2017-2018 Regular Sessions

IN SENATE

February 8, 2017

Introduced by Sens. CARLUCCI, KLEIN, KRUEGER, MONTGOMERY, SAVINO -- read twice and ordered printed, and when printed to be committed to the Committee on Investigations and Government Operations

AN ACT to amend the public buildings law, in relation to bicycle access to public office buildings

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Section 11 of the public buildings law, as added by chapter
2 819 of the laws of 1987 and subdivision 2 as amended by chapter 126 of
3 the laws of 1988, is amended to read as follows:

4 § 11. [~~Pilot program~~] Program of bicycle parking facilities. 1.
5 Legislative finding. In recognition of the role which bicycles can serve
6 as a valuable transportation mode with energy conservation, health,
7 physical fitness and environmental benefits, it is hereby declared to be
8 the policy of the state that provision for adequate and safe bicycle
9 facilities including the use of present facilities for safe and secure
10 bicycle parking be included in the planning [~~and~~], development,
11 construction or reconstruction of all state facilities.

12 2. (a) The commissioner of general services shall undertake a [~~pilot~~]
13 program for the provision and promotion of safe and secure bicycle park-
14 ing facilities at state office buildings for state employees and visi-
15 tors at such buildings. The commissioner[~~, within one year of the enact-~~
16 ~~ment of this section,~~] of general services shall provide, at the
17 principal office buildings under his or her superintendence at the
18 Nelson A. Rockefeller Empire State Plaza in Albany[~~, New York~~], secure
19 bicycle parking facilities for use by employees and visitors. Provided,
20 further, that the commissioner of general services shall make an inven-
21 tory of all existing bicycle parking facilities at all state office
22 buildings and office buildings in which the state leases or occupies
23 space. Such inventory shall be made only of state owned or leased build-
24 ings or offices which have over fifty state employees located at such

1 site or in which the visitation rate by the general public is over five
2 hundred visitors, on average, each month. Such inventory of bicycle
3 parking and storage facilities shall be completed within two years of
4 the effective date of the chapter of the laws of two thousand seventeen
5 which amended this section.

6 (b) The commissioner of general services is also authorized, within a
7 reasonable period and where feasible, to provide suitable support facil-
8 ities including clothing lockers, showers and changing facilities, and
9 to charge a reasonable use fee.

10 (c) For the purpose of this section, the term "bicycle parking facili-
11 ty" means a device or enclosure, located within a building or installa-
12 tion, or conveniently adjacent thereto, that is easily accessible,
13 clearly visible and so located as to minimize the danger of theft of
14 bicycles. Such a device shall consist of a parking rack, locker, or
15 other device constructed to enable the frame and both wheels of a bicy-
16 cle to be secured with ease by use of a padlock in a manner that will
17 minimize the risk of theft, or an enclosure which limits access to the
18 bicycles and is under observation by an attendant.

19 3. Upon completion of a state office building bicycle parking facili-
20 ties inventory provided for in paragraph (a) of subdivision two of this
21 section, the commissioner of general services shall develop a plan to
22 expand bicycle parking to encourage the use of such facilities by state
23 employees and the general public that patronize such facilities to
24 conduct public business. Such plan shall be completed within eighteen
25 months after finalization of the parking facilities inventory. Such plan
26 may contain and address the following elements to encourage state
27 employees and the general public to use bicycles more frequently at each
28 state office building facility or leased premises:

29 (a) The inventory of bicycle parking facilities shall be ranked from
30 highest to lowest based on the existing unfulfilled demand for such
31 facilities at state office buildings. Such ranking shall also consider
32 increased future demand or the potential for increased future demand of
33 such parking and storage facilities;

34 (b) In urban settings, there should be a plan to develop an ample
35 supply of secure off-street bicycle parking or alternate indoor parking
36 or storage for such bicycles;

37 (c) Adequate posting of such bicycle parking facilities shall be
38 provided for and placed around such state office building facility to
39 encourage utilization of such parking facilities by state employees and
40 the general public;

41 (d) A marketing and community outreach plan should provide for the
42 dissemination of information to state employees, visitors to state
43 office buildings, and to the general public to encourage individuals to
44 use bicycles when traveling to such buildings or facilities; and

45 (e) The commissioner of general services may include and address any
46 other element in the plan as he or she deems appropriate.

47 4. In undertaking such [~~pilet~~] program, the office of general services
48 shall: (a) Consult with and cooperate with (i) [~~the statewide bicycle~~
49 ~~advisory council, (ii)~~] the [~~New York state~~] department of transporta-
50 tion regional bicycle coordinator[~~7-(iii)~~]; (ii) local bicycle planning
51 groups[~~7~~]; and [~~(iv)~~] (iii) persons, organizations, and groups served
52 by, interested in, or concerned with the area under study.

53 (b) Request and receive from any department, division, board, bureau,
54 commission or other agency of the state or any political subdivision
55 thereof or any public authority, any assistance and data as may be

1 necessary to enable the office of general services to carry out its
2 responsibilities under this section.

3 [~~(c) On or before the first day of January, nineteen hundred eighty-~~
4 ~~nine, a report shall be submitted to the governor and the legislature~~
5 ~~which shall include a determination of usage levels, a statement outlin-~~
6 ~~ing first year progress and the elements of a statewide plan for the~~
7 ~~provision of such facilities.~~]

8 5. Nothing in this section shall be construed to require the state or
9 the owner, lessee, manager or other person who is in control of a build-
10 ing governed by this section to provide space for stored bicycles at
11 such building or brought into such building or to permit a bicycle to be
12 parked in a manner that violates building or fire codes or any other
13 applicable law, rule or code, or which otherwise impedes ingress or
14 egress to such building.

15 6. There is hereby established a temporary bicycle commuting task
16 force to examine the development of sheltered bicycle parking in public
17 spaces.

18 (a) Such task force shall be comprised of nine members, including the
19 commissioner of general services, the commissioner of transportation,
20 the commissioner of motor vehicles and the commissioner of parks, recre-
21 ation and historic preservation or a designee of any such commissioners.
22 The remaining four members shall consist of a group of municipal plan-
23 ners, bicycle association representatives, building contractors and
24 engineers. They shall be appointed as follows: one member shall be
25 appointed by the temporary president of the senate; one member shall be
26 appointed by the minority leader of the senate; one member shall be
27 appointed by the speaker of the assembly; and one member shall be
28 appointed by the minority leader of the assembly.

29 (b) The chair of the temporary bicycle commuting task force shall be
30 the commissioner of general services. Members of the temporary bicycle
31 commuting task force shall serve without compensation and shall meet
32 when deemed necessary by the chair.

33 (c) Within eighteen months of the temporary bicycle commuting task
34 force's establishment, such task force shall issue a report to the
35 governor and the legislature. Such report shall include, but not be
36 limited to (i) an assessment of the demand for sheltered bicycle parking
37 in public spaces; (ii) an examination of the marketing and community
38 outreach efforts needed to encourage the use of bicycles; and (iii)
39 recommendations on establishing partnerships with entities to develop
40 bicycle parking facilities in public spaces. Such report shall be post-
41 ed on the website of each state agency that was a member of such task
42 force within twenty days from its submission to the governor. The tempo-
43 rary bicycle commuting task force shall cease to exist three months
44 after the issuance of its report.

45 § 2. This act shall take effect on the one hundred eightieth day after
46 it shall have become a law.
