IN SENATE

February 21, 2017

Introduced by Sen. KRUEGER -- read twice and ordered printed, and when printed to be committed to the Committee on Investigations and Government Operations

AN ACT to amend the legislative law, in relation to eliminating allowances for members serving as an officer of either house of the legislature; and to repeal section 5-a of the legislative law relating thereto

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

- 1 Section 1. Section 5-a of the legislative law is REPEALED.
2 § 2. Subdivision 3 of section 5 of the legislative law, as added by
3 chapter 635 of the laws of 1998, is amended to read as follows:
4 3. "Legislative passage of the budget", solely for the purposes of
5 this section [~~and section five-a of this article~~], shall mean that the
6 appropriation bill or bills submitted by the governor pursuant to
7 section three of article seven of the state constitution have been
8 finally acted on by both houses of the legislature in accordance with
9 article seven of the state constitution and the state comptroller has
10 determined that such appropriation bill or bills that have been finally
11 acted on by the legislature are sufficient for the ongoing operation and
12 support of state government and local assistance for the ensuing fiscal
13 year. In addition, legislation submitted by the governor pursuant to
14 section three of article seven of the state constitution determined
15 necessary by the legislature for the effective implementation of such
16 appropriation bill or bills shall have been acted on. Nothing in this
17 section shall be construed to affect the prohibition contained in
18 section five of article seven of the state constitution.
19 § 3. Subdivision 3 of section 83-c of the legislative law, as added by
20 chapter 141 of the laws of 1994, is amended to read as follows:
21 3. The commission may employ and at pleasure remove such personnel as
22 it may deem necessary for the performance of the commission's functions
