2 by such agencies and officials;

3 6. To enter upon such lands, waters or premises as in the judgment of
4 the authority shall be necessary for the purpose of making surveys,

7 7. Subject to its agreement with the county, to generate, supply and
8 sell light, heat and power and any connected services within the
9 district, to fix rates and charges for the furnishing or rendition of
10 light, heat or power or of any connected service, and to collect through

12 to the authority sufficient at all times to pay, as the same shall
13 become due, the principal of and interest on the bonds of the authority
14 together with the maintenance of proper reserves therefor, in addition
15 to paying as the same shall become due the expense of operating and

2 the power authority of the state of New York, or from any state agency,
3 or from any municipality or cooperative, or from any private or public

5 § 1239. Sale of surplus. Whenever any electrical energy which the
6 authority may generate or acquire creates a surplus over the amount of
7 light, heat and power, in any of such services, required by the resi-
8 dents of the district to which such service is contracted, the authority
9 may sell such surplus in territory outside the district to persons or
10 public or private corporations. In acquiring any facility or property
11 which also serves any municipality or territory outside the district,
12 the authority, if it deems it advantageous and economical so to do, may,
13 with the consent of the members of the authority, serve any such munici-

20 any of its corporate purposes, including incidental expenses in
21 connection therewith, and to secure the payment of the same by the
22 pledge of the revenues of the authority or by lien on the property of
23 the authority. The authority shall have power from time to time whenever
24 it deems refunding expedient, to refund any bonds by the issuance of new
25 bonds, whether the bonds to be refunded have or have not matured, and

38 the payment or repayment of interest or principal, or both, or any part
39 thereof, on any bonds issued by the authority and to enter into any
40 agreement or contract with respect to any such insurance or guaranty,
41 except to the extent that the same would in any way impair or interfere
42 with the ability of the authority to perform and fulfill the terms of
43 any agreement made with the holders of outstanding bonds of the authori-
44 ty.

45 3. The bonds shall be authorized by resolution of the authority and

54 resolution or resolutions may provide. Such bonds of the authority may
55 be sold at public or private sale for such price or prices as the
56 authority shall determine, provided that no issue of bonds may be sold

1 at private sale unless the terms of such sale shall have been approved
2 in writing by (a) the comptroller, where such sale is not to such comp-
3 troller, or (b) the director of the budget, where such sale is to such
4 comptroller. The foregoing provisions shall be applicable to bonds
5 issued by the authority notwithstanding the provisions of any other
6 general, special or local law to the contrary.

12 authority to secure the payment of the bonds or of any issue of the
13 bonds, subject to such agreements with bondholders as may then exist;

18 and the regulation and disposition thereof;

19 (d) limitations on the right of the authority to restrict and regulate
20 the use of the properties in connection with which such bonds are
21 issued;

22 (e) limitations in the purposes to which the proceeds of sale of any
23 issue of bonds may be applied and pledging such proceeds to secure the
24 payment of the bonds or any issue of the bonds;

26 which additional bonds may be issued and secured and the refunding of
27 outstanding or other bonds;

28 (g) the procedure, if any, by which the terms of any contract with
29 bondholders may be amended or abrogated, including the proportion of

35 ture securing the bonds or under which bonds may be issued;

36 (j) vesting in a trustee or trustees such properties, rights, powers
37 and duties in trust as the authority may determine, which may include
38 any or all of the rights, powers and duties of the trustee appointed by
39 the bondholders pursuant to section twelve hundred forty-one of this
40 title, and limiting or abrogating the right of the bondholders to
41 appoint a trustee under such section or limiting the rights, duties and
42 powers of such trustee;

43 (k) defining the acts or omissions to act which may constitute a
44 default in the obligations and duties of the authority to the bondhold-
45 ers and providing for the rights and remedies of the bondholders in the
46 event of such default, including as a matter of right the appointment of
47 a receiver, provided, however, that such rights and remedies shall not
48 be inconsistent with the general laws of the state and other provisions
49 of this title;

50 (l) limitations on the power of the authority to sell or otherwise
51 dispose of its properties or any part thereof;

52 (m) limitations on the amount of moneys or revenues to be expended for
53 operating, administrative or other expenses of the authority;

54 (n) the payment of the proceeds of bonds, revenues and other moneys to
55 a trustee or other depository, and for the method of disbursement there-

1 of with such safeguards and restrictions as the authority may determine;
2 and

3 (o) any other matters, of like or different character, which may in
4 any way affect the security or protection of the bonds or the rights and
5 remedies of bondholders.

6 5. In addition to the powers herein conferred upon the authority to
7 secure its bonds, the authority shall have power in connection with the
8 issuance of bonds to enter into such agreements as the authority may
9 deem necessary, convenient or desirable concerning the use or disposi-
10 tion of its revenues or other moneys or property, including the mortgag-
11 ing of any of its properties and the entrusting, pledging or creation of
12 any other security interest in any such revenues, moneys or properties
13 and the doing of any act, including refraining from doing any act, which
14 the authority would have the right to do in the absence of such agree-
15 ments. The authority shall have power to enter into amendments of any
16 such agreements within the powers granted to the authority by this title
17 and to perform such agreements. The provisions of any such agreements
18 may be made a part of the contract with the holders of bonds of the
19 authority.

