AN ACT to amend the general municipal law, in relation to the municipal sustainable energy loan program

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Subdivision 6 of section 119-ff of the general municipal law, as added by chapter 497 of the laws of 2009, is amended to read as follows:

6. "Renewable energy system" means an energy generating system for the generation of electric or thermal energy, to be used primarily at such property, except when the owner of real property is a commercial entity, by means of solar thermal, solar photovoltaic, wind, geothermal, anaerobic digester gas-to-electricity systems, fuel cell technologies, or other renewable energy technology approved by the authority not including the combustion or pyrolysis of solid waste.

§ 2. Subdivisions 1 and 6 of section 119-gg of the general municipal law, as added by chapter 497 of the laws of 2009, are amended to read as follows:

1. The legislative body of any municipal corporation may, by local law, establish a sustainable energy loan program using federal grant assistance or federal credit support or monies from the state of New York or any state authority as defined by section two of the public authorities law available for this purpose.

6. ~~[The]~~ a. For loans made to an owner of real property that is a commercial entity, not-for-profit organization, or entity other than an individual, the municipal corporation shall have the authority to impose requirements on the maximum amount that may be borrowed through such
