§ 1210. Gang prevention. 1. The department, after consultation with the division of criminal justice services regarding gang violence, shall:

(a) prepare and distribute to schools guidelines for incorporating in-service training in gang violence into staff development plans for teachers, counselors, athletic directors, school board members, and other educational personnel, and shall, upon request, assist any school in developing comprehensive gang violence in-service training programs. To the maximum extent possible such information and guidelines shall encourage schools to avoid duplication of effort by sharing resources; adapting or adopting model in-service training programs; developing joint and collaborative programs; and coordinating efforts with existing gang violence staff development programs, county and city law enforcement agencies, and other public and private agencies providing gang violence prevention, or other related services at the local level; and

(b) assist schools seeking to qualify for receipt of federal and state funds to support gang violence and drug and alcohol abuse prevention in-service training programs.

2. The term "gang violence and drug and alcohol abuse prevention in-service training" as used in this section means the presentation of programs, instruction, and curricula that will help educators develop competencies in interacting in a positive manner with children and youth

1 and their parents to assist them in developing the positive values,  
2 self-esteem, knowledge, and skills to lead productive, gang-free, and  
3 drug-free lives, including the development of knowledge of the causes of  
4 gang violence and substance abuse, and training regarding available  
5 information and resources concerning gang violence.

6 § 1211. Model gang violence curriculum; prevention activities. 1. The  
7 department, in collaboration with the division of criminal justice  
8 services, shall develop a model gang violence prevention curriculum for  
9 use in schools, and shall provide for an independent biennial evaluation  
10 of the curriculum and of pupil outcomes.

11 2. In developing the curriculum, the department, in conjunction with  
12 the division of criminal justice services, shall assess the current  
13 status of school crime committed on school campuses and at school-relat-  
14 ed functions, and identify appropriate strategies and programs that will  
15 provide or maintain a high level of school safety and address the  
16 school's procedures for complying with existing laws related to school

18 3. Upon request, the department shall assist school districts in  
19 developing comprehensive gang violence and drug and alcohol abuse  
20 prevention in-service training programs. Such guidelines shall to the  
21 maximum extent possible encourage school districts to share resources,  
22 develop joint and collaborative programs, and coordinate efforts with  
23 other existing state and local programs.

24 § 1212. Dress code concerning gang-related apparel. Any other  
25 provision of any other law to the contrary notwithstanding, following

41 supplant local, state, or federal funds that would otherwise be avail-  
42 able for the prevention or intervention of youth involvement in gangs,  
43 crime, or violence. Grants shall be awarded pursuant to a request for  
44 proposals that informs applicants of the purposes and availability of  
45 funds to be awarded and solicits proposals to provide services consist-  
46 ent with this article. Agencies receiving funds pursuant to this section  
47 shall utilize the funds to provide services and activities designed to  
48 prevent or deter at-risk youth from participating in gangs, criminal

50 or activities related to suppression, law enforcement, incarceration, or  
51 other purposes not related to the prevention and deterrence of gangs,  
52 crime, and violence. Nothing in this subdivision shall prevent funds  
53 from being used for violence prevention and gang crime deterrence  
54 services provided by nonprofit agencies to youths incarcerated in juve-  
55 nile detention facilities. Services and activities provided with funds  
56 under this section shall be used for at-risk youth who are defined as

12 in detail the operation of the program and the results obtained.

13 4. The commissioner shall additionally be empowered to develop and  
14 implement an educational program, coordinated with the educational  
15 program authorized pursuant to section fifteen-b of the correction law,  
16 which shall be known as the department of corrections gang education and  
17 prevention program, whereby inmates can receive instruction concerning  
18 the impact of and risks associated with gang affiliation, and receive  
19 support services in relation to the cessation of gang membership. The  
20 commissioner shall be empowered to promulgate rules and regulations  
21 necessary to effectuate this program. The program shall be funded from