20 6. Any provision of the uniform commercial code to the contrary
21 notwithstanding, any pledge of or other security interest in revenues,
22 moneys, accounts, contract rights, general intangibles or other personal
23 property made or created by the authority shall be valid, binding and
24 perfected from the time when such pledge is made or other security
25 interest attaches without any physical delivery of the collateral or
26 further act, and the lien of any such pledge or other security interest
27 shall be valid, binding and perfected against all parties having claims
28 of any kind in tort, contract or otherwise against the authority irre-
29 spective of whether or not such parties have notice thereof. Neither the
30 resolution nor any other instrument by which such pledge or security
31 interest is created nor any financing statement relating thereto need be
32 recorded or filed.

33 7. Whether or not the bonds of the authority are of such form and
34 character as to be negotiable instruments under the terms of the uniform
35 commercial code, the bonds are hereby made negotiable instruments within
36 the meaning of and for all purposes of the uniform commercial code,
37 subject only to the provisions of the bonds for registration.

38 8. Neither the members nor officers of the authority, nor any person
39 executing the bonds shall be liable personally on the bonds or be
40 subject to any personal liability or accountability by reason of the
41 issuance thereof.

42 9. The authority, subject to such agreements with bondholders as then
43 may exist, shall have power out of any funds available therefor to
44 purchase bonds of the authority, which shall thereupon be cancelled.

45 10. The authority shall have power and is hereby authorized to issue
46 negotiable bond anticipation notes in conformity with applicable
47 provisions of the uniform commercial code and may renew the same from
48 time to time but the maximum maturity of any such note, including
49 renewals thereof, shall not exceed five years from the date of issue of
50 such original note. Such notes shall be paid from any moneys of the
51 authority available therefor and not otherwise pledged or from the
52 proceeds of sale of the bonds of the authority in anticipation of which
53 they were issued. The notes shall be issued in the same manner as the
54 bonds and such notes and the resolution or resolutions authorizing the
55 same may contain any provisions, conditions or limitations which the
56 bonds or a bond resolution of the authority may contain. Such notes may

1 be sold at public or private sale for such price or prices as the
2 authority shall determine, provided that no issue of notes may be sold
3 at private sale unless the terms of such sale shall have been approved
4 in writing by (a) the comptroller, where such sale is not to such comp-
5 troller, or (b) the director of the budget, where such sale is to such
6 comptroller.

7 § 1241. Remedies of bondholders. 1. In the event that the authority
8 shall default in the payment of principal of or interest on any issue of
9 the bonds after the same shall become due, whether at maturity or upon
10 call for redemption, and such default shall continue for a period of
11 thirty days, or in the event that the authority shall fail or refuse to
12 comply with the provisions of this title, or shall default in any agree-
13 ment made with the holders of any issue of the bonds, the holders of
14 twenty-five per centum in aggregate principal amount of the bonds of
15 such issue then outstanding, by instrument or instruments filed in the
16 office of the clerk of the county of Albany and proved or acknowledged
17 in the same manner as a deed to be recorded, may appoint a trustee to
18 represent the holders of such bonds for the purposes herein provided.

19 2. Such trustee may, and upon written request of the holders of twen-
20 ty-five per centum in principal amount of such bonds then outstanding
21 shall, in his, her or its own name:

22 (a) by action or proceeding in accordance with the civil practice law
23 and rules, enforce all rights of the bondholders and require the author-
24 ity to carry out any agreements with the holders of such bonds and to
25 perform its duties under this title;

26 (b) bring an action or proceeding upon such bonds;

27 (c) by action or proceeding, require the authority to account as if it
28 were the trustee of an express trust for the holders of such bonds;

29 (d) by action or proceeding in equity, enjoin any acts or things which
30 may be unlawful or in violation of the rights of the holders of such
31 bonds;

32 (e) declare all such bonds due and payable, and if all defaults shall
33 be made good then with the consent of the holders of twenty-five per
34 centum of the principal amount of such bonds then outstanding, annul
35 such declaration and its consequences.

36 3. The supreme court shall have jurisdiction of any action or proceed-
37 ing by the trustee on behalf of bondholders. The venue of any such
38 action or proceeding shall be laid in the county.

39 4. Before declaring the principal of bonds due and payable, the trus-
40 tee shall first give thirty days' notice in writing to the authority.

41 5. Any such trustee whether or not the issue of bonds represented by
42 such trustee has been declared due and payable, shall be entitled as of
43 right to the appointment of a receiver of any part or parts of the prop-
44 erties the revenues of which are pledged for the security of the bonds
45 of such issue and such receiver may enter and take possession of such
46 part or parts of the properties and subject to any pledge or agreement
47 with bondholders shall take possession of such part or parts of such
48 properties and proceed with any construction thereon or the acquisition
49 of any property, real or personal in connection therewith which the
