- Introduced by Sens. KRUEGER, AVELLA, BAILEY, HOYLMAN, MONTGOMERY, PARK-ER, SERRANO, STAVISKY -- read twice and ordered printed, and when printed to be committed to the Committee on Higher Education -- recommitted to the Committee on Higher Education in accordance with Senate Rule 6, sec. 8 -- committee discharged, bill amended, ordered reprinted as amended and recommitted to said committee
- AN ACT to amend the education law, the insurance law and the public health law, in relation to providing for dispensing emergency contraception under certain conditions

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Short title. This act shall be known and may be cited as 2 the "unintended pregnancy prevention act".

3 § 2. Legislative findings. The United States Food and Drug Adminis-4 tration (FDA) has declared emergency contraceptive drugs to be safe and 5 effective. There is neither medical nor public health research that validates an age restriction on access to emergency contraception (EC). 6 7 Furthermore, no specific medical conditions preclude a woman from using 8 EC. The only contraindication to EC use is pregnancy itself, not because 9 it represents a danger to the woman or to the embryo but because it 10 would be inefficient in preventing the pregnancy. Pregnancy prevention, not abortion, is caused by the use of emergency contraceptive drugs. 11

The legislature deems it necessary to guarantee immediate access to EC to all, especially young women. Nearly thirty percent of United States teenage girls become pregnant before reaching twenty years of age. Teens are more likely than adults to experience contraceptive failure, which may lead to unintended pregnancies and consequently dangerous medical issues for both mother and baby.

18 The legislature deems it necessary to create a structure for simplify-19 ing access to EC for these women, while respecting and preserving the 20 prescribing scope of practice for physicians, nurse practitioners, and

1 midwives; the treating and case-finding scope of practice of registered 2 professional nurses; and the dispensing scope of practice of pharmacists. This act does not alter the scope of such professions, nor does 3 4 this legislation interfere with non-prescription access to EC where it 5 is otherwise lawful. б § 3. Subdivision 6 of section 6527 of the education law, as added by 7 chapter 573 of the laws of 1999, paragraph (c) as amended by chapter 464 8 of the laws of 2015, paragraph (d) as added by chapter 429 of the laws 9 of 2005, paragraph (e) as added by chapter 352 of the laws of 2014, 10 paragraph (f) as added by section 6 of part V of chapter 57 of the laws of 2015 and paragraph (g) as added by chapter 502 of the laws of 11 2016, is amended to read as follows: 12 13 6. A licensed physician may prescribe and order a non-patient specific 14 regimen [to a registered professional nurse], pursuant to regulations 15 promulgated by the commissioner, and consistent with the public health 16 law, [for] <u>to</u>: 17 (a) <u>a registered professional nurse for:</u> 18 (i) administering immunizations[-]; 19 [(b)] (ii) the emergency treatment of anaphylaxis[-]; 20 21 other tests to detect or screen for tuberculosis infections $[-]_{:}$ [(d)] (iv) administering tests to determine the presence of the human 22 23 immunodeficiency virus[+]; $[(\bullet)]$ (v) administering tests to determine the presence of the hepati-24 25 tis C virus[-]; 26 [(f)] (vi) the urgent or emergency treatment of opioid related over-27 dose or suspected opioid related overdose[+]; [(g)] (vii) screening of persons at increased risk of syphilis, gonor-28 29 rhea and chlamydia[+]; 30 (viii) emergency contraception, to be administered to or dispensed to 31 be self-administered by the patient, under section sixty-eight hundred 32 thirty-two of this title; or (b) A licensed pharmacist, for dispensing emergency contraception, to 33 be self-administered by the patient, under section sixty-eight hundred 34 35 thirty-two of this title. § 4. Subdivision 3 of section 6807 of the education law, as added by 36 37 chapter 573 of the laws of 1999, is amended and a new subdivision 4 is 38 added to read as follows: 39 3. A pharmacist may dispense drugs and devices to a registered professional nurse, and a registered professional nurse may possess and admin-40 ister, drugs and devices, pursuant to a non-patient specific regimen 41 42 prescribed or ordered by a licensed physician, licensed midwife or certified nurse practitioner, pursuant to regulations promulgated by the 43 44 commissioner and the public health law. 45 4. A licensed pharmacist may dispense a non-patient specific regimen 46 of emergency contraception, to be self-administered by the patient, prescribed or ordered by a licensed physician, certified nurse practi-47 tioner, or licensed midwife, under section sixty-eight hundred thirty-48 49 two of this article. § 5.
