IN SENATE

January 17, 2017

Introduced by Sen. LATIMER -- read twice and ordered printed, and when printed to be committed to the Committee on Health

AN ACT to amend the public health law, in relation to requiring hospitals and physicians to include certain information regarding military service of patients or persons close to patients on admission forms

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Subdivision 5 of section 2805-b of the public health law,
2 as amended by chapter 64 of the laws of 2016, is amended to read as
3 follows:

4 5. The staff of a general hospital shall: (a) inquire whether or not
5 the person admitted has served in the United States armed forces. [~~Such~~
6 ~~information shall be listed on the~~] The admissions form shall include
7 information including, but not limited to, whether the patient or some-
8 one close to the patient has ever served in the military, who served in
9 the military, when and where did the person serve, what was the person
10 in the military's job description, whether the patient is currently
11 registered with the veterans administration, and whether the patient is
12 currently receiving any benefits from the veterans administration; (b)
13 notify any admittee who is a veteran of the possible availability of
14 services at a hospital operated by the veterans administration, and,
15 upon request by the admittee, such staff shall make arrangements for the
16 individual's transfer to a veterans administration operated hospital,
17 provided, however, that transfers shall be authorized only after it has
18 been determined, according to accepted clinical and medical standards,
19 that the patient's condition has stabilized and transfer can be accom-
20 plished safely and without complication; and (c) provide any admittee
21 who has served in the United States armed forces with a copy of the
22 "Information for Veterans concerning Health Care Options" fact sheet,
23 maintained by the division of veterans' affairs pursuant to subdivision
24 twenty-three of section three hundred fifty-three of the executive law

1 prior to discharging or transferring the patient. The commissioner shall
2 promulgate rules and regulations for notifying such admittees of possi-
3 ble available services and for arranging a requested transfer.

4 § 2. The public health law is amended by adding a new article 26-B to
5 read as follows:

6 ARTICLE 26-B

7 MILITARY SERVICE INQUIRY

8 Section 2640. Military service; duty to inquire and record.

9 § 2640. Military service; duty to inquire and record. 1. Every physi-
10 cian shall inquire of every resident of the state of New York coming to
11 such physician for services or treatment whether the person is a veter-
12 an, as defined in section eighty-five of the civil service law, and
13 shall record the answers to such inquiry in the patient's medical
14 record. The physician shall record, at a minimum, the following informa-
15 tion: whether the patient or someone close to the patient has ever
16 served in the military, who served in the military, when and where did
17 the person serve, what was the person in the military's job description,
18 whether the patient is currently registered with the veterans adminis-
19 tration, and whether the patient is currently receiving any benefits
20 from the veterans administration.

21 2. Each physician providing services or treatment to a veteran or
22 someone close to a veteran shall notify such patient of the possible
23 availability of services at a hospital operated by the veterans adminis-
24 tration and, upon request by the patient, such physician shall transfer
25 the patient's medical records to such hospital. The commissioner shall
26 promulgate rules and regulations for notifying such patient of possible
27 available services and for arranging for a transfer of medical records.

28 § 3. This act shall take effect immediately.
