Notwithstanding any provisions of law to the contrary, any bank or financial institution entering into negotiations, including but not limited to processing an application, to modify a mortgage on real property located in this state shall be responsible for the continuation of the modification process until its completion regardless of whether the mortgage is sold, transferred or bundled into a security package for provision to a third party during the modification process.

2. The purchaser shall assume all rights and responsibilities necessary to comply with the modified loan.

3. The provisions of this section shall apply to any mortgage loan which is three months or older at the time of the modification process.

§ 2. This act shall take effect on the ninetieth day after it shall have become a law.
