

STATE OF NEW YORK

5771

2017-2018 Regular Sessions

IN SENATE

April 28, 2017

Introduced by Sen. HAMILTON -- read twice and ordered printed, and when printed to be committed to the Committee on Banks

AN ACT to amend the banking law, in relation to enacting the "credit creation pilot program act of New York"; and providing for the repeal of such provisions upon expiration thereof

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Short title. This act shall be known and may be cited as
2 the "credit creation pilot program act of New York".

3 § 2. The legislature finds and declares that consumer demand for
4 responsible installment loans in principal amounts of at least three
5 hundred dollars and no more than five thousand dollars exceeds the
6 supply of these loans. The legislature has identified several improve-
7 ments that could be made to the banking laws, which would allow more New
8 Yorkers to access responsible installment loans of at least three
9 hundred dollars and no more than five thousand dollars. The credit
10 creation pilot program act of New York is intended to assist consumers
11 in building their credit and has additional consumer protections for
12 these loans which exceed current protections under existing law.

13 § 3. The banking law is amended by adding a new article 8-B to read as
14 follows:

35 5. All program licensees shall be assessed an annual nonrefundable
36 license fee of one thousand dollars.

37 6. Only one pilot program master license is required for a person or
38 entity to make program loans under this article, regardless of whether
39 the program licensee offers program loans to prospective borrowers at
40 its own physical business locations, through referral partners, or via
41 an electronic access point through which a prospective borrower may
42 directly access the website of the program licensee.

43 7. Each branch office of a program licensee must be licensed under
44 this section.

45 8. This superintendent shall issue a program branch office license to
46 a program licensee after the superintendent determines that the program

49 an initial nonrefundable program branch office license fee of five
50 hundred dollars for each branch office as prescribed by the superinten-

12 § 339-c. Requirements for program loans. 1. A program licensee shall
13 comply with each of the following requirements in making program loans:

14 (a) A program loan shall be unsecured;

15 (b) A program loan shall have a minimum principal amount upon origi-

17 origination of five thousand dollars excluding the amount of the origi-
18 nation fee permitted under subdivision three of this section;

19 (c) A program loan shall have a term of not less than two hundred
20 forty days;

21 (d) A program loan must be repayable by the borrower in substantially
22 equal weekly, biweekly, semimonthly, or monthly installments; and

23 (e) A program loan must include a borrower's right to rescind the
24 program loan by notifying the program licensee of the borrower's intent
25 to rescind the program loan and return the principal advanced by the end
26 of the business day after the day the program loan is consummated.

27 2. As an alternative to the charges authorized by section 5-501 of the
28 general obligations law or section fourteen-a of this chapter, a program
29 licensee may contract for and receive charges for a program loan made
30 pursuant to this section at an annual simple interest rate not to exceed
31 thirty percent. The interest rate calculated as of the date of loan
32 origination shall be fixed for the life of the loan and shall accrue on
33 a simple-interest basis, through the application of a daily periodic
34 rate to the actual unpaid principal balance each day.

35 3. Notwithstanding section 5-501 of the general obligations law or
36 section fourteen-a of this chapter, a program licensee may contract for
37 and receive a nonrefundable origination fee from the borrower, provided
38 that the borrower has not rescinded the program loan pursuant to para-
39 graph (e) of subdivision one of this section. The origination fee shall
40 be fully earned immediately upon making the program loan, in an amount
41 not to exceed five percent of the principal amount, exclusive of the
42 origination fee, or seventy-five dollars, whichever is less, on the
43 program loan made to that borrower. An origination fee charged by a
44 program licensee shall be subject to all of the following:

45 (i) Only one origination fee may be contracted for or received from a
46 borrower until the program loan has been repaid in full;

47 (ii) A program licensee shall not charge the same borrower an origi-
48 nation fee more than twice in any twelve-month period; and

49 (iii) The program licensee may either deduct the origination fee from
50 the principal amount of the program loan disbursed to the borrower or
51 capitalize the origination fee into the principal balance of the program
52 loan.

53 4. Notwithstanding section three hundred fifty-one of this chapter, a
54 program licensee may:

1 (a) Require payment from a borrower of no more than twenty-five
2 dollars for insufficient funds fees incurred by that program licensee
3 due to actions of the borrower; and

4 (b) Contract for and receive a delinquency fee of no more than four-
5 teen dollars for each payment in default for at least seven days if the
6 charge is agreed upon in writing between the parties before imposing the
7 charge. A delinquency fee imposed by a program licensee is subject to
8 all of the following:

9 (i) No more than one delinquency fee may be imposed per delinquent
10 payment;

11 (ii) No more than two delinquency fees may be imposed during any peri-
12 od of thirty consecutive days; and

13 (iii) No delinquency fee may be imposed on a borrower who is one
14 hundred eighty days or more past due if that fee would result in the sum
15 of the borrower's remaining unpaid principal balance, accrued interest,
16 and delinquency fees exceeding one hundred eighty percent of the
17 original principal amount of the borrower's loan.

