STATE OF NEW YORK

595--A

2017-2018 Regular Sessions

IN SENATE

January 4, 2017

- Introduced by Sen. BOYLE -- read twice and ordered printed, and when printed to be committed to the Committee on Transportation -- recommitted to the Committee on Transportation in accordance with Senate Rule 6, sec. 8 -- committee discharged, bill amended, ordered reprinted as amended and recommitted to said committee
- AN ACT to amend the transportation law and the tax law, in relation to enacting the "integrated employment, economic development and safety net system for individuals with intellectual and developmental disabilities act"

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Short title. This act shall be known and may be cited as 2 the "integrated employment, economic development and safety net system 3 for individuals with intellectual and developmental disabilities act".

§ 2. Legislative findings and intent. The legislature hereby finds and beclares that many citizens with intellectual and developmental disabilities can be productive members of the general workforce in the state's counties and that with planning, funding realignment, employer tax credits, additional resources where necessary, and better coordination of existing state, federal and rural resources, employment for such individuals will increase significantly.

The legislature further finds and declares that because of age, severity of disability or other factors, many individuals offered the opportunity will be unable to participate in the general workforce. Therefore there must continue to be a safety net employment system to provide opportunities for such individuals to work alongside their peers with and without disabilities.

17 Finally, the legislature recognizes that economy and efficiency are 18 best served by utilizing the existing and extensive infrastructure for 19 purposes of providing appropriate integrated employment and spurring 20 economic development.

1	§ 3. Section 14 of the transportation law is amended by adding a new
2	subdivision 36 to read as follows:
3	36. The commissioner shall, in cooperation with the commissioner of
4	developmental disabilities, establish a rural integrated transportation
5	demonstration program, similar to such program as described in section
б	seventy-three-e of this chapter, in six counties, each having a popu-
7	lation of not more than two hundred thousand according to the two thou-
8	sand ten federal census. The commissioner shall direct a transportation
9	provider in each such county to study how the coordination of local
10	human service agencies providing transportation in a rural county can
11	increase transportation opportunities for integrated supported environ-
12	ment employment to individuals with intellectual and developmental disa-
13	bilities in accordance with section 13.41 of the mental hygiene law.
14	Such pilot shall provide that where a participating human service agency
15	operates transportation services for transportation-disabled persons,
16	the agency shall be authorized to provide coordinated transportation to
17	other enrolled human service agency riders while remaining exempt from
18	the provisions of article seven of this chapter, unless such transporta-
19	tion services are open to the public. The commissioner, in establishing
20	and operating the program, shall consider the availability of public
21	transportation, public safety concerns and the duplication of services.
22	Each transportation provider participating in the program shall study
23	the cost benefits of coordinating transportation, the quality of trans- portation, access for client populations and the outcomes of individuals
24	receiving the services. Every transportation provider shall report its
25 26	findings to the commissioner and the commissioner of developmental disa-
20 27	bilities who shall jointly evaluate the findings of the study, and
28	report thereon to the governor, the temporary president of the senate
29	and the speaker of the assembly.
