designated on the same petition shall be rotated together alphabetically in relation to other groups or individual candidates according to the surname of the first person listed on such designating petition in the 3 group of candidates for whichever of such delegate or alternate delegate 4 positions will appear first on the voting machine. If the rules of a 6 party committee provide for equal representation of the sexes among the members of a state committee elected from each unit of representation, elections for male and female members of such a committee from a single 7 8 9 unit of representation shall be conducted as elections for two different 10 party positions]. Notwithstanding the provisions of this paragraph, if 11 the board of elections has assigned numbers to the candidates for an office [or position] because of identical or similar names among such 12 13 candidates, the names of such candidates shall be placed under the title 14 of such office [or position] in the order of such numbers in such first 15 or lowest numbered district, and the names shall not be rotated by 16 election district. Such names shall appear in the identical order on 17 each ballot in each election district.

[County committee candidates or groups of candidates shall be printed within the first election district of each assembly district or part thereof, according to the priority of filing of designating petitions and they shall then be rotated by election district by placing the 22 candidate or group of candidates designated in the same petition as the candidate or group of candidates which was printed first in an election district at the bottom of the order in the next succeeding election 25 district in which a candidate or group of candidates designated in such petition appears on the ballot.

In cases where a name is added to or removed from the ballot by court 28 order too late to make a complete adjustment to these requirements feasible, the name may be added at the bottom of the list of candidates 30 in all election districts, or removed from the ballot in all election 31 districts without changing the previously arranged order of other names 32 and without invalidating the election. Any inadvertent error in the 33 order of names discovered too late to correct the order of the names on the ballots concerned shall not invalidate an election.

Except where a contest or candidate is removed from the ballot by court order too late to make complete compliance with this paragraph feasible, the title of each public office [er party position] and the names of the candidates for such office [or position] appearing on any $[{\color{red} {\tt voting machine}}] \quad {\color{blue} {\tt ballot}} \quad {\color{blue} {\tt used}} \quad {\color{blue} {\tt for primary elections}} \quad {\color{blue} {\tt in the city of New}}$ York shall appear on such [machine] ballot immediately adjacent to one another, either horizontally or vertically; and no blank spaces shall separate the names of candidates actually running for an office [ex 43 party position on such [voting machine] ballot, and no blank spaces 44 shall separate any two such offices [or positions] which appear on such [voting machine] ballot in the same column or row.

§ 2. This act shall take effect immediately.