18 § 339-d. Underwriting requirements; credit reporting; credit educa-
19 tion; prohibition on refinance; prohibition on credit insurance; and
20 additional consumer protections. 1. The following shall apply to a
21 program loan made by a program licensee pursuant to this article:

22 (a) The program licensee shall underwrite each program loan to deter-
23 mine a borrower's ability and willingness to repay the program loan
24 pursuant to the program loan terms, and shall not make a program loan if
25 it determines that the borrower's total monthly debt service payments,
26 at the time of origination, including the program loan for which the
27 borrower is being considered and all outstanding forms of credit that
28 can be independently verified by the program licensee, exceed thirty-
29 five percent of the borrower's gross monthly income.

30 (i) (A) The program licensee shall seek information and documentation
31 pertaining to all of a borrower's outstanding debt obligations during
32 the program loan application and underwriting process, including loans
33 that are self-reported by the borrower but not available through inde-
34 pendent verification. The program licensee shall verify that information
35 using a credit report from at least one consumer reporting agency that
36 compiles and maintains files on consumers on a nationwide basis or
37 through other available electronic debt verification services that
38 provide reliable evidence of a borrower's outstanding debt obligations.

39 (B) The program licensee shall not be required to consider, for
40 purposes of debt-to-income ratio evaluation, loans from friends or fami-
41 ly.

42 (ii) The program licensee shall also verify the borrower's income that
43 the program licensee relies on to determine the borrower's debt-to-in-
44 come ratio using information from either of the following:

45 (A) Electronic means or services that provide reliable evidence of the
46 borrower's actual income; or

47 (B) Internal Revenue Service Form W-2, tax returns, payroll receipts,
48 bank statements, or other third-party documents that provide reasonably
49 reliable evidence of the borrower's actual income.

50 (b) The program licensee shall report each borrower's payment perform-
51 ance to at least one consumer reporting agency that compiles and main-
52 tains files on consumers on a nationwide basis. For purposes of this
53 section, a consumer reporting agency that compiles and maintains files
54 on consumers on a nationwide basis is one that meets the definition in
55 section 60-3(p) of the federal Fair Credit Reporting Act (15 U.S.C. Sec.
56 1681a(p)).

1 (c) The program licensee shall provide each borrower with the name of
2 the consumer reporting agency or agencies to which it will report the
3 borrower's payment history.

4 (d) The program licensee shall notify each borrower, at least two days
5 prior to each payment due date, informing the borrower of the amount
6 due, and the payment due date. Notification may be provided by any means
7 mutually acceptable to the borrower and the program licensee. A borrower
8 shall have the right to opt out of this notification at any time, upon
9 electronic or written request to the program licensee. The program
10 licensee shall notify each borrower of this right prior to disbursing
11 program loan proceeds.

12 (e) Before disbursing program loan proceeds to a borrower, the program
13 licensee shall either:

14 (i) offer a credit education program or seminar to the borrower that
15 has been previously reviewed and approved by the superintendent for use
16 in complying with this section; or

17 (ii) invite the borrower to a credit education program or seminar
18 offered by an independent third party that has been previously reviewed
19 and approved by the superintendent for use in complying with this
20 section. The borrower shall not be required to participate in either of
21 these education programs or seminars. A credit education program or
22 seminar offered pursuant to this paragraph shall be provided at no cost
23 to the borrower.

24 (f) A program licensee shall not refinance a program loan. Refinance
25 means the replacement or revision of an existing program loan contract
26 with a borrower in exchange for an advance of additional principal to
27 that borrower. A program licensee may extend, defer, or rewrite a
28 program loan.

29 2. (a) Notwithstanding section three hundred fifty-seven of this chap-
30 ter, no program licensee, referral partner or any other person or enti-
31 ty, in connection with, or incidental to, the making of any program loan
32 made pursuant to this article, may offer, sell, or require the borrower
33 to contract for "credit insurance" of the type specified in subdivision
34 three of section three hundred fifty-seven of this chapter or insurance
35 on tangible personal or real property of the type specified in subdivi-
36 sion one of section three hundred fifty-seven of this chapter.

37 (b) Notwithstanding section three hundred fifty-seven of this chapter,
38 no program licensee, referral partner, or any other person that partic-
39 ipates in the origination of a program loan under this article shall
40 refer a borrower to any other person for the purchase of "credit insur-
41 ance" of the type specified in subdivision three of section three
42 hundred fifty-seven of this chapter or insurance on tangible personal or
43 real property of the type specified in subdivision one of section three
44 hundred fifty-seven of this chapter.

