AN ACT to amend the executive law and the general municipal law, in relation to requiring certain police officers to be re-trained in cardiopulmonary resuscitation every two years

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Short title. This act shall be known and may be cited as "Briana's law".

§ 2. The executive law is amended by adding a new section 214-e to read as follows:

§ 214-e. Cardiopulmonary resuscitation training and retraining. 1. For the purposes of this section, "cardiopulmonary resuscitation" shall have the same meaning as provided in subdivision six of section six hundred twenty-one of the general business law.

2. Each member of the division of state police shall be:

(a) trained in cardiopulmonary resuscitation during the training process to become a trooper;

(b) retrained in cardiopulmonary resuscitation every two years; and

(c) required to demonstrate the satisfactory completion of training in cardiopulmonary resuscitation.

§ 3. The general municipal law is amended by adding a new section 208-h to read as follows:

§ 208-h. Cardiopulmonary resuscitation training and retraining for police departments in cities having a population of one million or more 1. For the purposes of this section, "cardiopulmonary resuscitation"

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.

shall have the same meaning as provided in subdivision six of section six hundred twenty-one of the general business law.

2. Every police department in a city having a population of one million or more shall provide all uniformed personnel of such department training in cardiopulmonary resuscitation and direct that such training be completed at least every two years to the extent practicable, but no later than every four years.

§ 4. Cardiopulmonary resuscitation report. No later than May 1, 2018 and every May first thereafter, the police department of the city of New York and the division of state police shall provide to the legislature a report which shall include the total number of uniformed officers assigned to a patrol precinct, transit district, or police service area in the past calendar year, disaggregated by: (a) the total number trained in cardiopulmonary resuscitation; (b) the total number of officers newly trained in cardiopulmonary resuscitation in the past calendar year; (c) the total number of officers re-trained in cardiopulmonary resuscitation in the past calendar year.

§ 5. This act shall take effect on the sixtieth day after it shall have become a law.
