AN ACT to amend the executive law, in relation to a cyber security action plan

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The executive law is amended by adding a new section 719 to read as follows:

§ 719. Cyber security. 1. Cyber security action plan. The commissioner, in consultation with the chief information officer of the office of information technology, the superintendent of state police, the commissioner of general services, the superintendent of financial services, the office of the state comptroller, and such other experts from the public, private and not-for-profit sectors who maintain experience and knowledge in the area of cyber security as the commissioner deems prudent, shall develop a cyber security action plan for New York state. The plan shall make recommendations to the governor and the legislature regarding the establishment of a new state office of cyber security, under the command and control of the commissioner and within the division, including identifying such bureaus, responsibilities and duties that should be contained and performed within such office, the budget and personnel necessary to establish such office, and the site locations at which such office should be situated. The purpose of the plan shall be to develop a comprehensive and effective strategy to provide meaningful cyber security for the state of New York, its state agencies, its public authorities, its assets, its infrastructure, its local govern-

1 ments, and its private sector businesses, not-for-profit corporations
2 and individuals.

3 2. Cyber security defense unit. The cyber security action plan estab-
4 lished pursuant to subdivision one of this section shall further make
5 recommendations to the governor and the legislature on the establish-
6 ment, within the office of cyber security, of a cyber security defense
7 unit. The cyber security action plan shall detail how the cyber security
8 defense unit, would consist of such persons as the commissioner deems
9 necessary to perform its mission. The cyber security action plan shall
10 further detail the mission of the cyber security defense unit, with such
11 mission being to help prevent, respond to, and recover from cyber
12 attacks targeted against the state, its assets, and its infrastructure,
13 together with such other and further duties and responsibilities as the
14 cyber security action plan may additionally prescribe. The cyber secu-
15 rity action plan shall further detail that the personnel of the cyber
16 security defense unit must be expert in computer and programming tech-
17 nology so as to prevent and respond to unauthorized invasion, hacking
18 and attacks against computer networks, systems, databases, and informa-
19 tion storage. The cyber security action plan shall further detail how
20 the personnel of the cyber security defense unit must have background
21 and experience in computer, system and network operations and vulner-
22 abilities, programming code, data recovery and cyber security. The
23 cyber security action plan shall also provide that, in addition to any
24 other tasks the commissioner may wish to assign the cyber security
25 defense unit, that such cyber security defense unit shall also be
26 assigned the mission of using and developing software, hardware, and
27 protocols to prevent such unauthorized invasions, hacking and attacks,
28 and to develop response activities, procedures, and protocols to address
29 any such invasion, hacking or attack on any state computer network,
30 system, database, and/or information storage. The cyber security action
31 plan shall further detail how the cyber security defense unit should
32 interact and deploy the use of other cyber experts, educators, law
33 enforcement, intelligence experts, and other public and private sector
34 entities to assist it in the performance of its mission.

35 3. Cyber incident response teams. The cyber security action plan
36 established pursuant to subdivision one of this section shall further
37 make recommendations to the governor and the legislature on the estab-
38 lishment, within the office of cyber security, of a group of cyber inci-
39 dent response teams. The cyber security action plan shall detail how the
40 cyber incident response teams would consist of such persons as the
41 commissioner deems necessary to perform its mission. The cyber security
42 action plan shall further detail the mission of the cyber incident
43 response teams, with such mission being to help prevent, respond to, and
44 recover from, cyber attacks targeted against state entities, public
45 authorities, local governments, and/or private sector businesses, not-
46 for-profit corporations and individuals, together with such other and
47 further duties and responsibilities as the cyber security action plan
48 may additionally prescribe. The cyber security action plan shall
49 further detail that the personnel of the cyber incident response teams
50 must be expert in computer and programming technology so as to prevent
51 and respond to an unauthorized invasion, hacking and attacks against
52 computer networks, systems, databases, and information storage. The
53 cyber security action plan shall additionally detail how the personnel
54 of the cyber incident response teams must have background and experience
55 in computer, system and network operations and vulnerabilities, program-
56 ming code, data recovery and cyber security. The cyber security action

1 plan shall also provide, in addition to any other tasks the commissioner
2 may wish to assign the cyber incident response teams, that such cyber
3 incident response teams shall also be assigned the mission of using and
4 developing software, hardware, and protocols to prevent such unauthor-
5 ized invasions, hacking and attacks, and to develop response activities,
6 procedures, and protocols to address any such invasion, hacking or
7 attack on any state computer network, system, database, and/or informa-
8 tion storage. The cyber security action plan shall also provide that it
9 would further be the mission of each cyber incident response team to
10 respond to, and help the targeted entity to recover from, cyber inva-
11 sion, hacking and attacks. The cyber security action plan shall also
12 provide that within resources available, the commissioner may deploy a
13 cyber incident response team to a state entity, public authority, local
14 government, private sector business, or not-for-profit corporation that
15 has experienced a cyber attack, to promote and assist in such entity's
16 response and recovery efforts. The cyber security action plan shall
17 further detail how the cyber incident response team should interact and
18 deploy the use of other cyber experts, educators, law enforcement,
19 intelligence experts, and other public and private sector entities to
20 assist them in the performance of their mission.

