8 necessary.

9 (b) The comptroller shall appoint a separate mortgage advisory commit-

12 retirement fund. In making investments, as authorized by law, the comp-

42 convincing evidence showing that as a direct result of such divestment,
43 the total and aggregate value of all assets under management by, or on
44 behalf of, the common retirement fund becomes or shall become: (i) equal
45 to or less than ninety-nine and one-half percent; or (ii) one hundred

55 senate standing committee on civil service and pensions, and the assem-
56 bly standing committee on governmental employees, updated semi-annually

4 (c) Within sixty days of the effective date of this subdivision, the
5 comptroller shall facilitate the identification of fossil fuel companies

8 attorney general, the senate standing committee on civil service and
9 pensions, and the assembly standing committee on governmental employees.
10 Annually thereafter, the public fund shall file a report with the attor-
11 ney general, the senate standing committee on civil service and
12 pensions, and the assembly standing committee on governmental employees
13 that includes: (i) all investments sold, redeemed, divested or withdrawn
14 in compliance with paragraph (a) of this subdivision; and (ii) all
15 prohibited investments from which the common retirement fund has not yet
16 divested under paragraph (a) of this subdivision.

17 § 3. This act shall take effect immediately.
