- AN ACT to amend the public health law and the civil rights law, in relation to prohibiting the making and/or broadcasting of visual images of individuals undergoing medical treatment without prior written consent

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The public health law is amended by adding a new section 2 2806-c to read as follows: 3 § 2806-c. Restrictions on broadcasting of patients. 1. Every patient 4 in a health care facility shall have the right to have privacy in treat-5 ment and in caring for personal needs, including the broadcasting of the б recognizable image or speech of such patient involved in a health care 7 procedure in such facility, with the exception of broadcasting such 8 image or speech for the purposes of advancing the health care treatment 9 of the individual, a quality assurance program, the education or train-10 ing of health care personnel, or necessary security purposes. 2. Such privacy in treatment shall include the obtaining by the health 11 12 care facility of express written consent on a separate document used 13 solely for such purpose from an individual receiving treatment in such 14 facility prior to broadcasting the recognizable image or speech of such 15 patient involved in such treatment. In the case of broadcasting the 16 recognizable image or speech for education or training of health care 17 personnel, the patient shall have the right to know of and shall have 18 the right to refuse the broadcasting for that purpose.
