3. (a) Clearance. (i) After receipt of a criminal history record from the division of criminal justice services and the federal bureau of investigation the commissioner shall promptly notify the appropriate school district, charter school, board of cooperative educational services, contracted service providers of student support services or nonpublic or private elementary or secondary school whether the prospective employee to which such report relates is cleared for employment based upon his or her criminal history. All determinations to grant or deny clearance for employment pursuant to this paragraph shall be performed in accordance with subdivision sixteen of section two hundred ninety-six of the executive law and article twenty-three-A of the

15 fingerprint results, whether the employee first completed a form
16 provided to them by the contracted service provider of student support
17 services, or received a form previously from a school district, charter

21 they were not destroyed.

22 (b) Conditional clearance. When the commissioner receives a request
23 for a determination on the conditional clearance of a prospective

25 from the division of criminal justice services, shall promptly notify
26 the prospective employee and the appropriate school district, charter
27 school, board of cooperative educational services, contracted service
28 providers of student support services or nonpublic or private elementary
29 or secondary school that the prospective employee to which such report

51 employment pursuant to this subdivision shall be performed in accordance
52 with subdivision sixteen of section two hundred ninety-six of the execu-

55 such prospective employee shall be afforded notice and the right to be

1 heard and offer proof in opposition to such determination in accordance
2 with the regulations of the commissioner.
