Introduced by Sens. LITTLE, HANNON -- read twice and ordered printed, and when printed to be committed to the Committee on Health

AN ACT to amend the public health law, in relation to establishing the enhanced safety net hospital program

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Section 2807-c of the public health law is amended by adding a new subdivision 34 to read as follows:

34. Enhanced safety net hospital program. (a) For the purposes of this subdivision, "enhanced safety net hospital" means a hospital which:

(i) in any of the previous three calendar years, has met the following criteria:

(A) not less than fifty percent of the patients it treats receive medicaid or are medically uninsured;

(B) not less than forty percent of its inpatient discharges are covered by medicaid;

(C) twenty-five percent or less of its discharged patients are commercially insured;

(D) not less than three percent of the patients it provides services to are attributed to the care of uninsured patients; and

(E) provides care to uninsured patients in its emergency room, hospital based clinics and community based clinics, including the provision of important community services, such as dental care and prenatal care;

(ii) is a public hospital operated by a county, municipality, public benefit corporation or the state university of New York; or

(iii) is federally designated as a critical access or sole community hospital.

(b) The commissioner shall adjust medical assistance rates to enhanced safety net hospitals for the purposes of supporting critically needed health care services and to ensure the continued maintenance and operation of such hospitals.

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.

(c) Payment of the non-federal share of the medical assistance payments made pursuant to this subdivision shall be the responsibility of the state and shall not include a local share. Payments made pursuant to this subdivision may be added to rates of payment or made as aggregate payments to eligible general hospitals.

§ 2. This act shall take effect immediately.