21 4. Cyber education and attack prevention. The cyber security action
22 plan established pursuant to subdivision one of this section shall
23 further make recommendations to the governor and the legislature on the
24 establishment, within the office of cyber security, of a cyber education
25 and attack prevention unit to assist state agencies, public authorities,
26 local governments, and/or private sector businesses, not-for-profit
27 corporations and individuals. The cyber security action plan shall
28 detail how the cyber education and attack prevention unit would consist
29 of such persons as the commissioner deems necessary to perform its
30 mission. The cyber security action plan shall further detail the mission
31 of the cyber education and attack prevention unit, with such mission
32 being to help educate state agencies, public authorities, local govern-
33 ments, and/or private sector businesses, not-for-profit corporations and
34 individuals on how to prevent and respond to a cyber attack, together
35 with such other and further duties and responsibilities as the cyber
36 security action plan may additionally prescribe. The cyber security
37 action plan shall further detail that the commissioner may deploy within
38 resources available the cyber education and attack prevention unit to
39 state agencies, public authorities, local governments, private sector
40 businesses, and/or not-for-profit corporations, to educate and/or
41 instruct such entities, hold informational programs, and/or provide
42 instructional or informational materials. The cyber security action plan
43 shall further detail how the cyber education and attack prevention unit
44 should interact and deploy the use of other cyber experts, educators,
45 law enforcement, intelligence experts, and other public and private
46 sector entities to assist it in the performance of its mission.

47 5. Reporting of cyber entities. The cyber security action plan estab-
48 lished pursuant to subdivision one of this section shall further make
49 recommendations on the reporting of the new state office of cyber secu-
50 rity. The cyber security action plan shall further require that such
51 reporting should contain a requirement that on or before December first,
52 two thousand nineteen, and then every year thereafter, that the commis-
53 sioner shall submit a report to the governor, the speaker of the assem-
54 bly, the temporary president of the senate, the chair of the senate
55 standing committee on veterans, homeland security and military affairs,
56 and the chair of the assembly standing committee on governmental oper-

1 ations, which provides a comprehensive review detailing all the activ-
2 ities and operations of the office of cyber security, the cyber security
3 defense unit, the cyber incident response teams and the cyber education
4 and attack prevention unit, during the past year. The cyber security
5 action plan shall further provide that where compliance with such a
6 report would require the disclosure of confidential information, or the
7 disclosure of sensitive information which in the judgement of the
8 commissioner would jeopardize the cyber security of the state, then such
9 confidential or sensitive information shall be provided to the persons
10 entitled to receive the report, in the form of a supplemental appendix
11 to the report, and that such supplemental appendix to the report, shall
12 not be subject to the provisions of the freedom of information law
13 pursuant to article six of the public officers law, and although the
14 persons entitled to receive the report may disclose the supplemental
15 appendix to the report to their professional staff, they shall not
16 otherwise publicly disclose such confidential or secure information. The
17 cyber security action plan shall further provide that, except with the
18 respect to any confidential or sensitive information contained in the
19 supplemental appendix to the report, the commissioner shall direct that
20 a copy of the report shall be posted on the division's website, not more
21 than fifteen days after such report is delivered to the persons entitled
22 to receive such report. The cyber security action plan should further
23 provide that the division may further post any and all additional infor-
24 mation it may deem appropriate, on its website, regarding cyber securi-
25 ty, and the protection of public and private computer systems, networks,
26 hardware and software.

27 6. Reimbursement for cost of service. The cyber security action plan
28 established pursuant to subdivision one of this section shall further
29 make recommendations with respect to the division charging non-govern-
30 mental entities for the reasonable cost of the services provided by the
31 cyber security incident response teams and the cyber education and
32 attack prevention unit. The cyber security action plan shall further
33 detail how the proceeds from the charging for such costs shall be depos-
34 ited with the state comptroller into a cyber security support services
35 account, of which the comptroller would have custody. The cyber security
36 action plan shall additionally detail how the comptroller may disburse
37 monies held in such cyber security account for the purposes of providing
38 supplemental funds for the operation of the new state office of cyber
39 security.

40 7. Timing of cyber security action plan. The commissioner, on or
41 before December first, two thousand eighteen, shall deliver a copy of
42 the cyber security action plan required to be produced by this section,
43 to the the governor, the speaker of the assembly, the temporary presi-
44 dent of the senate, the chair of the senate standing committee on veter-
45 ans, homeland security and military affairs, and the chair of the assem-
46 bly standing committee on governmental operations.

47 § 2. This act shall take effect immediately.
