2 comprise the metropolitan transportation commuter district established
3 pursuant to section twelve hundred sixty-two of the public authorities
4 law, in addition to the receipts collected under section twelve hundred
5 eighty-one of the tax law. Provided, however, that if the aggregate
6 amount of revenues retained by the metropolitan transportation authority
7 pursuant to paragraph ten of subdivision (c) of section eleven hundred
8 five of the tax law and section twelve hundred eighty-one of the tax law
9 is less than eighty-five million dollars, then the comptroller shall
10 increase the percentage of state sales and compensating use taxes
11 retained by the metropolitan transportation authority until it retains
12 no less than eighty-five million dollars for the state fiscal year
13 ending March thirty-first, two thousand eighteen. Further, the comp-
14 troller shall increase the level of transfer from the general fund for
15 subsequent state fiscal years to an amount equal to the product of the
16 aggregate amount discussed in the previous sentence and one plus the
17 consumer cost change factor. For purposes of this subparagraph, the
18 consumer cost change factor is the percentage of change of the national
19 consumer cost index for the most recent twelve month period relative to
20 the previous twelve month period.

21 § 3. Subdivision 5 of section 88-a of the state finance law is amended
22 by adding a new paragraph (d) to read as follows:

23 (d) The comptroller is hereby authorized and directed to transfer
24 fifty percent of the gross receipts of state sales and compensating use
25 taxes collected pursuant to section eleven hundred five of the tax law
26 on transportation services provided by transportation network companies
27 originating outside the metropolitan transportation commuter district to
28 the public transportation system operating assistance account estab-
29 lished under this subdivision. These transfers shall not be included for
30 purposes of calculating the sales tax growth factor established in para-
31 graph (c) of this subdivision, and shall supplement the additional
32 transfers indexed to the sales tax growth factor required under this
33 subdivision. Transfers provided under this paragraph shall not be used
34 to offset reduced transfers under paragraph (c) of this subdivision.

35 § 4. This act shall take effect immediately.
