32 unable to accommodate individuals awaiting placement into the assisted

40 program beds having been determined to be available as of April first,
41 two thousand seven.

42 (i) (a) The commissioner of health is authorized to add up to six
43 thousand assisted living program beds to the gross number of assisted
44 living program beds having been determined to be available as of April
45 first, two thousand nine. Nothing herein shall be interpreted as prohib-
46 iting any eligible applicant from submitting an application for any
47 assisted living program bed so added. The commissioner of health shall
48 not be required to review on a comparative basis applications submitted
49 for assisted living program beds made available under this paragraph.
50 The commissioner of health shall only authorize the addition of six
51 thousand beds pursuant to a seven year plan ending prior to January
52 first, two thousand seventeen.

53 (b) The commissioner of health shall provide an annual written report
54 to the chair of the senate standing committee on health and the chair of

23 Assisted living program availability determinations and limitations in
24 place prior to July first, two thousand seventeen shall no longer be
25 applicable, and assisted living program beds shall be generally avail-
26 able to meet demonstrated public need on a case by case basis whenever
27 the commissioner and public health and health planning council are
28 satisfied public need exists at the time and place and under circum-
29 stances proposed by the applicant; provided, however, the prior bed
30 authorizations in paragraphs (h), (i) and (j) of this subdivision shall
31 continue in full force and effect.

32 (1) Notwithstanding any other provision of law to the contrary, the
33 department of health shall develop an expedited review and approval
34 process for applications for up to nine additional beds to an existing

40 of new assisted living program beds would have a net negative fiscal
41 impact on the medicaid program. In determining the net fiscal impact on
42 the medicaid program, the director of the budget shall include estimates
43 of savings that may accrue from the utilization of assisted living
44 program beds in lieu of nursing home beds or other levels of care;
45 whether the average case mix of nursing homes increases or decreases due
46 to the increase in assisted living program beds; whether managed care
47 savings are accrued by the addition of assisted living program beds and
48 overall medicaid expenditures for the assisted living program and nurs-
49 ing homes from the effective date of this section.

50 § 3. This act shall take effect immediately.
