AN ACT to amend the public health law, in relation to the testing of certain newborns for cytomegalovirus and public education thereon

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Subdivision (a) of section 2500-a of the public health law,  
2 as amended by chapter 184 of the laws of 2013, is amended to read as  
3 follows:

4 (a) It shall be the duty of the administrative officer or other person  
5 in charge of each institution caring for infants twenty-eight days or  
6 less of age and the person required in pursuance of the provisions of  
7 section forty-one hundred thirty of this chapter to register the birth  
8 of a child, to cause to have administered to every such infant or child  
9 in its or his care a test for phenylketonuria, homozygous sickle cell  
10 disease, hypothyroidism, branched-chain ketonuria, galactosemia, homo-  
11 cystinuria, critical congenital heart defects through pulse oximetry  
12 screening, and with regard to any newborn infant who is identified as,  
13 or suspected of, having a hearing impairment as a result of a screening  
14 conducted pursuant to section twenty-five hundred-g of this title, cause  
15 to be administered to such infant a urine polymerase chain reaction  
16 (PCR) test for cytomegalovirus, unless the parent of the infant objects  
17 thereto, and such other diseases and conditions as may from time to time  
18 be designated by the commissioner in accordance with rules or regu-  
19 lations prescribed by the commissioner. Testing, the recording of the  
20 results of such tests, tracking, follow-up reviews and educational  
21 activities shall be performed at such times and in such manner as may be  
22 prescribed by the commissioner. The commissioner shall promulgate regu-

lations setting forth the manner in which information describing the purposes of the requirements of this section shall be disseminated to parents or a guardian of the infant tested.

§ 2. The public health law is amended by adding a new section 2500-1 to read as follows:

§ 2500-1. Cytomegalovirus public education. 1. The department shall develop and publish informational materials for women who may become pregnant, expectant parents and parents of infants regarding:

(a) the incidence of cytomegalovirus;

(b) the transmission and risks of cytomegalovirus to pregnant women and women who may become pregnant;

(c) birth defects caused by congenital cytomegalovirus;

(d) methods of diagnosing congenital cytomegalovirus;

(e) the available preventive measures to avoid the infection of women who are pregnant or may become pregnant; and

(f) available methods of treating cytomegalovirus and resources available for families of children born with cytomegalovirus.

2. The department shall publish the information required pursuant to subdivision one of this section on its internet website, and distribute information regarding birth defects, treatment and resources to all hospitals performing cytomegalovirus testing pursuant to section twenty-five hundred-a of this title.

3. The department may promulgate rules to implement the purposes of this section.

§ 3. This act shall take effect immediately; except that section one of this act shall take effect on the one hundred twentieth day after it shall have become a law; provided, however, that effective immediately, the addition, amendment and/or repeal of any rule or regulation necessary for the implementation of section one of this act on its effective date are authorized and directed to be made and completed on or before such effective date.
