AN ACT directing the president of the civil service commission to study and publish a report on nurse practitioners

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

- Section 1. It is the policy of this state to pursue equitable compensation for similar titles/duties within the state workforce and provide for opportunities for career advancement. Compensation should be based not only on educational requirements, but also on the actual duties, experience and advanced educational certification. The job title of nurse practitioner is overdue for a thorough review by the civil service commission.
 - § 2. The president of the state civil service commission is hereby directed to study and publish a report on the job title of nurse practitioner. The study and report shall include, but not be limited to:
 - (a) the current job description of nurse practitioner and any changes that should be made to more accurately reflect the actual duties;
- 13 (b) determination if the current grade 24 adequately reflects the 14 actual complexity of responsibilities and duties;
- 15 (c) the identification of a career ladder to be utilized in line with 16 other professionals such as registered nurses, social workers, rehabili-17 tation counselors, dentists and doctors;
- 18 (d) the correlation between career ladders and the impact on 19 retention; and
