2017-2018 Regular Sessions

## IN SENATE

February 24, 2017

Introduced by Sen. SANDERS -- read twice and ordered printed, and when printed to be committed to the Committee on Education

AN ACT to amend the education law, in relation to requiring police departments and the department of education to provide the public with information regarding school violence

## The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Legislative findings. The legislature hereby finds and 2 declares that in order to combat violence in our schools, residents of 3 the state must have accurate information on the number and types of 4 incidents occurring and where these incidents are taking place. This 5 information must be made public so that parents are aware of the safety 6 conditions within which their children learn and so that our civic lead-7 ers can institute meaningful reform.

8 To help parents and the public understand and fully assess the problem 9 of school crime and other serious disruptive incidents, the department 10 of education must continue to enhance and improve upon the information 11 on school safety data that is provided on the internet. By receiving 12 this information, the public will be in a better position to analyze and 13 comment upon any inconsistencies and to weigh in on proposed policy 14 amendments.

15 § 2. The education law is amended by adding a new section 2803 to read 16 as follows:

17 <u>§ 2803. Department and police department school incident reporting</u> 18 <u>requirements. 1. The department shall make available to the public,</u> 19 <u>pursuant to subdivision four of this section, reports that reflect the</u>

20 environment of criminal and seriously disruptive behavior in schools

21 <u>operated by the department.</u>

22 2. Such reports shall include an annual reporting, on a state-wide 23 basis as well as for each school or group of schools operated by the 24 department of information reported by local police departments to the

department on the following: the total amount of major felony crime, 1 disaggregated by felony category; the total amount of other crime, 2 disaggregated by crimes against persons and crimes against property; and 3 the total amount of non-criminal incidents. 4 5 3. Such reports shall also include an annual reporting, on a stateб wide basis as well as for each school or group of schools operated by 7 the department, of incidents designated by the commissioner as seriously 8 disruptive, dangerous or violent behavior in schools operated by the 9 department, as reported pursuant to section twenty-eight hundred two of 10 this article, or a successor reporting system. The commissioner, in consultation with local police departments, shall develop quidelines to 11 avoid duplicative reporting. 12 4. The department shall make such reports available on its web site 13 and shall include such information in the school district report cards 14 15 or board of cooperative educational services report cards required by 16 this chapter. The department shall also make such reports available in 17 paper form at all schools and all district and regional offices, and shall provide copies to the public upon request. Such annual reports 18 shall be available by October first, and shall include data from the 19 20 previous school year (September first through June thirtieth) of infor-21 mation reported by local police departments to the department and, as 22 soon as practicable, but no later than one year after the effective date of this section, shall also include the reports generated by the depart-23 24 ment described in subdivision three of this section. § 3. This act shall take effect on the ninetieth day after it shall 25 26 have become a law; provided however, that effective immediately, the
