IN SENATE

March 7, 2017

Introduced by Sen. AVELLA -- read twice and ordered printed, and when printed to be committed to the Committee on Labor

AN ACT in relation to requiring the department of labor, in conjunction with the department of environmental conservation, to conduct an analysis on the types and amounts of chemicals used in car washes

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Notwithstanding any other provision of law, rule or regulation to the contrary, the department of labor, in conjunction with the department of environmental conservation, shall conduct an analysis on the types and amounts of chemicals and toxic substances used in car washes. Such departments shall further develop the necessary rules and regulations for the implementation of worker protection guidelines, including, but not limited to, the safe handling of such chemicals and toxic substances in the workplace.

§ 2. This act shall take effect immediately.

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.
