1 § 2. The closing paragraph of subdivision 15 of section 213 of the
2 state finance law, as amended by chapter 291 of the laws of 2004, is
3 amended to read as follows:

4 This article and the related statutes that refer to this article do
5 not grant thrifts, credit unions, farm credit system institutions or the
6 New York business development corporation eligibility to accept public
7 funds or public moneys from public entities for investment purposes. For
8 farm credit system institutions, the linked deposit program is available
9 for loans with an agricultural purpose as defined by the farm credit act
10 of nineteen hundred seventy-one, as amended and regulations promulgated
11 thereunder. A linked deposit is intended to enable a lender to make a
12 linked loan to an eligible business and such deposit earns a yield lower
13 than posted rates in order to accomplish the goals of this article.

14 § 3. Section 213 of the state finance law is amended by adding a new
15 subdivision 24 to read as follows:

16 24. "Credit union" means any credit union chartered under article
17 eleven of the banking law or any federal credit union.

18 § 4. Section 454 of the banking law is amended by adding a new subdi-
19 vision 33-a to read as follows:

20 33-a. To accept moneys deposited by the commissioner of taxation and
21 finance or the comptroller as linked deposits and make linked loans
22 pursuant to article fifteen of the state finance law and to pledge
23 assets or furnish other security satisfactory in form and amount to the
24 depositor, for repayment of such moneys.

25 § 5. This act shall take effect immediately.
