27 (a) a person legally responsible for a senior;

28 (b) a person, including a director, operator, employee, volunteer, or

36 10. "Other persons named in the report" means persons other than the

38 persons named in the report shall be limited to the senior who is
39 reported to the registry, and such senior's guardian, custodian or other
40 person legally responsible for the senior who has not been named in the
41 report as allegedly responsible for causing the senior to become an
42 abused senior.

43 11. An "unfounded report" means any report made pursuant to this title
44 which is not an indicated report.

45 12. An "indicated report" is a report made pursuant to this title for
46 which an investigation determines that credible evidence exists that a
47 senior is an abused senior.

48 13. "Director" means the director of the office for the aging as
49 described in section two hundred one of this chapter.

50 § 401. Statewide central registry established; requirements. 1. The
51 director shall establish in the office a statewide central registry to
52 receive, maintain, and provide appropriate access to reports made pursu-
53 ant to this title concerning the abuse and maltreatment of seniors.

54 2. Such registry shall be capable of receiving reports by telephone
55 call, fax, e-mail, and any other forms of communication the director
56 deems appropriate, alleging that a senior has become an abused senior,

1 of immediately identifying prior reports of abuse involving such senior
2 or other persons named in the report, and shall be capable of monitoring
3 the provision of services to such senior twenty-four hours a day, seven
4 days a week. In furtherance of these requirements,

5 (a) The office shall maintain statewide toll-free telephone voice and
6 fax numbers and an e-mail address which any person, whether mandated by
7 law or not, may use to contact the registry to report an allegation that
8 a senior has become an abused senior.

9 (b) The office shall additionally maintain an unlisted telephone
10 number, fax number, e-mail address, and such other communication proto-
11 cols as the director deems appropriate, which only persons mandated by
12 this chapter may use to report an allegation that a senior has become an
13 abused senior.

14 (c) The office shall assure that the communication protocols required
15 by this section shall be capable of allowing all persons authorized by
16 this title to determine the existence of prior reports in order to eval-
17 uate the condition or circumstances of a senior.

18 3. Information maintained in the registry shall include but not be
19 limited to:

20 (a) the initial date or date of the contact with the registry alleging
21 that a senior has become an abused senior;

22 (b) the time and date of the communication of such information to the
23 designated agency, and the time and date of acknowledgement of receipt
24 by the designated agency of such information;

25 (c) all information in the written report required by this title;

26 (d) a record of the final disposition of the report, including
27 services offered and services accepted;

28 (e) the plan for rehabilitative treatment;

29 (f) names and identifying data, dates and circumstances of any person
30 requesting or receiving information from the registry; and

31 (g) any other information the director deems will further the purposes
32 and intent of this title.

33 § 402. Disposition of reports received by the registry. 1. The direc-
34 tor shall establish in the rules and regulations to implement the
35 requirements of this section criteria for determining whether a report
36 could reasonably constitute a report of abuse of a senior. The inability
37 of a person making a report to identify the alleged perpetrator shall
38 not constitute a sufficient reason for the registry to reject the alle-
39 gation or to fail to transmit the allegation for investigation.

40 2. When an allegation reported to the registry could reasonably
41 constitute a report of abuse of a senior, such allegation shall be tran-
42 smitted by the fastest means possible by the office to the designated
43 agency for investigation.

44 3. If the records indicate a previous report concerning a subject of
45 the report, other persons named in the report or other pertinent infor-
46 mation, the designated agency shall be notified of the fact.

47 4. Irrespective of whether a report reasonably constitutes a report of
48 abuse of a senior,

49 (a) If a report could reasonably constitute a crime or could reason-
50 ably be construed as posing an immediate threat to the senior's health
51 or safety, the office shall convey by the most expedient means available
52 the information to the appropriate law enforcement agency, district
53 attorney or other public official empowered to provide necessary aid or
54 assistance.

55 (b) If a report could reasonably constitute institutional neglect of a
56 senior in residential care, the office shall convey by the most expedi-

ent means available the information to the state agency responsible for the operation or supervision of the residential facility or program and, in the case of a facility operated or certified by an office of the department of mental hygiene, to the state commission on quality of care for the mentally disabled, for appropriate action.

