(iv) a person who serves in the title of correction lieutenant, correction captain, deputy assistant superintendent or superintendent on the effective date of this clause and who elects the retirement plan established pursuant to this article within ninety days of the effective date of this clause. § 2. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would allow certain Tier 3, 5 and 6 correction lieutenants, correction captains, deputy assistant superintendents and superintendents under the jurisdiction of the department of corrections and community supervision of New York State to become eligible to receive benefits under the provisions of Article 15 of the Retirement and Social Security Law instead of the special plan giving 50% of final average salary at 25 years of service. Affected members would have 90 days from the later of the effective date of this bill and their date of being appointed to one of the aforementioned titles to file for this benefit. Such elections shall be irrevocable.

If this bill is enacted during the 2018 legislative session, there will be an immediate past service cost for members currently in these titles of approximately $52.8 million, which would be borne by the State of New York as a one-time payment. This estimate is based on the assumption that payment will be made on March 1, 2019.

In addition to this cost, there would also be future costs for members who are appointed to these titles and become eligible for this improved benefit in the future. These costs would depend on the age, service, salary and tier of the affected members, and would be paid by the State of New York as one time payments as they occur.

This estimate is based on 627 members in these titles with a total annual salary of approximately $67 million for the fiscal year ending March 31, 2017.
