5 a firm mattress, such that it can double as a bassinet.

6 2. a. There shall be established in the department, by the commission-

15 habits for families transitioning to parenting. All such infant care  
16 essentials shall be chosen at the discretion of the commissioner and  
17 shall include, but not be limited to clothing, hats, socks, thermometers  
18 and bath towels.

19 b. The department shall pursue available funding options and make  
20 efforts to establish a public-private partnership with organizations

23 sible for monitoring the quality, appropriateness and effectiveness of  
24 the program and shall report to the legislature within two years of the