5. Reports and records made pursuant to this title, including any previous report concerning a subject of the report, other persons named in the report or other pertinent information, involving seniors who reside in a facility licensed or operated by the office of mental health or the office for people with developmental disabilities, shall be transmitted immediately by the registry to the commission on quality of care for the mentally disabled, which shall commence an appropriate investigation in accordance with the mental hygiene law.

§ 403. Availability of reports. 1. Reports made pursuant to this title as well as any other information obtained, including reports written or photographs taken concerning such reports which are in the possession of the office, designated agencies, or the commission on quality of care for the mentally disabled, shall be confidential and shall only be made available to:

(a) a physician who, examining or having examined a senior, reasonably suspects that such senior may be an abused or maltreated senior;

(b) a person authorized to place a senior in protective custody when such person has before him or her a senior whom he or she reasonably suspects may be an abused or maltreated senior and such person requires the information to determine whether to place the senior in protective custody;

(c) a duly authorized agency having responsibility for the care or supervision of a senior who is reported to the registry;

(d) a person who is the subject of the report or other persons named in the report;

(e) a court, upon a finding that the information is necessary for determination of an issue before the court;

(f) a grand jury, upon a finding that the information is necessary for determination of charges before the grand jury; and

(g) an appropriate state legislative committee responsible for protective legislation of seniors.

2. Rules and regulations of the director shall establish a list of such other persons, agencies, investigative bodies, and auditing entities that may be given access to the registry, and shall establish requirements for confidentiality, limitations on re-disclosure of information, and such other requirements and limitations as the director shall deem necessary.

3. Any inconsistent provision of any other law to the contrary notwithstanding, the director may withhold all or part of any information which he or she is authorized to make available to persons or agencies identified in this section or identified by rule and regulation, if the director determines that such information is not related to the purposes for which such information is requested or that disclosure will be detrimental to the senior named in the report.

4. If a person or agency identified in this section, or by rule and regulation of the director, as one to whom access to reports and other information shall be granted, is denied such access, such person or agency may bring a proceeding for review of such denial pursuant to article seventy-eight of the civil practice law and rules.

5. Nothing contained in this article shall be construed to permit release, disclosure or identification of the names or identifying

1 descriptions of persons who report suspected abuse or maltreatment of a
2 senior to the registry or such person's place of employment or with whom
3 they have an association other than employment without such person's
4 written permission except to such persons, officials, and agencies as
5 the director determines in rule and regulation.

6 § 404. Release of information. 1. Information concerning reports or
7 investigations may be released to the public only by persons designated
8 in the rules and regulations of the director to release such informa-
9 tion. Information that may be provided shall be limited to the follow-
10 ing:

11 (a) If a request for information is made prior to the completion of an
12 investigation of a report, the released information shall be limited to
13 whether the report is "indicated", "unfounded" or "under investigation",
14 as the case may be.

15 (b) If the request for information is made after the completion of an
16 investigation of a report, the released information shall be limited to
17 whether the report is "indicated" or "unfounded," as the case may be.

18 2. Notwithstanding any inconsistent provision of law to the contrary,
19 the director or a designated agency director may disclose information
20 regarding the abuse or maltreatment of a senior as set forth in this
21 section, and the investigation thereof and any services related thereto
22 if he or she determines that such disclosure shall not be contrary to
23 the best interests of the senior, and any one of the following factors
24 are present:

25 (a) the subject of the report has been charged in an accusatory
26 instrument with committing a crime related to a report maintained in the
27 registry; or

28 (b) the investigation of the abuse or maltreatment by the designated
29 agency or the provision of services by such service has been publicly
30 disclosed in a report required to be disclosed in the course of their
31 official duties, by a law enforcement agency or official, a district
32 attorney, any other state or local investigative agency or official or
33 by judge of the unified court system; or

34 (c) there has been a prior knowing, voluntary, public disclosure by an
35 individual concerning a report of abuse or maltreatment in which such
36 individual is named as the subject of the report; or

37 (d) the senior in the report has died or the report involves the near
38 fatality of a senior. For the purposes of this section, "near fatality"
39 means an act that results in the senior being placed, as certified by a
40 physician, in serious or critical condition.

