2 four hundred four-oo of this article, to the credit of the department of
3 motor vehicles distinctive plate development fund established by section
4 ninety-five-g of the state finance law, and shall be used for the
5 production, design, advertising and marketing of distinctive license
6 plates pursuant to such section ninety-five-g; provided, however, that
7 annual service charges collected in excess of six thousand dollars shall
8 be deposited to the credit of "The September eleventh, two thousand one

14 § 2. The state finance law is amended by adding a new section 96 to

16 § 96. The September eleventh, two thousand one scholarship fund. 1.
17 There is hereby established, in the joint custody of the commissioner of
18 taxation and finance and the comptroller, a special fund to be known as
19 the September eleventh, two thousand one scholarship fund.

20 2. Such fund shall consist of all revenues received pursuant to the
21 provisions of section four hundred four-ee of the vehicle and traffic
22 law and all other moneys appropriated, credited, or transferred thereto
23 from any other fund or source pursuant to law. Nothing contained in this
24 section shall prevent the state from receiving grants, gifts, or
25 bequests for the purposes of the fund, as defined in this section, and
26 depositing them into the fund according to law.

27 3. Monies of the fund shall be expended only for higher education of

40 authorized by the department of financial services to transact business
41 in this state. Provided, however, that if the commissioner of motor
42 vehicles shall have received prior to plate design, production and issuance at least 200 orders for such distinctive plate together with the
43 additional annual service charge applicable to each such order, which
44 shall be non-refundable, no such surety bond shall be required. All
