
26 until the condition requiring suspension or limitation has been
27 corrected or until the license or registration has been revoked.

28 § 4. Paragraph (a) of subdivision 11 of section 390 of the social
29 services law, as amended by chapter 416 of the laws of 2000, is amended
30 to read as follows:

31 (a) (i) The office of children and family services shall adopt regu-
32 lations establishing civil penalties of no more than [~~five-hundred~~] two
33 thousand dollars per day to be assessed against child day care centers,
34 school age child care programs, group family day care homes or family
35 day care homes for violations of this section, sections three hundred
36 ninety-a and three hundred ninety-b of this title and any regulations
37 promulgated thereunder. The regulations establishing civil penalties
38 shall specify the violations subject to penalty based on the severity of
39 the violation. Provided, however, that such regulations shall provide
40 that:

41 (A) a civil penalty of no more than one thousand dollars per day for a
42 first time offense and no more than two thousand dollars per day for
43 subsequent offenses may be assessed for a violation of this section or
44 of a regulatory requirement of the office of children and family
45 services which harms a child or places a child at risk of death, serious
46 or protracted disfigurement, or protracted impairment of physical or
47 emotional health;

48 (B) a civil penalty of no more than five hundred dollars per day for a
49 first time offense and no more than one thousand dollars per day for
50 subsequent offenses may be assessed for a violation of this section or
51 of a regulatory requirement of the office of children and family
52 services which places a child at risk of physical, mental or emotional
53 harm; and

54 (C) a civil penalty of no more than two hundred dollars per day for a
55 second offense in an eighteen month period, and no more than four
56 hundred dollars per day for subsequent offenses may be assessed for a

violation of this section or of a regulatory requirement of the office of children and family services that is not included in clause (A) or (B) of this subparagraph.

(ii) The office of children and family services shall adopt regulations establishing civil penalties of no more than two thousand five hundred dollars per day to be assessed against child day care providers who operate child day care centers or group family day care homes without a license or who operate family day care homes, school-age child care programs, or child day care centers required to be registered without obtaining such registration.

(iii) In addition to any other civil or criminal penalty provided by law, the office of children and family services shall have the power to assess civil penalties in accordance with its regulations adopted pursuant to this subdivision after a hearing conducted in accordance with procedures established by regulations of the office of children and family services. Such procedures shall require that notice of the time and place of the hearing, together with a statement of charges of violations, shall be served in person or by certified mail addressed to the school age child care program, group family day care home, family day care home, or child day care center at least thirty days prior to the date of the hearing. The statement of charges shall set forth the existence of the violation or violations, the amount of penalty for which the program may become liable[~~7~~] and the steps which must be taken to rectify the violation, and where applicable, a statement that a penalty may be imposed regardless of rectification. A written answer to the charges of violations shall be filed with the office of children and family services not less than ten days prior to the date of hearing with respect to each of the charges and shall include all material and relevant matters which, if not disclosed in the answer, would not likely be known to the office of children and family services.

(iv) The hearing shall be held by the commissioner of the office of children and family services or the commissioner's designee. The burden of proof at such hearing shall be on the office of children and family services to show that the charges are supported by a preponderance of the evidence. The commissioner of the office of children and family services or the commissioner's designee, in his or her discretion, may allow the child day care center operator or provider to attempt to prove by a preponderance of the evidence any matter not included in the answer. Where the child day care provider satisfactorily demonstrates that it has rectified the violations in accordance with the requirements of paragraph (c) of this subdivision, no penalty shall be imposed except as provided in paragraph (c) of this subdivision.

(v) Nothing herein shall prohibit the office of children and family services from forgiving or reducing a civil penalty in the event that a violation is rectified, or as part of the enforcement or fair hearing process.

§ 5. Subparagraph (ii) of paragraph (c) of subdivision 11 of section 390 of the social services law, as amended by chapter 117 of the laws of 2010, is amended to read as follows:

37 § 6. Paragraph (e) of subdivision 11 of section 390 of the social

The legislature hereby recognizes the need to invest in individuals committed to working in the field of child welfare by providing higher education incentives for current and prospective employees. This workforce is in charge of ensuring the health, safety, and well-being of our state's most vulnerable children and families. By providing current and prospective employees the opportunity for affordable higher education, we are enhancing their ability to meet the needs of the children and youth in care, many of whom have experienced profound trauma, as well as providing the skills needed to operate in today's changing health landscape.