41 3. For the purposes of this section, the following information may be
42 disclosed:

43 (a) the name of the abused or maltreated senior;

44 (b) the determination by the designated agency or the state agency
45 which investigated the report and the findings of the applicable inves-
46 tigating agency upon which such determination was based;

47 (c) identification of services provided or actions taken regarding the
48 senior named in the report as a result of any such report or reports;

49 (d) whether any report of abuse or maltreatment regarding such senior
50 has been "indicated" as maintained by the registry;

51 (e) actions taken by the designated agency in response to reports of
52 abuse or maltreatment to the registry including but not limited to
53 actions taken after each and every report of abuse or maltreatment of
54 such senior and the dates of such reports;

1 (f) whether the senior has received care or services from the desig-
2 ated agency prior to each and every report of abuse or maltreatment of
3 such senior; and

4 (g) any extraordinary or pertinent information concerning the circum-
5 stances of the abuse or maltreatment of the senior and the investigation
6 thereof, where the director determines such disclosure is consistent
7 with the public interest.

8 4. Information may be disclosed pursuant to this section as follows:

9 (a) information released prior to the completion of the investigation
10 of a report shall be limited to a statement that a report is "under
11 investigation";

12 (b) when there has been a prior disclosure pursuant to this subdivi-
13 sion, information released in a case in which the report has been
14 unfounded shall be limited to the statement that "the investigation has
15 been completed, and the report has been unfounded";

16 (c) if the report has been "indicated" then information may be
17 released pursuant to subdivision two of this section.

18 5. Any disclosure of information pursuant to this section shall not
19 identify or provide an identifying description of the source of the
20 report, and shall not identify the name of the person legally responsi-
21 ble for the senior or any other members of the senior's household, other
22 than the subject of the report.

23 6. In determining whether disclosure will be contrary to the best
24 interests of the senior, the director or a designated agency director
25 shall consider the interest in privacy of the senior and the senior's
26 family and the effects which disclosure may have on efforts to provide
27 services.

28 7. Whenever a disclosure of information is made pursuant to this
29 section, the designated agency director shall make a written statement
30 prior to disclosing such information to the chief county executive offi-
31 cer where the incident occurred setting forth the criteria upon which he
32 or she is basing such disclosure.

33 8. Except as it applies directly to the cause of the abuse or
34 maltreatment of the senior, nothing in this section shall be deemed to
35 authorize the release or disclosure of the substance or content of any
36 psychological, psychiatric, therapeutic, clinical or medical reports,
37 evaluations or like materials or information pertaining to such senior
38 or the senior's family. Prior to the release or disclosure of any
39 psychological, psychiatric or therapeutic reports, evaluations or like
40 materials or information pursuant to this subdivision, the local social
41 services director shall consult with the personnel of the department of
42 mental hygiene.

43 § 405. Unfounded reports. 1. Unless an investigation of a report
44 conducted pursuant to this title determines that there is credible
45 evidence of the alleged abuse or maltreatment, all information identify-
46 ing the subjects of the report and other persons named in the report
47 shall be legally sealed by the registry and any designated agencies or
48 the state agency which investigated the report, and the report shall be
49 deemed "unfounded". Such unfounded reports may only be unsealed and made
50 available to such persons and entities as shall be established by the
51 director in rules and regulations for such purposes as review of a
52 fatality or investigation of a subsequent report of suspected abuse or
53 maltreatment involving a subject of the unfounded report. Such unfounded
54 reports may be made available to the following persons and entities: a
55 senior named in the unfounded report; other persons named in the report;
56 the subject of the report; a district attorney or a state or local

1 police officer when such official verifies that the report is necessary
2 to conduct an active criminal investigation or for prosecution of elder
3 abuse; or other persons in keeping with the spirit and intent of this
4 section as shall be determined in the rules and regulations of the
5 director required to implement this section.

