### CONCURRENT RESOLUTION OF THE SENATE AND ASSEMBLY

proposing an amendment to section 7 of article 5 of the constitution, in relation to the public pension of a public officer

1 Section 1. Resolved (if the Assembly concur), That section 7 of article 5 of the constitution be amended to read as follows:

2 § 7. (a) After July first, nineteen hundred forty, membership in any  
3 pension or retirement system of the state or of a civil division thereof  
4 shall be a contractual relationship, the benefits of which shall not be  
5 diminished or impaired.

6 (b) Notwithstanding subdivision (a) of this section, the public  
7 pension of a public officer, as defined in paragraph (c) of this  
8 section, who stands convicted of a felony for which such felony has a  
9 direct and actual relationship to the performance of the public offi-  
10 cer's existing duties, may be reduced or revoked, following notice and a  
11 hearing by an appropriate court, as provided by law. The court determi-  
12 nation whether to reduce or revoke such pension shall be based on the  
13 consideration of factors including the severity of the crime and the  
14 proportionality of a reduction or revocation of such pension to such  
15 crime. When a court issues an order to reduce or revoke such pension,  
16 the court shall consider and determine specific findings as to the  
17 amount of such forfeiture, if any, and whether forfeiture, in whole or  
18 in part, would result in undue hardship or other inequity upon any  
19 dependent children, spouse or other dependents; and other factors as  
20 provided by law. The legislature shall enact legislation to implement  
21 this amendment taking into account interests of justice.

22 (c) For the purposes of paragraph (b) of this section, the term  
23 "public officer" shall mean: (i) an official filling an elected office  
24 within the state; (ii) a holder of office filled by direct appointment
