The department shall promulgate regulations establishing minimum standards and practices for the delivery of child protective services in connection with monitoring and supervising respondents and their families as ordered by a family court pursuant to section ten hundred thirty-nine and paragraphs (i), (iii), (iv) and (v) of subdivision (a) of section ten hundred fifty-two of the family court act. The department shall require that every caseworker, child protective services employee or any person acting pursuant to a contract for services with a local social services department who has contact with a child as part of a treatment plan or supervision and monitoring, to document each such contact with a date and time stamped photograph of the front door of the residence where such child is domiciled during such visit or contact using a global positioning satellite capable tablet, cellular phone or comparable device.