6 2. Persons given access to such unfounded reports shall not redisclose
7 such reports except as necessary to conduct appropriate investigation or
8 prosecution and shall request of the court that any copies of such
9 reports produced in any court proceedings be redacted to remove the
10 names of the subjects and other persons named in the reports or that the
11 court issue an order protecting the names of the subjects and other
12 persons named in the reports from public disclosure.

13 3. An unfounded report shall not be admissible in a judicial or admin-
14 istrative proceeding or action; provided, however, an unfounded report
15 may be introduced into evidence:

16 (a) by the subject of the report where such subject is a respondent in
17 a judicial proceeding pertaining to the allegation made in the report,
18 or is a plaintiff or petitioner in a civil action or proceeding alleging
19 the false reporting of senior abuse or maltreatment; or

20 (b) in a criminal court for the purpose of prosecuting a crime against
21 a senior. Legally sealed unfounded reports shall be expunged ten years
22 after the receipt of the report. Whenever the office determines that
23 there is some credible evidence of abuse or maltreatment as a result of
24 an investigation of a report conducted pursuant to the mental hygiene
25 law, the office shall notify the commission on quality of care for the
26 mentally disabled.

27 4. Notwithstanding any other provision of law, the office may in its
28 discretion grant a request to expunge an unfounded report where: (a) the
29 source of the report was convicted of a violation of the penal law in
30 regard to such report; or (b) the subject of the report presents clear
31 and convincing evidence that affirmatively refutes the allegation of
32 abuse or maltreatment; provided however, that the absence of credible
33 evidence supporting the allegation of abuse or maltreatment shall not be
34 the sole basis to expunge the report. Nothing in this section shall
35 require the office to conduct an administrative hearing in deciding
36 whether to expunge a report. The office shall make its determination
37 upon reviewing the written evidence submitted by the subject of the
38 report and any records or information obtained from the state or local
39 agency which investigated the allegations of abuse or maltreatment.

40 5. In any case and at any time, the director may amend any record upon
41 good cause shown and notice to the subjects of the report and other
42 persons named in the report.

43 6. At any time, a subject of a report and other persons named in the
44 report may receive, upon request, a copy of all information contained in
45 the registry; provided, however, that the director is authorized to
46 prohibit the release of data that would identify the person who made the
47 report or who cooperated in a subsequent investigation or the agency,
48 institution, organization, program or other entity where such person is
49 employed or with which he or she is associated, which he or she reason-
50 ably finds will be detrimental to the safety or interests of such
51 person.

52 7. At any time subsequent to the completion of the investigation but
53 in no event later than ninety days after the subject of the report is
54 notified that the report is indicated the subject may request the direc-
55 tor to amend the record of the report. If the director does not amend
56 the report in accordance with such request within ninety days of receiv-

1 ing the request, the subject shall have the right to a fair hearing,
2 conducted in accordance with this subdivision, to determine whether the
3 record of the report in the registry should be amended on the grounds
4 that it is inaccurate or it is being maintained in a manner inconsistent
5 with this title.

6 (a) If it is determined after review that there is no credible
7 evidence in the record to find that the subject committed an act or acts
8 of senior abuse or maltreatment, the office shall amend the record to
9 indicate that the report is "unfounded" and notify the subject forth-
10 with.

11 (b) If the office does not amend the record in accordance with such
12 request and the provisions of this subdivision, the office shall sched-
13 ule a fair hearing and shall provide notice of the scheduled hearing
14 date to the subject, the registry and, as appropriate, to the designated
15 agency or the state agency which investigated the report. The burden of
16 proof in such a hearing shall be on the designated agency or the state
17 agency which investigated the report, as the case may be.

18 (i) A court finding of abuse or neglect against the subject in regard
19 to an allegation contained in the report shall create an irrebuttable
20 presumption that said allegation is substantiated by some credible
21 evidence.

22 (ii) If it is determined at the fair hearing that there is no credible
23 evidence in the record to find that the subject committed an act or acts
24 of abuse or maltreatment of a senior, the office shall amend the record
25 to reflect that such a finding was made at the administrative hearing,
26 order any designated agency or state agency which investigated the
27 report to similarly amend its records of the report, and shall notify
28 the subject forthwith of the determination.

