FISCAL NOTE.-- Pursuant to Legislative Law, Section 50:

This bill would amend Section 6-r of the General Municipal Law to allow eligible participating employers of the New York State Teachers' Retirement System (NYSTRS) to establish a reserve sub-fund within the retirement contribution reserve fund for the purpose of reserving money to offset future required contributions to NYSTRS. An employer may pay into such sub-fund during any particular fiscal year an amount not to exceed two percent of the total compensation or salaries of all teachers employed by the employer who are members of NYSTRS paid during the immediately preceding fiscal year. Additionally, the total balance in the sub-fund shall not exceed ten percent of the total compensation or salaries of all teachers employed by the employer who are members of NYSTRS paid during the immediately preceding final year.

The governing board of the employer may by resolution authorize expenditures from the retirement contribution reserve fund. The governing board of the employer may also by resolution authorize the transfer of money between the separately administered sub-fund and the retirement contribution reserve fund subject to the limits on annual payments into the sub-fund and the balance of the sub-fund as provided in this bill.

It is estimated that there will be no annual cost to the employers of members of the New York State Teachers' Retirement System if this bill is enacted.
