public health, health planning, health workforce education, and behave ioral health.

- 2. The rural health council shall be responsible for advising the commissioner with respect to all aspects of rural health care and rural health care delivery including, but not limited to, the impact of proposed programs, statutes, regulations and health care reimbursement policies. The rural health council shall also assist the office with its responsibilities as delineated in section two hundred thirty-six of this title; contribute to the biennial report required pursuant to section two hundred thirty-seven of this title, and act as liaison and advocate on rural health matters.
- 3. At least annually the rural health council shall, in conjunction with the office, submit a report to the regional economic development councils on the status of the health care workforce supply in their respective regions.
- 4. Staff support for the rural health council shall be provided for by
 the office as provided for in section two hundred thirty-six of this
 title.
- 5. The rural health council shall meet as frequently as its business
 may require, but not less than two times a year. Meetings may be called
 by the chairman or at the request of the commissioner.
 - 6. The entirety of each meeting of the rural health council shall be live webcast to the public on the department's website, and archived on the department's website, for a period of no less than two years, within twenty-four hours of the adjournment of the last meeting. The department shall provide notice to the public, via the department's website, of the availability of the live webcast of each such meeting.
- 7. The members of the rural health council shall receive no compensation for their services, but shall be allowed their actual and necessary expenses incurred in the performance of their duties hereunder.
- 31 § 3. This act shall take effect immediately.