29 (c) The director or his or her designated agent is authorized and
30 empowered to make any appropriate order respecting the amendment of a
31 record to make it accurate or consistent with the requirements of this
32 section.

33 (d) Should the office grant the request of the subject of the report
34 pursuant to this subdivision either through an administrative review or
35 fair hearing to amend an indicated report to an unfounded report, such
36 report shall be legally sealed and shall be released and expunged in
37 accordance with the standards set forth in this section.

38 8. Written notice of any expungement or amendment of any record, made
39 pursuant to this title, shall be served forthwith upon each subject of
40 such record, other persons named in the report, the director, and such
41 other persons and agencies the director shall deem appropriate. The
42 designated agency or the state agency which investigated the report,
43 upon receipt of such notice, shall take the appropriate similar action
44 in regard to its registry and records and inform, for the same purpose,
45 any other agency which received such record.

46 § 406. Penalty for unauthorized disclosure. Unauthorized disclosure by
47 any party of information obtained from the registry shall be a class A
48 misdemeanor.

49 § 407. Persons required to report suspected senior abuse or maltreat-
50 ment. 1. The following persons are required to report or cause a report
51 to be made in accordance with this title when, while acting in their
52 professional or official capacity, they have reasonable cause to suspect
53 that a senior coming before them is an abused senior, or when they have
54 reasonable cause to suspect that a senior is an abused senior where the
55 person legally responsible for such senior comes before them and states

1 from personal knowledge facts, conditions or circumstances which, if
2 correct, would render the senior an abused senior:

3 (a) any health care worker, including any physician, physician assist-
4 ant, surgeon, medical examiner, coroner, dentist, dental hygienist,
5 osteopath, optometrist, chiropractor, podiatrist, resident, intern,
6 psychologist, registered nurse, emergency medical technician, or any
7 hospital or nursing home personnel engaged in the admission, examina-
8 tion, care or treatment of persons, or any other health care or health
9 services practitioner, including a Christian Science practitioner,
10 acupuncturist, or other such person;

11 (b) any social worker, social services worker, day care center worker,
12 or any provider of family or group family day care;

13 (c) any mental health professional; substance abuse counselor; alco-
14 holism counselor;

15 (d) any person, including a director, operator, employee, volunteer,
16 or contractor, in a public, private, or not-for-profit facility which
17 provides care to one or more seniors and which is licensed or registered
18 pursuant to the provisions of the public health law, or the social
19 services law;

20 (e) any peace officer, police officer, district attorney or assistant
21 district attorney, investigator employed in the office of a district
22 attorney or other law enforcement official;

23 (f) any banker, financial consultant, attorney, or paralegal with
24 access to a senior's financial records or resources or legal documents

49 to determine the need for and/or provide or arrange for the provision of
50 services to seniors in accordance with the provisions of this title
51 shall have immunity from any civil liability that might otherwise result
52 by reason of providing such services, provided such official was acting
53 within the scope of employment and in the discharge of official duties,
54 and that such liability did not result from the willful act or gross
55 negligence of such official or his or her designee.

9. When a SAVS official shall have reason to believe that a criminal offense has been committed against a senior who has become an abused senior, the official shall report this information to the appropriate police or sheriff's department and the district attorney's office when such office has requested such information be reported by a local social services official or his or her designee.

37 or health; or

38 2. He or she fails or refuses to exercise reasonable diligence in the
39 control of such elderly or disabled person to prevent him or her from

6 adherent of an organized church or religious group the tenets of which
7 prescribe prayer as the principal treatment for illness, and that the
8 elderly or disabled person was treated in accordance with such tenets;
9 or

10 2. based upon an alleged desertion of an elderly or disabled person,
11 it is an affirmative defense that, with the intent that the person be

31 not expressly or impliedly acquiesce in the caregiver's conduct.

35 provisions of section 130.16 of this chapter shall apply. In addition,
36 in any prosecution under this subdivision in which the victim's lack of
37 consent is based solely upon his or her incapacity to consent because he
38 or she was mentally disabled, mentally incapacitated or physically help-

40 she engaged in the conduct constituting the offense, did not know of the
