2017-2018 Regular Sessions

IN SENATE

April 25, 2017

Introduced by Sen. HANNON -- read twice and ordered printed, and when printed to be committed to the Committee on Insurance

AN ACT to amend the insurance law and the education law, in relation to medical malpractice insurance requirements for physicians licensed to practice medicine in this state

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Legislative intent. The legislature has long recognized 2 that medical malpractice insurance is a vital component of the state's health care system and economic safety net. Medical malpractice is that which is relied upon by both practicing physicians, dentists and other health care professionals, and patients who become the victim of a negligent health care act. It is in the interest of all New Yorkers, therefore, that medical malpractice insurance which is obtained by health care providers practicing according to the privileges granted by a license issued by the state be of a kind and nature that provides the 10 highest degree of financial security. This should include, in the legis-11 lature's estimation, medical malpractice insurance which is regulated by this state's insurance company regulator and medical malpractice carri-13 ers whose policies are protected by a guaranty fund, such as the 14 property/casualty insurance security fund which was established to 15 protect claimants and policyholders from the difficulties encountered 16 from an insurance company insolvency. Therefore, it is the legislature's intent to assure the highest degree of protection for patient and provider alike by requiring as a condition of practicing medicine, 17 18 dentistry or other health care profession in the state, the purchase of 19 20 medical, dental or other forms of health care practitioner professional 21 liability insurance from an insurer authorized to write such coverages 22 in this state, and protected by the appropriate security fund if such 23 insurance is to be obtained by a licensed health care provider. The 24 legislature further directs that the superintendent of financial

services shall maintain a market surveillance to assure that all such health care provider insurance coverages are available in the state, or 3 inform the legislature when such coverage for any given provider class is not available.

- § 2. Subsection (a) of section 3436 of the insurance law, as amended by chapter 381 of the laws of 1991, is amended to read as follows:
- 7 (a) Every insurer which issues or renews policies for primary levels 8 of medical malpractice insurance covering physicians licensed to prac-9 tice in this state shall issue such policies on a claims-made or occur-10 rence basis, as prescribed by the superintendent by regulation; and every physician licensed to practice medicine in this state who obtains 11 or intends to obtain a policy of medical malpractice insurance, whether 12 13 on a claims-made or occurrence basis, equivalent to the primary limit 14 provided for in section eighteen of chapter two hundred sixty-six of the laws of nineteen hundred eighty-six, as amended, to cover the treatment 15 16 of patients or other liabilities arising from their practice of medicine 17 pursuant to his or her license to do so in this state shall do so only from an authorized insurer actually writing such insurance in this 18 19 state, or from the medical malpractice insurance pool; provided, however, that this shall not apply to any physician covered by a medical 20 21 malpractice policy issued by or coverage through a voluntary attending physician ("channeling") program approved by the superintendent; 22 provided, further, that nothing in this section shall preclude any 23 insurer from applying otherwise applicable underwriting standards in 24 25 determining whether to issue or renew such policies.
 - § 3. Section 6524 of the education law is amended by adding a new subdivision 12 to read as follows:
 - (12) Malpractice insurance: where an applicant intends to engage in the treatment of patients as a physician and intends to procure and maintain in full force and effect a policy of medical malpractice insurance equivalent to the primary limit provided for in section eighteen of chapter two hundred sixty-six of the laws of nineteen hundred eightysix, as amended, such an applicant may only obtain such insurance coverage from an insurer authorized to do business in this state and actually writing such coverage in this state, or from the medical malpractice insurance pool.
- 37 Section 6525 of the education law is amended by adding a new 38 subdivision 5 to read as follows:
 - 5. Malpractice insurance. Every applicant for and holder of a permit to practice medicine pursuant to this section who obtains or intends to obtain a policy of medical malpractice insurance equivalent to the primary limit provided for in section eighteen of chapter two hundred sixty-six of the laws of nineteen hundred eighty-six, as amended, shall do so only from an insurer authorized to do business in this state and actually writing such insurance coverage in this state, or from the medical malpractice insurance pool.
- This act shall take effect immediately; provided, however, that 47 for policies in force on such effective date and written by an insurer 48 49 not authorized to do business in this state, the provisions of this act shall apply on and after the anniversary date of such policies.
