AN ACT to amend the general municipal law, in relation to allowing Westchester county to require bidders for public works, construction or purchase contracts to hire and retain persons residing in certain targeted communities

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The general municipal law is amended by adding a new  
2 section 103-h to read as follows:

3 § 103-h. Contracts for public works in Westchester county; targeted  
4 communities. 1. For the purposes of this section, a "targeted community"  
5 shall mean any city, town, or village or census tract within a munici-  
6 pality, within a county where the combined average of the unemployment  
7 rate and the poverty rate of such community is greater than the combined  
8 countywide average of unemployment and poverty rate by ten percent.

9 2. Notwithstanding any provision of law, the county of Westchester may  
10 require the lowest responsible bidder for all public works, construction  
11 or purchase contracts to hire and retain persons residing in certain  
12 targeted communities having the highest rates of unemployment within  
13 such county.

14 3. The county may require that:

15 a. at least ten percent of the labor costs of construction contracts  
16 awarded by the county be spent to hire persons residing in the targeted  
17 communities within that county;

EXPLANATION--Matter in italics (underscored) is new; matter in brackets  
[-] is old law to be omitted.

LBD08618-05-8

1 b. at least twenty percent of the labor costs of construction  
2 contracts be spent to hire persons residing in the targeted communities,  
3 if the combined average unemployment and poverty rate for a targeted  
4 community is greater than twenty percent of the combined countywide  
5 average of unemployment rate and the poverty rate; and

6 c. at least thirty percent of the labor costs of construction  
7 contracts cost be spent to hire persons residing in the targeted commu-  
8 nities if the combined average community unemployment and poverty rate  
9 is greater than thirty percent of the combined countywide average of  
10 unemployment rate and the poverty rate.

11 4. The combined average unemployment rate and poverty rate shall be  
12 computed annually based on statistics published by the New York state  
13 bureau of labor statistics or similar government agencies for the period  
14 ending December thirty-first of the year preceding the year in which the  
15 contract is awarded. The county, in its sole discretion, may use the  
16 most recent United States census data in determining the unemployment  
17 rate and poverty rate of a targeted community or combined countywide  
18 unemployment rate and poverty rate instead of data published by the New  
19 York state bureau of labor statistics. The combined average shall be the  
20 sum of the preceding year end unemployment rate plus the preceding year  
21 end poverty rate divided by two.

22 5. The combined average unemployment rate and poverty rate shall be  
23 established annually by resolution or local law of the county. The  
24 county may require bidders to hire and retain persons who were previous-  
25 ly incarcerated and who are participating in a re-entry program in such  
26 county.

27 6. The county may require the lowest responsible bidder to establish  
28 apprenticeship and training programs for workers residing within the  
29 targeted communities in certain construction trades specified in a  
30 resolution or local law passed by such county.

31 § 2. This act shall take effect on the thirtieth day after it shall  
32 have become a law.
