1     (2) Tax credits allowed pursuant to this subsection shall be allowed  
2 in the taxable year in which the property is deemed a certified rehabil-  
3 itation.

4     (3) If the amount of the credit allowable under this subsection for  
5 any taxable year shall exceed the taxpayer's tax for such year, the  
6 excess may be carried over to the following year or years, and may be  
7 applied against the taxpayer's tax for such year or years provided that  
8 the total amount of the credit applied against the taxpayer's tax for a  
9 given year shall not exceed twenty-five thousand dollars.

10    (4) (A) The term "qualified rehabilitation expenditure" means, for  
11 purposes of this subsection, any amount properly chargeable to a capital  
12 account:

13    (i) in connection with the certified rehabilitation of a qualified  
14 distressed commercial property, and

15    (ii) for property for which depreciation would be allowable under  
16 section 168 of the internal revenue code.

17    (B) Such term shall not include (i) the cost of acquiring any building  
18 or interest therein, (ii) any expenditure attributable to the enlarge-  
19 ment of an existing building, or (iii) any expenditure made prior to  
20 January first, two thousand eighteen or after December thirty-first, two  
21 thousand twenty-three.

22    (5) The term "certified rehabilitation" means, for purposes of this  
23 subsection, any rehabilitation of a certified distressed commercial  
24 property which has been approved and certified by a local government as  
25 being completed, with a certificate of occupancy issued, and that the  
26 costs are consistent with the work completed. Such certification shall  
27 be acceptable as proof that the expenditures related to such rehabili-  
28 tation qualify as qualified rehabilitation expenditures for purposes of  
29 the credit allowed under paragraph one of this subsection.

30    (6) (A) The term "qualified distressed commercial property" means, for  
31 purposes of this subsection, a distressed commercial property located  
32 within New York state:

33    (i) which has been substantially rehabilitated,

34    (ii) which is owned by the taxpayer, and

35    (iii) which is located within a distressed commercial area, as identi-  
36 fied by each locality through local law, that is deemed an area in need  
37 of community renewal due to dilapidation and vacancies.

38    (B) If the distressed commercial property is rental property, such  
39 property shall have been more than thirty percent vacant for twelve  
40 months while actively marketed for lease.

41    (C) A building shall be treated as having been "substantially rehabil-  
42 itated" if the qualified rehabilitation expenditures in relation to such  
43 building total ten thousand dollars or more.

44    (7) (A) If the taxpayer disposes of such taxpayer's interest in the  
45 qualified distressed commercial property, or such property ceases to be  
46 used as a commercial property of the taxpayer within five years of  
47 receiving the credit under this subsection, the taxpayer's tax imposed  
48 by this article for the taxable year in which such disposition or cessa-  
49 tion occurs shall be increased by the recapture portion of the credit  
50 allowed under this subsection for all prior taxable years with respect  
51 to such rehabilitation.

52    (B) For purposes of subparagraph (A) of this paragraph, the recapture  
53 portion shall be the product of the amount of credit claimed by the  
54 taxpayer multiplied by a ratio, the numerator of which is equal to sixty  
55 less the number of months the building is owned or used as commercial  
56 property by the taxpayer and the denominator of which is sixty.

(8) Any expenditure for which a credit is claimed under this subsection shall not be eligible for any other credit under this chapter.

§ 2. Subparagraph (B) of paragraph 1 of subsection (i) of section 606 of the tax law is amended by adding a new clause (xliv) to read as follows:

<u>(xliv) Credit for rehabilitation</u>	<u>Amount of credit under</u>
<u>of distressed commercial properties</u>	<u>subdivision fifty-three</u>
<u>under subsection (jjj)</u>	<u>of section two hundred ten-B</u>

§ 3. Section 210-B of the tax law is amended by adding a new subdivision 53 to read as follows:

53. Credit for rehabilitation of distressed commercial properties. (1) For taxable years beginning on or after January first, two thousand eighteen, a taxpayer shall be allowed a credit as hereinafter provided, against the tax imposed by this article, in an amount equal to thirty percent of the qualified rehabilitation expenditures made by the taxpayer with respect to a qualified distressed commercial property. Provided, however, the credit shall not exceed one hundred thousand dollars.

(2) Tax credits allowed pursuant to this subdivision shall be allowed in the taxable year in which the property is deemed a certified rehabilitation.

(3) If the amount of the credit allowable under this subdivision for any taxable year shall exceed the taxpayer's tax for such year, the excess may be carried over to the following year or years, and may be applied against the taxpayer's tax for such year or years, provided that the total amount of the credit applied against the taxpayer's tax for a given year shall not exceed twenty-five thousand dollars.

(4) (A) The term "qualified rehabilitation expenditure" means, for purposes of this subdivision, any amount properly chargeable to a capital account:

(i) in connection with the certified rehabilitation of a qualified commercial property, and

(ii) for property for which depreciation would be allowable under section 168 of the internal revenue code.

(B) Such term shall not include (i) the cost of acquiring any building or interest therein, (ii) any expenditure attributable to the enlargement of an existing building, or (iii) any expenditure made prior to January first, two thousand eighteen or after December thirty-first, two thousand twenty-three.

(5) The term "certified rehabilitation" means, for purposes of this subdivision, any rehabilitation of a certified distressed commercial property which has been approved and certified by a local government as being completed, with a certificate of occupancy issued, and that the costs are consistent with the work completed. Such certification shall be acceptable as proof that the expenditures related to such rehabilitation qualify as qualified rehabilitation expenditures for purposes of the credit allowed under paragraph one of this subdivision.

(6) (A) The term "qualified distressed commercial property" means, for purposes of this subdivision, a distressed commercial property located within New York state:

(i) which has been substantially rehabilitated,

(ii) which is owned by the taxpayer, and

1 (B) If the distressed commercial property is rental property, such  
2 property shall have been more than thirty percent vacant for twelve  
3 months while actively marketed for lease.

4 (C) A building shall be treated as having been "substantially rehabil-  
5 itated" if the qualified rehabilitation expenditures in relation to such  
6 building total ten thousand dollars or more.

7 (7) (A) If the taxpayer disposes of such taxpayer's interest in the  
8 qualified distressed commercial property, or such property ceases to be  
9 used as a commercial property of the taxpayer within five years of  
10 receiving the credit under this subdivision, the taxpayer's tax imposed  
11 by this article for the taxable year in which such disposition or cessa-  
12 tion occurs shall be increased by the recapture portion of the credit  
13 allowed under this subdivision for all prior taxable years with respect  
14 to such rehabilitation.

15 (B) For purposes of subparagraph (A) of this paragraph, the recapture  
16 portion shall be the product of the amount of credit claimed by the  
17 taxpayer multiplied by a ratio, the numerator of which is equal to sixty  
18 less the number of months the building is owned or used as commercial  
19 property by the taxpayer and the denominator of which is sixty.

20 (8) Any expenditure for which a credit is claimed under this subdivi-  
21 sion shall not be eligible for any other credit under this chapter.
