- AN ACT to amend the mental hygiene law, in relation to requiring annual radon testing of facilities, department facilities, hospitals, schools, community residences, supervised living facilities, supportive living facilities and residential care centers for adults

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1	Section 1. Section 16.11 of the mental hygiene law is amended by
2	adding a new subdivision (g) to read as follows:
3	(g) The commissioner shall require annual radon testing of each facil-
4	ity, department facility, hospital, school, community residence, super-
5	vised living facility, supportive living facility and residential care
б	center for adults. Such testing shall be performed by a trained and
7	<u>certified, independent entity.</u>
8	(1) Where radon levels exceed 4 pCi/L, corrective actions shall be
9	taken within thirty days by trained and certified specialists to
10	successfully reduce the radon level below 4 pCi/L.
11	(2) Where radon levels exceed 8 pCi/L, corrective action shall be
12	taken within fourteen days by trained and certified specialists to
13	successfully reduce the radon level below 4 pCi/L.
14	(3) Each facility, department facility, hospital, school, community
15	residence, supervised living facility, supportive living facility and
16	residential care center for adults shall post their annual test results
17	online. Results shall be posted prior to and following any actions taken
