

# STATE OF NEW YORK

2816

2017-2018 Regular Sessions

## IN SENATE

January 17, 2017

Introduced by Sen. HANNON -- read twice and ordered printed, and when printed to be committed to the Committee on Health

AN ACT to amend the public health law, in relation to the testing of certain newborns for cytomegalovirus and public education thereon

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Subdivision (a) of section 2500-a of the public health law,  
2 as amended by chapter 184 of the laws of 2013, is amended to read as  
3 follows:  
4 (a) It shall be the duty of the administrative officer or other person  
5 in charge of each institution caring for infants twenty-eight days or  
6 less of age and the person required in pursuance of the provisions of  
7 section forty-one hundred thirty of this chapter to register the birth  
8 of a child, to cause to have administered to every such infant or child  
9 in its or his care a test for phenylketonuria, homozygous sickle cell  
10 disease, hypothyroidism, branched-chain ketonuria, galactosemia, homo-  
11 cystinuria, critical congenital heart defects through pulse oximetry  
12 screening, and with regard to any newborn infant who is identified as,  
13 or suspected of, having a hearing impairment as a result of a screening  
14 conducted pursuant to section twenty-five hundred-g of this title, cause  
15 to be administered to such infant a test for cytomegalovirus, unless the  
16 parent of the infant objects thereto, and such other diseases and condi-  
17 tions as may from time to time be designated by the commissioner in  
18 accordance with rules or regulations prescribed by the commissioner.  
19 Testing, the recording of the results of such tests, tracking, follow-up  
20 reviews and educational activities shall be performed at such times and  
21 in such manner as may be prescribed by the commissioner. The commission-  
22 er shall promulgate regulations setting forth the manner in which infor-  
23 mation describing the purposes of the requirements of this section shall  
24 be disseminated to parents or a guardian of the infant tested.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [-] is old law to be omitted.

LBD05326-02-7

1 § 2. The public health law is amended by adding a new section 2500-1  
2 to read as follows:

3 § 2500-1. Cytomegalovirus public education. 1. The department shall  
4 develop and publish informational materials for women who may become  
5 pregnant, expectant parents and parents of infants regarding:

6 (a) the incidence of cytomegalovirus;

7 (b) the transmission and risks of cytomegalovirus to pregnant women  
8 and women who may become pregnant;

9 (c) birth defects caused by congenital cytomegalovirus;

10 (d) methods of diagnosing congenital cytomegalovirus;

11 (e) the available preventive measures to avoid the infection of women  
12 who are pregnant or may become pregnant; and

13 (f) available methods of treating cytomegalovirus and resources avail-  
14 able for families of children born with cytomegalovirus.

15 2. The department shall publish the information required pursuant to  
16 subdivision one of this section on its internet website, and distribute  
17 information regarding birth defects, treatment and resources to all  
18 hospitals performing cytomegalovirus testing pursuant to section twen-  
19 ty-five hundred-a of this title.

20 3. The department may promulgate rules to implement the purposes of  
21 this section.

22 § 3. This act shall take effect immediately; except that section one  
23 of this act shall take effect on the one hundred twentieth day after it  
24 shall have become a law; provided, however, that effective immediately,  
25 the addition, amendment and/or repeal of any rule or regulation neces-  
26 sary for the implementation of section one of this act on its effective  
27 date are authorized and directed to be made and completed on or before  
28 such effective date.
