1 (\$5,000,000,000), is hereby authorized to provide moneys for the single  
2 purpose of preserving, enhancing, restoring and improving the quality of  
3 the state's water by the accomplishment of projects and the funding of  
4 activities by state agencies, public authorities and public benefit  
5 corporations, municipalities, and other governmental entities and not-  
6 for-profit corporations for and related to protecting, improving and  
7 enhancing the quality of drinking water and enhancement of water bodies;  
8 by providing funds for water quality related research and development;  
9 for repairing, replacing and updating municipal wastewater, stormwater  
10 and drinking water infrastructure; and for restoring and improving  
11 contaminated areas and returning those to productive use; for improving  
12 environmental health.

13 The legislature may, by appropriate legislation and subject to such  
14 conditions as it may impose, make available out of the proceeds of the  
15 sale of bonds authorized in section three of this act, moneys disbursed  
16 or to be disbursed for state programs or state assistance payments  
17 toward the cost of such programs undertaken by or through a state or  
18 local public authority or public benefit corporation, not-for-profit  
19 corporation, county, city, town, village, school district, supervisory  
20 district, district corporation, improvement district within a county,  
21 city, town, village, or Indian tribe residing in whole or in part within  
22 the state, or any combination thereof, for the purpose of preserving,  
23 enhancing, restoring and improving the quality of the state's environ-  
24 ment and natural resources. Provided however, that funds expended from  
25 moneys derived from the sale of bonds authorized in section three of  
26 this act that are later recovered under a state or federal superfund or  
27 through other means from polluters shall be repaid to satisfy any state  
28 debt created pursuant to this act.

29 § 3. Bonds of the state. The state comptroller is hereby authorized  
30 and empowered to issue and sell bonds of the state to the amount of five  
31 billion dollars (\$5,000,000,000), for the purpose of this act, subject  
32 to the provisions of article 5 of the state finance law.

33 The aggregate principal amount of such bonds shall not exceed five  
34 billion dollars (\$5,000,000,000), excluding bonds issued to refund or  
35 otherwise repay bonds theretofore issued for such purpose; provided,  
36 however, that upon any such refunding or repayment the total aggregate  
37 principal amount of outstanding bonds may be greater than five billion  
38 dollars (\$5,000,000,000), only if the present value of the aggregate  
39 debt service of the refunding or repayment bonds to be issued shall not  
40 exceed the present value of the aggregate debt service of the bonds to  
41 be refunded or repaid. The method for calculating present value shall be  
42 determined by law. Any funds expended from moneys derived from the sale  
43 of bonds pursuant to this section that are subsequently recovered under  
44 state or federal superfund or other methods from polluters shall be used  
45 to repay the bonds.

46 § 4. Use of moneys received. The moneys received by the state from the  
47 sale of bonds sold pursuant to this act shall be expended pursuant to  
48 appropriations to further fund the clean water infrastructure act of  
49 2017 including, but not limited to, funds for the water infrastructure  
50 improvement act of 2017, water quality improvement projects, source  
51 water protection, septic system replacement and mitigation of water  
52 systems to reduce exposure to emerging contaminants.

53 § 2. This act shall not take effect unless and until it shall have  
54 been submitted to the people at the general election to be held in  
55 November, and shall have received a majority of all votes cast for and

1 against it at such election. Upon approval by the people, this act shall  
2 take effect immediately.

3 The ballots to be furnished for the use of voters upon submission of  
4 this act shall be in the form prescribed by the election law and the  
5 proposition or question to be submitted shall be printed thereon in  
6 substantially the following form, namely, "Shall chapter (here insert  
7 the number of the chapter) of the laws of 2018, known as the clean water  
8 bond act of 2018, authorizing the creation of a state debt in the amount  
9 of five billion dollars (\$5,000,000,000), to provide moneys for the  
10 enhancing of drinking water quality, and the preservation and restora-  
11 tion of the state's water resources be approved?".