45 3. (a) No program licensee shall require, as a condition of providing
46 the program loan, that the borrower waive any right, penalty, remedy,
47 forum, or procedure provided for in any law applicable to the program
48 loan, including the right to file and pursue a civil action or file a
49 complaint with or otherwise communicate with the superintendent or any
50 court or other public entity, or that the borrower agree to resolve
51 disputes in a jurisdiction outside of New York or to the application of
52 laws other than those of New York, as provided by law. Any waiver that
53 is required as a condition of doing business with the program licensee
54 shall be presumed involuntary, unconscionable, against public policy,
55 and unenforceable.

1 (b) No program licensee shall refuse to do business with or discrimi-
2 nate against a borrower or applicant on the basis that the borrower or
3 applicant refuses to waive any right, penalty, remedy, forum, or proce-
4 dure, including the right to file and pursue a civil action or complaint
5 with, or otherwise notify, the superintendent or any court or other
6 public entity. The exercise of a person's right to refuse to waive any
7 right, penalty, remedy, forum, or procedure, including a rejection of a
8 contract requiring a waiver, shall not affect any otherwise legal terms
9 of a contract or an agreement.

10 (c) This subdivision shall not apply to any agreement to waive any
11 right, penalty, remedy, forum, or procedure, including any agreement to
12 arbitrate a claim or dispute, after a claim or dispute has arisen.
13 Nothing in this subdivision shall affect the enforceability or validity
14 of any other provision of the contract.

15 4. The program licensee or any of its wholly owned subsidiaries may
16 not sell or assign an unpaid debt to an independent third party for
17 collection purposes unless the debt has been delinquent for at least
18 thirty days.

19 5. The program licensee shall develop and implement policies and
20 procedures designed to respond to questions raised by applicants and
21 borrowers regarding their program loans, including those involving
22 referral partners, and to address customer complaints as soon as reason-
23 ably practicable.

24 § 339-e. Disclosures, statements and receipts. 1. (a) In addition to
25 the disclosure requirements of article nine of this chapter, a program
26 licensee shall disclose the following to the consumer in writing, in a
27 typeface no smaller than twelve-point type, at the time of application:

28 (i) The amount borrowed; the total dollar cost of the program loan to
29 the consumer if the program loan is paid back on time, including the sum
30 of the origination fee, principal amount borrowed, and interest
31 payments; the corresponding annual percentage rate, calculated in
32 accordance with Federal Reserve Board Regulation Z (12 C.F.R. 226); the
33 periodic payment amount; the delinquency fee schedule; and the following
34 statement: "Repaying your loan early will lower your borrowing costs by
35 reducing the amount of interest you will pay. This loan has no prepay-
36 ment penalty."

37 (ii) A statement that the consumer has the right to rescind the
38 program loan by notifying the program licensee of the consumer's intent
39 to rescind the program loan and returning the principal advanced by the
40 end of the business day following the date the program loan is consum-
41 mated.

42 (b) A program licensee may provide the borrower with the disclosures
43 required by paragraph (a) of this subdivision in a mobile or other elec-
44 tronic application, on which the size of the typeface of the disclosure
45 can be manually modified by a prospective borrower, if the prospective
46 borrower is given the option to print the disclosure in a typeface of at
47 least twelve-point size or is provided by the program licensee with a
48 hardcopy of the disclosure in a typeface of at least twelve-point size
49 before the program loan is consummated.

50 (c) The program loan contract and all written disclosures and state-
51 ments may be provided in English or another language in which the
52 program loan is negotiated.

53 2. At the time a referral partner receives or processes an application
54 for a program loan pursuant to section three hundred thirty-nine-f of
55 this article, the referral partner shall provide the following statement
56 to the applicant, on behalf of the program licensee, in no smaller than

1 ten-point type, and must request that the applicant acknowledge receipt
2 of the statement in writing:

3 "Your loan application has been referred to us by (name of referral
4 partner). We may pay a fee to (name of referral partner) for the
5 successful referral of your loan application. If you are approved for
6 the loan, (name of program licensee) will become your lender. If you
7 have any questions about your loan, now or in the future, you should
8 direct those questions to (name of program licensee) by (insert at least
9 two different ways in which a borrower may contact the program licen-
10 see). If you wish to report a complaint about (name of referral part-
11 ner) or (name if program licensee) regarding this loan transaction, you
12 may contact the Department of Financial Services and file your complaint
13 online at <http://www.dfs.ny.gov>."

