The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Notwithstanding any other provision of law to the contrary, Susan Gillinder, the widow of Robert C. Ritchie, who was a member of the New York state and local employees' retirement system, who died after he filed for retirement but prior to his selected retirement date, shall be authorized to file a new service retirement application and an option election form on behalf of her deceased husband with a joint allowance full option, if, within one year from the effective date of this act, she shall submit a request therefor to the state comptroller. In addition, his date of retirement shall be deemed to have been August 15, 2016. Once such application is received, any rights or benefits to the pre-retirement ordinary death benefit payable upon the death of a member in service pursuant to section 448 of the retirement and social security law shall be waived. Any amounts paid by the New York state and local employees' retirement system as the result of the death of Robert C. Ritchie prior to the filing of the request for a service retirement benefit pursuant to this section shall be deducted from the service retirement benefit payable thereafter.

§ 2. Any additional costs for this act shall be paid by the state of New York.

§ 3. This act shall take effect immediately.

FISCAL NOTE. -- Pursuant to Legislative Law, Section 50:

This bill would deem deceased member Robert C. Ritchie eligible to receive a service retirement benefit effective on August 15, 2016. Susan Gillinder shall be authorized to file for the service retirement benefit on his behalf with a joint allowance full option. Upon enactment of this legislation, all rights and benefits to the ordinary death benefits Susan Gillinder would otherwise be entitled to receive shall be waived. Any payments received from such ordinary death benefit will be deducted from the benefits payable under this legislation.

If this bill is enacted, there would be a one-time cost to the State of New York of approximately $320,000. This estimate is based on the assumption that payment will be made on March 1, 2019.