14 3. A referral partner that disburses loan proceeds to a borrower
15 pursuant to paragraph (j) of subdivision three of section three hundred
16 thirty-nine-f of this article shall deliver or cause to be delivered to
17 the borrower at the time loan proceeds are disbursed a plain and
18 complete receipt showing all of the following:

19 (a) The date of disbursement;

20 (b) The total amount disbursed;

21 (c) The corresponding loan account identification; and

22 (d) The following statement, prominently displayed in a type size
23 equal to or greater than the type size used to display the other items
24 on the receipt: "If you have any questions about your loan, now or in
25 the future, you should direct those questions to (name of program licen-
26 see) by (insert at least two different ways in which a borrower may
27 contact the program licensee)."

28 4. In addition to the receipt requirements in article nine of this
29 chapter, a program licensee or its approved referral partner, if appli-
30 cable, must make available to the borrower by electronic or physical
31 means, at the time that a payment is made by the borrower, a plain and
32 complete receipt of payment. For audit purposes, a program licensee must
33 maintain an electronic record for each receipt made available to a
34 borrower, which must include a copy of the receipt and the date and time
35 that the receipt was generated. Each receipt of payment must show all of
36 the following:

37 (a) The name of the borrower;

38 (b) The name of the referral partner, if applicable;

48 on the receipt: "If you have any questions about your loan now or in the
49 future, you should direct those questions toâ... (name of program licen-
50 see) ... by ... (at least two different ways in which a borrower may
51 contact the program licensee)"

52 § 339-f. Referral partners; permitted services; prohibited activities;
53 compensation. 1. A licensee who is approved by the superintendent to
54 participate in the program may use the services of one or more referral
55 partners as provided in this article.

2. All arrangements between a program licensee and a referral partner must be specified in a written referral partner agreement between the parties. The agreement must contain a provision that the referral partner agrees to comply with this section and all rules adopted under this section regarding the activities of referral partners, and that the superintendent has access to the referral partner's books and records pertaining to the referral partner's operations under the agreement with the program licensee in accordance with subdivision one of section three hundred thirty-nine-g of this article.

3. A referral partner may perform one or more of the following services for a program licensee:

(a) Distributing, circulating, using, or publishing printed brochures, flyers, factsheets, or other written materials relating to program loans that the program licensee may make or negotiate. The written materials must be reviewed and approved in writing by the program licensee before being distributed, circulated, or published;

(b) Providing written factual information about program loan terms, conditions, or qualification requirements to a prospective borrower which have been either prepared by the program licensee or reviewed and approved in writing by the program licensee. A loan disbursement made by a referral partner under this subdivision is deemed to be made by the program licensee on the date the funds are disbursed or otherwise made available by the referral partner to the borrower; or

(k) Receiving a program loan payment from the borrower if this method of payment is acceptable to the borrower, subject to the requirements of subdivision five of section three hundred thirty-nine-e of this article.

4. (a) A program loan payment made by a borrower to a referral partner under this section must be applied to the borrower's program loan and deemed received by the program licensee as of the date the payment is received by the referral partner.

(b) A referral partner that receives program loan payments under this section shall deliver or cause to be delivered to the borrower at the

1 time that the payment is made by the borrower, a plain and complete
2 receipt showing all of the information specified in subdivision five of
3 section three hundred thirty-nine-e of this article.

4 5. A borrower who submits a program loan payment to a referral partner
5 under this section shall not be liable for any failure or delay by the
6 referral partner in transmitting the payment to the program licensee.

7 6. A referral partner that disburses or receives loan payments pursu-
8 ant to subdivision three of this section shall maintain records of all

10 two years or until one month following the completion of an examination
11 of the program licensee by the superintendent, whichever is later.

12 7. Providing any notice or disclosure required to be provided to the
13 borrower by the program licensee, other than the notice required to be
14 provided by the program licensee to the borrower pursuant to subdivision
15 three of section three hundred thirty-nine-e of this article. A program
16 licensee that uses a referral partner to provide notices or disclosures
17 to borrowers shall maintain a record of which notices and disclosures
18 each referral partner provides to borrowers on its behalf, for the
19 purpose of facilitating the commissioner's examination of the program
20 licensee.

21 8. A referral partner shall not engage in any of the following prohib-
22 ited activities:

23 (a) Providing counseling or advice to a borrower or prospective
24 borrower with respect to any loan term;

25 (b) Providing loan-related marketing material that has not previously
26 been approved by the program licensee to a borrower or a prospective
27 borrower;

28 (c) Negotiating a loan term between a program licensee and a prospec-
29 tive borrower;

30 (d) Offering information pertaining to a single prospective borrower
31 to more than one program licensee, except if a program licensee has
32 declined to offer a program loan to a prospective borrower and has so
33 notified that prospective borrower in writing, the referral partner may

35 another program licensee with which it has a referral partner's agree-
